APPEALS APPLICATIONS ARE DUE NO LATER THAN WEEK PRIOR TO END OF QUARTER

LIST CLASSES FOR APPEAL: This information is listed on the attendance letter you received. You must appeal all classes in which you have 10+ absences:

Per the Attendance Appeal Process outlined on Page 2 of the IPHS Student Handbook, requests for a waiver of loss of credit through the appeal application should document the *extenuating circumstances* that caused excessive absences. As such, please answer the following questions, ***on a separate piece of paper***, with as much detail as possible. The Attendance Appeal Committee will review your appeal application and determine whether or not to grant you your appeal for credit.

- Reflect on your attendance. What were the extenuating circumstances that made it difficult for you to attend school/be on time every day during this past quarter?
- Explain how you kept up with the schoolwork that you missed during your absences. If you did not keep up with your schoolwork, please explain why.
- Explain why you feel the Attendance Appeals Board should waive the attendance policy for your situation and grant the credit for which you are appealing.
