

Back To School Edition: August 2022

Nivens News

In this month's update, Lamar CISD Superintendent Dr. Roosevelt Nivens celebrates the District's strong state accountability score projections and takes us to the United States Secret Service school safety summit we hosted along with Stafford MSD. The update ends with an invite to attend our first ever Back to School Block Party.

District Accountability Rating...Looking Strong!

Our state accountability projections look strong and show growth and gains in many areas. While our data is still preliminary, **we are projected to fall between 89 and 91 as a district.** Texas Education Agency (TEA) will inform districts of their final rating on August 12.

Back to School Block Party: August 13

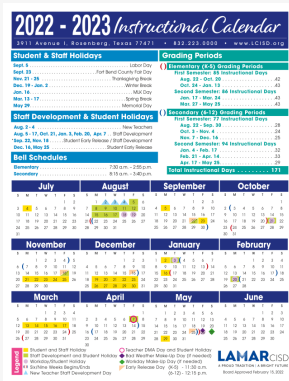

Join us as we kick off the 2022 - 2023 school year with carnival games, food trucks, a car show, Family Connect Educational enrichment and more at our first ever Back to School Block Party!

Saturday, August 13 from 8 a.m. - 12 p.m., we'll be out at **Traylor Stadium** located at 1000 E Stadium Drive, Rosenberg, TX 77471.

Don't miss out on your opportunity to meet Campus and District staff and get all your back-to-school questions answered! Need help with forms, want to confirm your bus route, or need help setting up your child's lunch account, we will be there to assist!

2022 - 2023 Instructional Calendar

2022 - 2023 ID Badge Information

This year, as an increase to our safety measures, every student is required to wear an identification badge at all times. Each campus will soon have the capability to print badges to meet the District's new ID requirement for all students. Soon we will distribute Smart Tag Printers to each campus. Each badge will serve as the student ID and SmartTag all in one card.

The District will also provide all students and staff with an emergency safety card to be worn with their ID Badge. This new requirement is just one of several new safety additions the District is incorporating this year.

The safety card contains Lamar CISD's Standard Response Protocol, important emergency numbers, as well as a QR code that links directly to the District's anonymous tip line. Badges will be distributed with student SMART Tags.

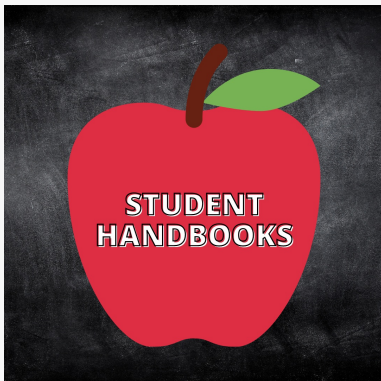

SMART Tag

The SMART tag system helps increase safety and security for students riding on a school bus, leveraging technology to improve student management and communications on school buses. SMART tag monitors student loading and unloading, providing real-time information to the Transportation Department, and you, the guardian. Be sure to stay in the know on all of the latest information related to your student's SMART Tag
