ATTENDANCE EXPECTATIONS

Attendance is the biggest predictor of student success and is essential for the safety of every student.

If your child is ill or will be missing school, please call 608-789-7695 to notify school authorities before 8:00 am on the day of the absence. Please remember we have an answering machine to take your calls after/before office hours. If you are planning to take your student out of school for more than one day, please notify the office and obtain a pre-excused absence form.

NOTE: PLEASE REVIEW VERY CAREFULLY THE ATTENDANCE POLICY FOR THE SCHOOL DISTRICT OF LA CROSSE FOUND AT WWW.LACROSSESCHOOLS.ORG

A COPY OF THE COMPLETE POLICY IS AVAILABLE UPON REQUEST.

- a. A parent may excuse a student for no more than 10 days in a school year for personal reasons (vacation, etc). After 10 days of absences, verification of absence (phone call or written), will not be automatically excused. It is the sole responsibility of the building administrator to determine whether absences are excused or unexcused (Administrative Policy 4310).
- b. Students who are absent because of illness for 5 consecutive days must provide a dated doctor's note verifying the length of absence. At 10 days of accumulated absences per YEAR, a building administrator will require a dated doctor's note for ALL subsequent absences for the absence to be excused. If a note is not received, the absence will be unexcused.
- c. Tardiness is defined as coming late to school. Habitual tardiness will be considered truancy.
- d. An unexcused absence, as determined by the building administrator, for part or all of one or more days will be considered truancy and the La Crosse Police Department.

Please keep in mind that if a student arrives at school after 9:30 a.m., they are considered absent for a ½ day. Students must report to the office for a pass if they are late arriving at school.

If a student must leave school during the day, their guardian must report to the office to sign the student out of school. Guardians should not go directly to the classroom without stopping in the office for a visitor pass.

BACKPACKS

We encourage students to bring a backpack each day to school. However, backpacks are not allowed in the classroom during the school day. It is expected that they will remain in their locker until the end of the day.

BEFORE/AFTER SCHOOL ACTIVITIES

For safety reasons, students are not allowed to roam the hallways before or after school. Students participating in before or after-school activities are expected to stay with the supervisor of that particular program. The office staff will not assume responsibility for supervising students waiting for an activity to begin or waiting for rides after an activity has ended. Parents/guardians are asked to be on time to pick up students after the activity has ended. Students are not allowed at school until the activity supervisor is present to supervise.

BEHAVIOR EXPECTATIONS

DISTRICT STUDENT CODE OF RIGHTS AND RESPONSIBILITIES

A copy of this document will be available online at 2023-24 Code of Rights and Responsibilities or by request in the main office. The form requiring both parent and student signatures stating that the code has been read and is understood will be mailed with the registration packet.

PBIS -Positive Behavior Intervention Supports

Positive Behavior Intervention Supports (PBIS) a broad range of proactive, systemic and individualized strategies for achieving important social and learning outcomes in safe and effective environments while preventing problem behavior with all students (Sugai, 2007).

In order for the Hamilton/SOTA I environment to be a place for optimal learning, the following matrix has been established so students are aware of what it means to be respectful, responsible and safe whatever setting they may find themselves in while at school.

GOOD BEHAVIOR

When students are seen going above expectations, staff will recognize and reinforce good behavior with a soaring slip.

Super Student Slip

Name:

I was: Respectful Responsible Safe

Students will be taught the expectations for behavior at Hamilton/SOTA I. Students who choose not to demonstrate the behaviors on the matrix, or those found in the Student Code of Conduct, may require more specific plans and consequences. Examples of consequences may be, but not limited to, the following: lunch detention, loss of school privileges, parent notification and/or conference, daily progress report, in-school suspension, out-of-school suspension, police involvement and expulsion.

T-Chart of Behavior

Teacher-Managed Behaviors	Office Managed Behaviors
Minor	Major
Talking Play fighting Disrespectful Off-task Backtalk Running Cheating Dishonest Loud in quiet areas Unkindness Manners Teasing Whining Language	Fighting Causing harm to others Insubordination Threatening (serious) Throwing furniture Vandalizing Weapons Drugs/Alcohol Excessive classroom disruption Profanity directed at someone Spitting with intent Repeated backtalk Harassment (sexual/racial) bullying/intimidation Sexual language/actions

Check-In/Check-Out (CICO)

This program's intention is to create a positive relationship with an adult at school for students who may need extra support. An adult will meet with the student every morning and at the end of the school day to help the student evaluate their daily choices. The staff will give positive (not negative) feedback many times during the day based on the school-wide expectations. CICO forms will go home at the end of each day to get POSITIVE FEEDBACK from home.

