The ill-intentioned always fall short of achieving their purpose.

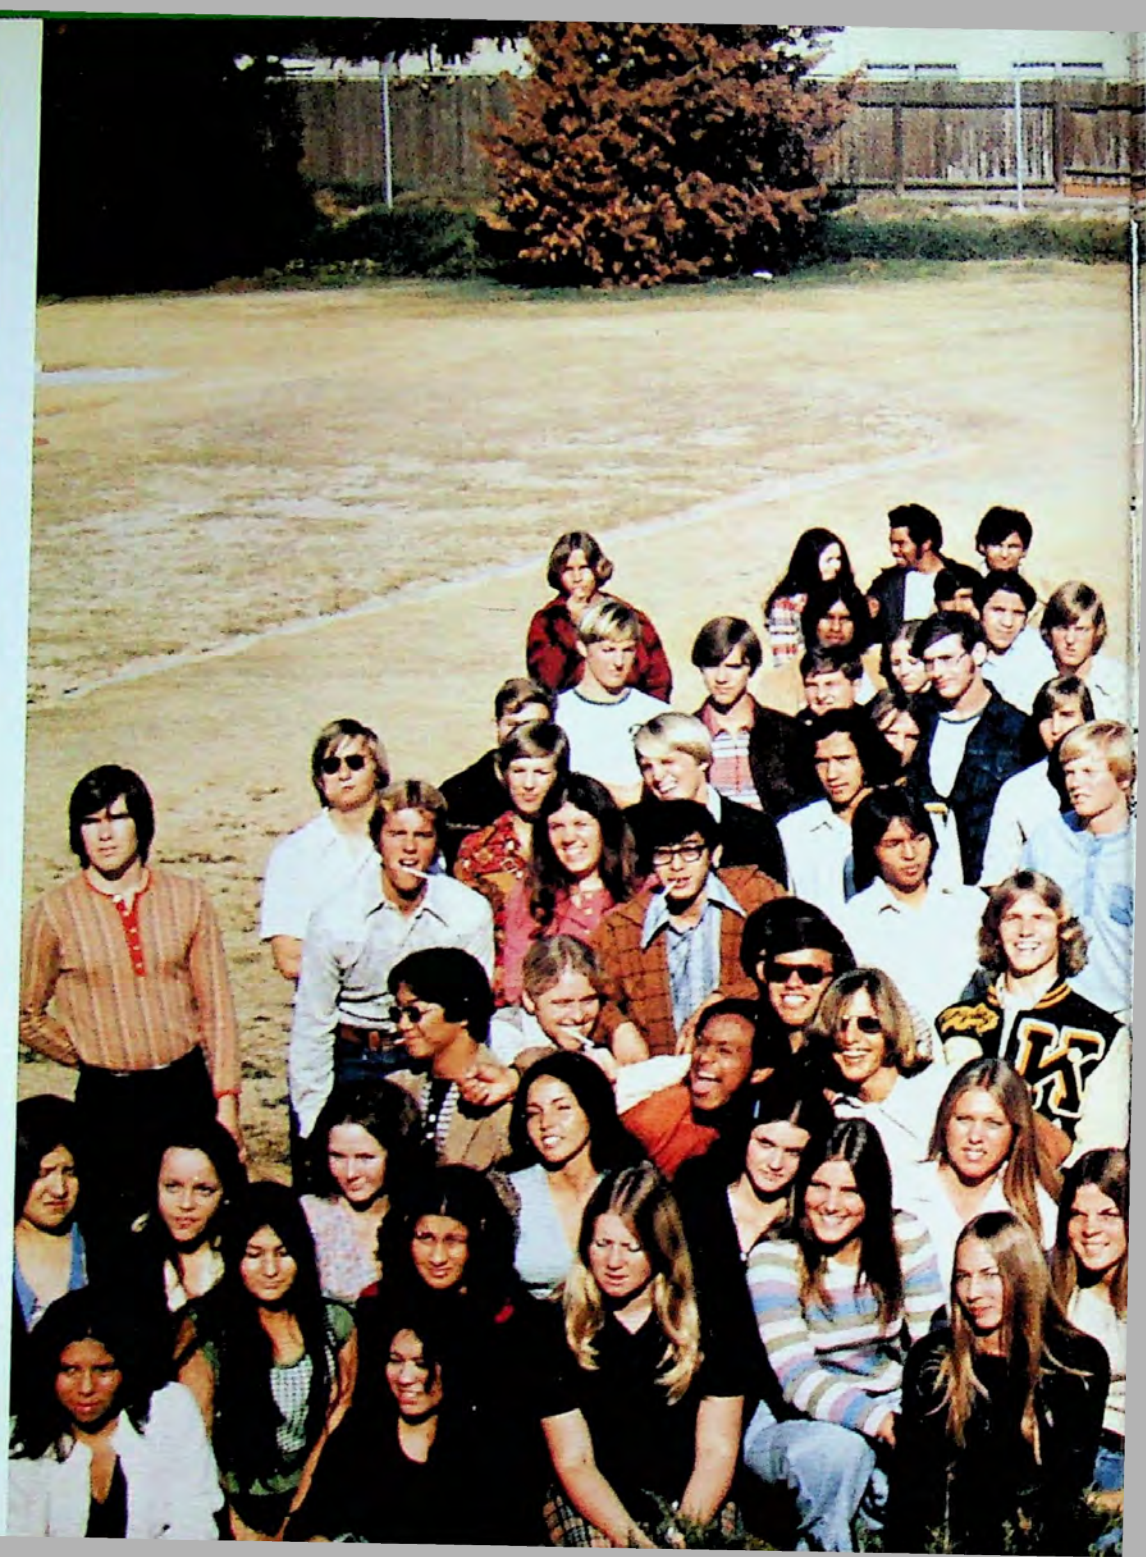

They say that silence resides in contentment; but I say to you that denial, rebellion, and contempt dwell in silence.

Juniors

Juniors

The Class of '75 started out the year with seemingly more problems than usual, but overcame them with spirit quickly as the year progressed.

Juniors do have their own way of showing spirit, and although you may not hear us, we are there, as shown by our winning all classes in poster competition at pep rallies, and by placing high in both Homecoming Week Activities and the Christmas canned food drive.

Tammy Russell was chosen to represent our class as

Homecoming as well as FFA Sweetheart Attendant. She selected a female to drive her homecoming car, a first in K.H.S. history. The Class of '75 strikes again!

The presence of Juniors are most felt in school activities, with a large number of outstanding individuals in varsity sports, music, and in other activities.

We are looking forward to being the first class to graduate from the new school, as well as anticipating an exciting Senior year in '75.

Sophomores

The spirited class of '76 started the year off with a bang. Winning "Spirit Man" on the yelling competition thanks to our fantastic yell leaders, Denise Girazian and Monica Sears. Coming in third in the Christmas can drive didn't slow us down any in our spirit.

During Homecoming Week our faithful attendant Donna Hamada didn't mind having so many pies thrown at her

since the Sophomores out bid all the other classes.

Erica Parra was chosen to represent the sophomores class for F.F.A. Sweetheart. She could have milked the goat dry, but just didn't have time.

We as a Sophomore Class are looking forward to an adventuring new year in our new school. That should even bring more spirit to the spirited Class of '76.

Freshmen

Freshmen

The Class of '77 started off the year by electing Darren Hays as Class President. The first activity of the year was the election of the year of the F.F.A. Sweetheart. Our representative Jill Darling came through for the Freshman class becoming the F.F.A. Sweetheart.

The big event for the year was Homecoming. Becki Weaver represented the Class of '77 at Homecoming. Her car donated by Coach Bill Johnson was decorated by the

artistic Freshmen with yellow and white flowers. Becki was escorted by Darren Hays.

The artistic Freshmen again showed their ability by winning the first poster contest at the pep rally. The Freshmen always showed good representation at the pep rallies. The Freshmen will be looking forward to the new school and the next three years they have left at K.H.S.

