

# HS Q&A ZOOM MEETING 9/2/2020

## Message from Mr. Henry:

- We all received the difficult news last week of two of our students passing. We want our students to know that we are here for any support. Please call or email our counselors Ms. P at 588-2164, [apivorvarnik@kibesd.org](mailto:apivorvarnik@kibesd.org) or Mrs. Loy at 2152, [bloy@kibesd.org](mailto:bloy@kibesd.org). They are always willing to support our students and families.
- We are running low on laptops as soon as we get more in the office we are contacting families who have let us know that they needed one. We have had chargers exchanges, audio/video issues, log in issues, etc. with District laptops. Please call the HS office if you are experiencing a problem before coming into the school.
- Attendance and engagement is mandatory.
  - Different ways to show attendance. Assignments, Virtual Class time, Chat with teacher, phone call with teacher, etc.
  - If there is an issue with attendance please contact the teacher and call or email Katie Richardson at 588-2145, [attendance@kibesd.org](mailto:attendance@kibesd.org).

## Q&A

Q: Can the community donate laptops?

A: Yes. If donating please make sure the computer is fast enough and compatible.

Q: RE: Donating laptops. Can the HS post the specs the laptops would need if the community wants to donate?

A: We will contact the IT department and ask for that info and get back to the community.

Q : Will students with IEP's classes change?

A: Students with IEP sometimes specific requirements in their IEP regarding credits/minutes scheduled and specific classes so if something has to change it might but at this time there is nothing that will change.
