NATIVE AMERICAN EDUCATION GRANT (TITLE VI) STUDENT PROGRAMMING

Hello Families!

You Matter!

Did you know that the number of enrolled Indigenous students in the School District of La Crosse is the basis for the Native American Education Grant (Title VI) funding each school year? The School District of La Crosse receives grant funds each school year based upon the number of students identified. This means the more students identified, the more funds become available to support students.

Be Counted!

The Federal 506 form is attached. Please complete this form and return it to the main office of your child's school. Doing so will support your child's programming as well as all other children identified as American Indian or Alaskan Native.

**The Federal 506 form will ask parents/guardians to indicate which Tribe or Band the child/children belong to. Proof of membership in the Tribe or Band is required. We are ready to assist parents/guardians/families if questions or concerns arise.*

Our Mission

Our mission is to educate, support and engage our staff, families and students on topics and issues of culture, race and social justice. We strive to provide on-going programs that focus on academic success, students/staff development, advocacy and community outreach.
