November 17, 2015

Logan High School and the National Honor Society are proud to present the annual

Logan High School Curriculum Fair
Wednesday, December 9, 2015
6:00 - 8:00 p.m.

The Logan High School administrative team and staff would like to invite **you, our current students, and our incoming Rangers** to the Curriculum Fair and Orientation Meeting on Wednesday, December 9, 2015.

The purpose of the Curriculum Fair is to inform and guide parents/guardians and students through the process of course registration for the 2016-2017 school year. This is an important opportunity for **all Logan students** to seek out information in regard to career paths and classes being offered to support their educational aspirations. All Rangers will be given the opportunity to view displays by each academic and elective department. They will receive first-hand information from our teachers, students, counselors, and administrators.

To re-emphasize, it is extremely important for **all** students to attend the Curriculum Fair, as it has been moved to an earlier date so staffing can be completed by the end of January. This allows the District more opportunities to hire the most qualified teachers as positions become available.

CURRICULUM FAIR AGENDA

6:00 p.m. - Curriculum Fair Opens

6:30 p.m. - Meeting in the Weess Theater- It is designed to provide our new Rangers and their parents/guardians with more specific information on high school course selections, options, and planning. The Curriculum Fair will remain open during this time.

7:00 p.m. - Tour of Logan High School will be provided to those people who are interested.

8:00 p.m. - Curriculum Fair will end. If you have further questions and would like to meet with any of our teachers, please feel free to call or email them. This information is provided on our website.

Please see reverse side for registration details . . .
