

Attendance

We are excited to announce new attendance incentives for the upcoming school year at Hamilton Elementary and the School of Technology and Arts II! Regular attendance is crucial for student success, and we want to reward our students for their commitment to being present and on time.

Arrive by 8:15 Daily to Be in the Drawing!

Students who arrive by 8:15 AM daily will be entered into our weekly and monthly drawings. A note from a doctor will excuse absences, ensuring that students can still participate in the drawings.

Weekly Drawings: If students are here by 8:15 AM Monday through Friday, their names will go into a drawing on Friday morning! Each Friday, we will randomly draw five names from each school, and those students will get to pick a prize. Prizes will be displayed in the case near the office.

Monthly Drawings: At the end of each month, there will be a drawing for a special "Lunch Bunch" with a staff member. Lunch will be provided for the students. For example, Culver's kid's meals may be provided. Three students from each school will be drawn for the Lunch Bunch prize.

We look forward to a great year with excellent attendance and exciting rewards!