The Kingsburg High School's Future Teachers Club, Kappa Rho had a worthwhile year. During the winter, the club members sold popcorn and peanuts at the wrestling matches to provide money for club projects. Other fund-raising activities were held.

Although tutoring was not handled through the club, many members tutored at Lincoln School on an individual basis.

In the Spring, the club went to the annual future teachers pre-professional day at California State University at Fresno. This gave members an opportunity to meet other students who are considering a career in teaching to become acquainted with the university campus, and to obtain information about teaching.

We started out the year working in concession stands selling hotdogs. This year the Spanish Club changed their name to LA RAZA UNIDA which means all roses are united. In Nov. and Feb. we attended Chicano Youth Conferences at Fresno State University in Fresno City College.

In Dec. we had our Christmas party at the Fresno Carousel, and also we sponsored a dance in Jan. featuring MOTAMDO.

We took our annual trip at the end of the year. We, the LA RAZA UNIDA wish to thank our helpers Mrs. Karen Christensen and Mrs. Jane Rojas. We would also like to thank the administration for their help and cooperation throughout the year

Art Services is a class for students that plan to continue art as a career, or as a serious hobby. It was organized to fulfill the needs of the school, community and the art students. The class is kept small, allowing Ms. Johnson to help each student individually.

Some activities this year were Dance Posters, Drama Programs, and the Christmas tree in the cafeteria which was decorated by the art club.

For all home football games the chapter made and sold football programs, pom pons, and food. We also sold tootsie pops for our annual Homecoming King Contest, crowning Javier Hurtado as the 1973 King.

December was a busy month because the chapter held its traditional Faculty Tea at the home of Carol Thornbury. Members attended a lecture on the mentally retarded, provided a cake for the patients at North Acres and helped Selma charter a chapter. Carol Thornbury was our representative for the Basketball Queen Contest.

The Chapter attended the Section Conference on Feb. 9 at CSUF at which time Mrs. Croft was appointed by the State Department to serve as Central Section Adviser.

Also in February a field trip was planned, we attended the state Leadership Conference in Oakland on April 19-21, and the Nation Leadership Conference in San Francisco on June 14-16.

1973 brought to Kingsburg High School a new head coach, Gerald Schedit. The Viking team started off strong with big wins against Fowler, Selma and Reedley. For the first league game against Woodlake, the Vikings traveled and after having the bottom fall out on them, came home with a 0-1 record. After being whipped by Woodlake the Vikings came storming back to demolish Exeter and Lindsey. With Dinuba coming to town, the Vikings weren't ready and suffered their second league loss and eliminated them from the championship race. With Orosi ready to put their claw on first place and the

championship the Vikings traveled again but this time pulled the rug out from underneath Orosi for the biggest upset of the season!

For the Vikings most valuable player Mike Smith was chosen. Best back was Greg Gustafson. Manuel Gomez and Robert Gonzales received best lineman awards and the most improved award went to Ron Strand. Mike Smith and Manuel Gomez were chosen for the all league team. Those receiving honorable mention were Mark Koch, Lyndon Inouye, Greg Gustafson, Mike Bowlin, and Fred Vargas.

The Freshmen team had it's ups and downs this year to come up with a 4-4 record. The two coaches, Johnson and Lewis, did a fine job with an inexperienced team. This year was the first time a freshman team has been organized.

The 1973 Cross Country Team won all dual meets except one, against Coalinga.

They were the C.S.L. Champions, winning all league meets.

Baldemar Betancourt, Kingsburg's number one runner, medaled in every invitational meet, including the Area meet. Betancourt placed first in the 1973 C.S.L. Cross Country League Meet.

Varsity Wrestling

The 1973-74 Wrestling season was real challenge. Both for the wrestlers and the coach at Kingsburg High. The team consisted mostly of inexperienced people who represented the school well. The team had real spirit and great talent which helped them to win a second place in the CSL.

