

Attendance Boundary Committee (ABC) Rezoning Process & Committee Information

Spring 2024

Attendance Boundary/Rezoning Process

- **Step 1:** The district demographers develop at least three options for consideration which the Board will vet and approve for the Attendance Boundary Committee (ABC) to review and provide feedback on.
- **Step 2:** The district will open a survey targeting the areas potentially impacted by rezoning.
- **Step 3:** The District will establish an Attendance Boundary Committee (ABC) to review and consider survey results and the three options. The committee will rank the options, and the ranking will be presented to the Board of Trustees.
- **Step 4:** Administration will present the rankings to the Board for consideration.
- **Step 5:** Board selects and approves zoning plans.

The Attendance Boundary Committee

- The Attendance Boundary Committee will provide community and parent involvement in redrawing attendance boundaries to accommodate new growth or shifts in its student population.
- Membership of the ABC will consist of at least two representatives from each potentially impacted campus.
- The campus administrator will select campus representatives. Appropriate central administrators will serve as resources as needed.
- If the ABC creates an additional option, Administration will send an information item to the impacted campuses.
- Trustees representing the district of the impacted area(s) may appoint up to two people to serve on the ABC (Should be a parent of a student who is or will be impacted within the next two years)
