

Kuna School District No. 003 assures its locally developed standards for elementary school student instruction meet or exceed the minimum state standards. Instruction is inclusive of subject matter, content, and course offerings. This includes special instruction that allows limited English proficient students to participate successfully in all aspects of the school’s curriculum and keep up with other students in the regular education program. It also includes special learning opportunities for accelerated, learning disabled students, and those with other disabilities.

This district will provide a core of instruction at the elementary level kindergarten through grade five as follows:

1. Language arts and communications will include instruction in reading, writing, English, literature, technological applications, spelling, speaking, listening, and cursive writing.
2. Mathematics will include instruction in addition, subtraction, multiplication, division, percentages, mathematical reasoning, and probability.
3. Science will include instruction in applied sciences, earth and space sciences, physical sciences, and-life sciences. Social studies will include instruction in history, government and community, geography, economics, current world affairs, citizenship, and sociology.

In addition to the core of instruction set forth above, the district will offer the following instruction to all elementary school students:

- Fine Arts (art and music)
- Health (wellness)
- Physical Education (fitness)
