Superintendent Message:

Happy Monday everyone!

It is definitely getting to be fall! I came over White Pass yesterday morning and the temp up there was 39 degrees, so if you're a skier, get those boots and bindings ready! I hope everyone had a great Friday, and if you were able to be involved in the professional development, I want to thank all of our staff members who were presenting at various levels. I believe that we get so much more from presentations with our home-grown experts, and I encourage you to talk to your administrators if you have an idea for future PD. I will be out on Thursday most of the day at a Superintendent Advisory Council Meeting, and we have a Board Workshop on Friday focusing on secondary academic goal options, but get in touch with me at ext. 2001 or 308-5052 if you need anything!

~Pete