The CSL League champions from Kingsburg were Robert Contreas (98), Bob Hurtado (103), Rick Contreas (112), Mike Campos (127), Kevin Nash (138), Randy McManus (165), and Manual Gomez at (191)

The 1973-74 Varsity Team had a very disappointing year winning only seven games over-all with one League Victory. The team was inexperienced having only two seniors, Willie Davila, and Sandy Parlier. A number of times, the team dressed out with only six or seven players because of illness or injuries. Players such as Bob Parra, Bernie Carrion, Mitch Visser, and Larry Engstrom had injuries or were ill and were hampered in their playing ability. Even with many setbacks, the team never gave up during the season and always showed spirit.

The Most Valuable Viking was Sandy Parlier. The Most Improved was Willie Davila and the high scorer for the Season was Larry Engstrom. Sandy Parlier led the team with the most rebounds.

The Junior Varsity team this year was great, coming out of the season as the CSL in second place. Coach Don Witzansky did a fantastic job with the team. The team had a great attitude and good hustle on the court. The team was gifted with good shooters like Angle Sanchez, Dennis Cortez, and Mark Koch. Leading scorer for the year was Dennis Cortez. Clark Stevens finished with the most rebounds. The most valuable was Angel Sanchez, most improved was Art Falcon. The captains for the year were Mark Koch and Dennis Cortez.

The Kingsburg Viking pep-squad completed a successful year. Starting the year off right, the squad attended Santa Barbara's Pep Camp, August 30, and came home after receiving outstanding awards for their efforts.

The girls had several rallies during football and basketball season and each class participated in yelling and poster competition. Something new was added to the awards . . . Spirit Man! Not only receiving the spirit jug for yelling competition, spirit man was awarded for the most original poster of the week.

The yell leaders and rally girls did very well in competitions in various areas of the valley. The pep squad sponsored a basketball dance that featured Ace Eli.

Winding up the year, the Pep Squad had a senior rally and introduced next year's 1974-75 Pep Squad.

This year's Rally girls did a medley of their favorite routines lead by head pom pom girl, Phyllis Armer. The yell leaders did a medley of their favorite cheers, led by head cheerleader, Mike Nieuwenhuijs.

Drama

Drama students planned two major productions this year. In January they presented an evening of one act plays. In May a musical version of "The Wizard of Oz" was scheduled.

In the January production four one act plays were performed. Murder was the center of attention in "Sorry, Wrong Number" and "If Sherlock Holmes Were A Woman." Comedy developed when a high school principal could not say, "No!" to four proposals in "Bachelor of the Year." In "The Plum Tree," the mood changed for a poignant story about the sadness of old age.

A Dedication

I had a dream, the air flushed in a swirling haze. As my eyes became accustomed, I glanced up most unexpectedly and there amid this dreamy fog, was a figure distinctly familiar, yet, remotely unknown. Moving forward, swaying gently, a slight breeze tugged playfully in the fold of my curls. My lips parted and as I tried to speak, the figure lingered as if he knew what my next words were to be. I felt his eyes on me, this boy, yet, a man. He moved forward and at the same time, seemed to barely move, as if he could come no closer. I wanted to touch him and as I extended my arm outward to this figure, I felt a gentle hand on the hollow of my shoulder. Slowly I turned and my eyes fell upon my peers that I know now, I was representing. I turned slowly back to the solitary figure and without a word he knew why I was there...

The class of 1974 dedicates this page to the memory of Keith Reisenhoover. Although he was only with us a short time, the memory of his friendship will remain with us the rest of our lives.

**YOU COULD SPEND AS MUCH TO LEARN A SKILL
AS WE'LL PAY YOU!**

If you'd like to break into electronics, law enforcement, food service, administration, or another growing field, you need training that could cost hundreds of dollars in trade or technical schools.

Today's Army will give you this training, and a salary, too. \$326.10 a month before deductions, to start.

You can choose the training you want from over 200 excellent job-training courses. And if you're qualified, we'll guarantee it in writing before you enlist.

Get a headstart on your career, at our expense! See your local Army Representative.

TODAY'S ARMY WANTS TO JOIN YOU!
