Policy updated to reflect **NEW LAW (SB 98, 2020)** which authorizes, for the 2020-21 and 2021-22 fiscal years if the state defers any payments owed to districts, the temporary transfer of up to 85 percent of the maximum amount held in any fund or account for the payment of obligations. Item #4 revised to clarify requirements for transfers from special reserve funds for capital outlay or other purposes into the general fund for general operating purposes of the district.

Board Policy 3230 - Federal Grant Funds

Policy updated to reflect **NEW FEDERAL REGULATIONS (85 Fed. Reg. 49506)**, effective November 12, 2020, which clarify and renumber requirements for the use and accounting of federal grant funds pursuant to the Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (commonly called the "Uniform Guidance"). Policy reflects an amendment to the Uniform Guidance which extends the timeframe for submitting the final performance report from 90 to 120 calendar days after the ending date of the grant.

Administrative Regulation 3230 - Federal Grant Funds

Regulation updated to reflect **NEW FEDERAL REGULATIONS (85 Fed. Reg. 49506)**, effective November 12, 2020, which clarify and renumber requirements for the use and accounting of federal grant funds pursuant to the Uniform Guidance. Regulation reflects amendments to the Uniform Guidance which (1) extend the timeframe for paying all obligations of federal funds from 90 to 120 calendar days after the end of the funding period; (2) require districts to give a preference to the purchase, acquisition, or use of goods, products, or materials from the United States as practicable; and (3) increase the threshold for "micro-purchases" and "small purchases" that qualify for simplified procurement procedures. Regulation also adds the requirement to provide for disciplinary actions to be applied when officers, employees, or representatives of the district violate conflict of interest standards. Section on "Personnel" revised to (1) add the district's responsibility to check employee records and ensure that the charges are accurate, allowable, and properly allocated and (2) clarify the documentation requirements for employees whose salary is paid with state or local funds but is used to meet a cost-sharing or matching requirement of the federal grant.

Regulation updated to (1) include the maximum term for the lease-leaseback contract as specified in law, (2) reflect the requirement for site and plan approval prior to entering into an agreement, (3) add optional language for a board resolution declaring the intent to enter into a lease-leaseback contract, and (4) move evaluation criteria into the list of items that must be included in the request for sealed proposals. Regulation also reflects **NEW LAW (AB 2311, 2020)** which requires districts to include in all bid documents and construction contracts a notice that the project is subject to state "skilled and trained workforce" requirements.

Administrative Regulation 3311.3 - Design-Build Contracts

Regulation updated to reflect **NEW LAW (AB 2311, 2020)** which requires districts to include in all bid documents and construction contracts a notice that the project is subject to state "skilled and trained workforce" requirements. Regulation updated to add introductory information explaining the procedures that may be used to file a claim for money or damages against the district depending on the cause of action. Section on "Time Limitations" reorganized and clarified, especially with regard to the time limits for claims related to causes of actions which are excepted from the Government Claims Act, are not governed by any other claim presentation statute or regulation, and are addressed through procedures established by the district. Regulation also reflects **NEW LAW (SB 1473, 2020)** which allows a person to submit a claim, amendment to a claim, or application for a late claim by electronic means, if so authorized by a board resolution, in which case the subsequent notices provided by the district must be sent to the electronic address from which the claim was sent unless the claimant specifies an alternative electronic address for that purpose.

Board Policy 3452 - Student Activity Funds

Policy updated to clarify that the policy does not apply to school-connected organizations that are not composed entirely of students or subject to the board's control and regulation. SUMMARY OF SUPERINTENDENT EMPLOYMENT AGREEMENT
KEY FINANCIAL TERMS

Tonight the Board is scheduled to approve a contract extension for Don Shoemaker as the Superintendent. Below is a provided summary description of the key financial adjustments.

Term. District hereby employs Superintendent as the District's Superintendent for a period beginning on July 1, 2022 and terminating on June 30, 2025, unless terminated earlier or extended as provided by the terms of this Agreement or as allowed by law.

