### Philosophy of Education

The School District of La Crosse believes that its primary responsibility is to provide excellence in education for all children and to assure that each will be a successful student. The District will devote its energies and resources to achieve this goal within the means of the community. Our objective is to provide students with instruction in subjects which are necessary to develop skills for successful and productive lives and to stimulate the development of intellectual capabilities, emotional well being, productive citizenship and each individual's potential.
