LIMITED OPEN FORUM

The board of trustees of this district has established a limited open forum. Accordingly, school officials will not deny equal access or a fair opportunity to, or discriminate against, any students who wish to conduct a meeting on the basis of the religious, political, philosophical, or other content of the speech at such meetings.

School officials shall uniformly enforce the following general guidelines in approving, establishing and operating student clubs:

1. All student organizations and clubs in the district's schools must receive prior approval through completing an application process signed by the proposed club officers, staff sponsor or monitor, and administration of the representative school to the board.
2. The district may sponsor academic or vocational clubs.
3. The district shall not sponsor clubs which advocate particular religious or political beliefs or ideas, but may approve them. Any such clubs shall be non-sponsored or non-curriculum. The school and the district shall not be identified or associated with the goals, policies, objectives, activities, beliefs or opinions of any non-sponsored or non-curriculum clubs or its members except approved sports clubs.
4. The district shall not sponsor sports clubs, but may approve them. Any such clubs shall be non-sponsored. Such clubs are permitted to use the school name, mascot and logo as part of their program.

Clubs shall be allowed to meet on school premises prior to the start of the school day, during the noon hour, and after school hours on days when school is in session. The time and place of all club meetings shall be subject to available space, conflicting activities and programs, and the availability of the faculty sponsor or monitor. Students shall be responsible for ensuring the presence of a faculty sponsor or monitor prior to every meeting.
7. All clubs must comply with provisions of the schools' student constitution, if applicable.
8. No hazing of students shall be permitted.
9. Approved student organizations or clubs will have the right, within established guidelines set forth in this policy, to use available school facilities; to share available bulletin board space in order to publicize activities; and to distribute notices to publicize approved activities. Club flags and mascots may be displayed only during approved club meetings and activities.
10. The principal or designee may deny the opportunity of any club to meet on school premises, and may deny permission of any non-school person to meet with or speak to a club on school premises, where there exists a substantial likelihood of material and substantial

interference with the orderly conduct of educational activities within the school, or if the meeting or activities in the meeting are, or will be, in violation of any law or ordinance.

The principal or designee may temporarily or permanently terminate the opportunity of any club to meet on school premises in the future if the club has materially or substantially interfered with the orderly conduct of educational activities within the school, if the activities of the club have violated any law or ordinance, or if the club has violated any provision of this policy.

For sponsored clubs, the following guidelines will apply:

1. Each sponsored club will have a faculty or staff member appointed as a sponsor. The sponsorship must be approved by the principal or designee.

2. Recognition by the school district of a non-sponsored or non-curriculum club is not an endorsement of the aims, policies, or opinions of the student organization or its members.
3. The school or district's name will not be identified with the aims, policies, or opinions of the student organization or its members.
4. Notices of meetings of non-curricular student organizations may be posted only on a designated bulletin board used by non-school sponsored organizations. No announcements shall be made over the public address system or in any school-sponsored publications.
5. No funds will be expended by the school for any such meeting beyond the incidental cost associated with providing a meeting place.
6. Every club must have a district employee volunteer as a monitor to the club. The monitor shall be responsible for monitoring the meetings to assure that attendance at the meetings is voluntary, to assure that the meetings do not materially and substantially interfere with the orderly conduct of educational activities within the school, and to assure that order and discipline are maintained. Monitors shall attend the meetings of non-sponsored or non-curriculum clubs that are political or religious in nature in a non-participating capacity.
7. No school employee shall be compelled to be a monitor of a non-sponsored or non-curriculum club.
