

IMPORTANT INFORMATION – FREE MEALS FOR ALL ENDS

The School District of La Crosse will no longer be able to serve all meals to students free in the 2022-2023 school year. The funding to be able to offer free meals during the pandemic will end at the close of the current school year.

A new Free/Reduced meal application will be needed in order to receive Free/Reduced-priced meals during the 2022-2023 school year.

New application forms will be available after July 1, 2022. As additional information becomes available, we will be posting information to the La Crosse School District and School Nutrition website in addition to sending a Back-to-School mailing this summer to all families.

Completing the Free/Reduced Application is necessary for all families as this information helps determine additional funding for enhanced education opportunities to your child's school.