Annual Base Salary. The Superintendent shall be placed on Step 5 of the attached salary schedule; therefore, the Superintendent's annual base salary for the 2022-2023 school year shall be two hundred and twelve thousand forty five dollars, (\$212,045.00).

Vacation. The Superintendent shall work twelve (12) full months each year; however, the Superintendent shall be entitled to twenty-seven (27) days' annual vacation with pay, exclusive of holidays. The Superintendent's entitlement to vacation days shall be accrued on a month-to-month basis. If this Agreement expires or is terminated for any reason, the Superintendent shall be compensated for unused, accrued vacation at the salary rate effective at the time of the termination; vacation time may be accumulated from year-to-year, but in no event will more than forty-four (44) days of unused vacation be paid at the expiration or termination of this Agreement. Annually, the Superintendent may elect to receive compensation in lieu of up to ten (10) days of accrued, unused vacation and may only carry over seventeen (17) days of accrued, unused vacation to the following year. Therefore, the Superintendent shall be required to render service on two hundred twenty-five (225) days each work year. For purposes of determining the per diem rate for compensation of accrued, unused vacation, the Superintendent's annual base salary in the year of vacation accrual shall be divided by two hundred twenty-five (225). Should the Superintendent cease employment with the District with a negative vacation balance due to having used vacation in advance of its accrual (which may be done with written approval of the Board), it shall be deducted from any salary owed at the then-current per diem rate during the Superintendent's last months of employment.

Evaluation of Superintendent: Board Report. If the Superintendent's overall evaluation rating is "positive," then Superintendent shall be entitled to a one (1) year extension and the Board shall report the "positive" result in open session so that the public remains informed about changes to the Superintendent's salary and contract

extension. If the Board determines that the Superintendent's evaluation is "negative," the Superintendents salary and contract term shall remain unchanged.

Termination of Agreement: Termination without Cause. The Board may, for any reason without cause or a hearing, terminate this Agreement at any time upon prior written notice to the Superintendent. In consideration for the exercise of this right to terminate without cause, the District shall pay to the Superintendent from the date of termination until the expiration of this agreement, or for a period of twelve (12) months, whichever is less, a sum equal to the difference between Superintendent's salary at the rate in effect during the Superintendent's last month of service and the amount which the Superintendent earns, including deferral payments, from any other employment-related source (whether as employee, independent contractor, consultant or self-employed). Payments shall be made on a monthly basis.

ADDITIONAL DETAILS

The Superintendent will work 225 days per year and will receive the same district contribution toward health benefits as all other employees.

The Superintendent's contract contains many other terms but these are the key financial provisions of the contract. The contract is a public record and you are invited to review the contract before the Board acts upon it this evening. Copies of the contract are available from 8:00 a.m. to 3:00 p.m. in the district office.

To Ryan Phelan and Don Shoemaker

So you know the back story, but I just wanted you to know that I appreciate both your patience in all this. I really thought I would be giving that special speech at the end of the year breakfast in about 16 years. When my wife suggested the idea of us moving to the coast to be closer with my daughter and granddaughter, I smiled at the idea but didn't think too much. We prayed about it and at first nothing. Then God opened so many doors from getting the house, to the job, to finally sending us that one buyer just in time. I'm so excited for our new adventure but also saddened by the idea that I really am leaving such a special place behind. Bar none the best staff, admin, support staff, and students in the valley. I thank you for the opportunities I was given to teach, guide, mentor, lead, coach, and learn from so many students and student-athletes. Ryan, you trusted me with the freedom to teach without setting parameters but still gave me guidance when I needed it. You also gave me the best health summer school plan 13 years ago which I used until recently. Don, it was a pleasure getting to know you and I appreciate all the support you gave me as a coach, teacher, and a friend. I also appreciated your open door policy. I was a viking for 17 years, but in my heart I will forever be one. So at this time I would ask that you officially accept my letter of resignation as a math teacher at Kingsburg High School.

Sincerely,
Clemente Moreno
