

The Kuna School District Board of Trustees firmly believes that all children can learn and commits to create a school system that is grounded in strong relationships, organizational strength, safe and inclusive schools and continuous improvement and innovation so that all children may learn.

DEFINITIONS

“Empower” means to make students stronger and more confident by providing them the knowledge, skills and attributes to achieve and become successful.

Therefore, the Board of Trustees has adopted the following mission statement: Empowering students to lead productive lives.

Therefore, the Board of Trustees has adopted the following vision statement: Future Ready: We prepare for a rapidly changing world by empowering all students to pursue the best version of themselves.