*** You will be notified if your child is placed on CICO.**

BOYS & GIRLS CLUB AFTER-SCHOOL PROGRAM

Hamilton/SOTA I is a site for the Boys & Girls Club. A registration form must be on file with the Boys & Girls Club before students may attend. Forms can be accessed through the Boys & Girls Club website or by calling the Boys & Girls Club offices:

- Hamilton site at 789-8461
- Mathy site at 784-5656.

Applications and fees should be submitted to the Boys & Girls Club. For any questions regarding the Boys & Girls Club please call 784-5656.

BREAKFAST/LUNCH/SNACKS

BREAKFAST: A balanced breakfast is served in the cafeteria from 7:45-8:10, students should not bring chips, snacks, sports drinks, coffees, etc. into the cafeteria before school.

LUNCH: A balanced lunch is served to students by grade level.

SNACKS AND OTHER TREATS should be brought for the classroom (unless there is a food allergy).

The breakfast and lunch program is computerized. Each student is issued a "pin number", which allows them to access the money in his/her account or to eat for free. School meal payments can be given to the cafeteria, the office, or paid online through Family Access. Students who receive free or reduced lunch also qualify for a free or reduced breakfast. Students will not be allowed to charge more than \$5.00 on their account daily. **Free or Reduced meals information:** Free and reduced applications must be filled out each year, returned to school, and have it processed by the district office before a free or reduced status can be determined.

We are pleased to inform you that Hamilton is a Community Eligibility Provision (CEP) school while participating in the National School Lunch and School Breakfast Programs for the 2023-2024 school year. What does this mean for you and your children attending Hamilton? All enrolled students at Hamilton are eligible to receive a healthy breakfast and lunch at school at **NO CHARGE** each day of the 2023-2024 school year. However, we still encourage families to complete the meal application as grants to support our school are based on this information.

Important: Since Hamilton is a CEP school, it is necessary for each family to complete a Free/Reduced Application so that if you have children in other schools in our district they may still be evaluated to receive free/reduced meals at those schools. Completing the Free/Reduced Application is also necessary to qualify for other funding that will enhance educational opportunities for students. In addition, completing the form assures that your child will be evaluated for free/reduced status if you should move to another district school sometime during the year. The Free/Reduced Application is available in the student info update. Families may also complete a paper form if one is requested from the school office. If you have additional questions regarding this exciting program, please contact Kadie Haug at 789-7637.

Note: If your child is getting a milk to go with cold lunch, the cost is \$.50 per milk.

(Note: Meal applications must be completed each school year).

Milk Substitutions in School Meals

For students who cannot digest milk, Lactaid – a milk product without the troublesome milk sugar lactose — will be offered. Lactaid milk will be substituted free of charge if for diet reasons your child cannot consume milk. Parents must submit a doctor's statement for this service.

This ruling does not apply to students *with* disabilities that affect major life functions. If your child has a disability, please contact your school's cook manager or the school nutrition office at 608-789-7625. We must have a special diet form completed that must be signed by your physician notating the diagnosis or medical condition that requires the student to have a milk substitute.

BUS POLICY AND RULES

Because safety is our primary concern, student discipline on the school bus is an important matter. A single lapse in the driver's concentration caused by students misbehaving could result in a serious accident. Please remember that the driver is in charge of the bus just as the teacher is in charge of the classroom. Students who are NOT regular bus riders are NOT ALLOWED to ride home with friends who are regular bus riders without a written parental request, prior approval from the bus company, and the principal's signature. This is bus company policy.

Bus route information is available through Go Riteway by registering online (found at lacrosseschools.org under the Parents tab and transportation) or calling them at (608) 881-6370.

CELL PHONE POLICY:

Students may not use cell phones or other 2-way communication devices during school hours unless prior authorization is granted by the building administrator. If a student is seen with their cell phone, they will be considered in violation of this policy. Their use is restricted to outside of the school building and only before or after school. Cell phones must be turned off and stored in a backpack in their locker. The school is not responsible for lost, stolen or broken items. Cell phones will be held in the office for parent/guardian to pick up if expectations are not followed by students.

CLOTHING CLOSET

Accidents happen and sometimes life can turn us upside down. There is a small clothing supply at school to support these types of needs. This clothing closet is not meant to be shopped at but as a resource for all staff to use in an immediate need. If a family is in need of a larger support of clothing, please reach out to the pupil service team for additional resources.

DISTRICT-WIDE PARENT COMMITTEE

The District Wide Parent Committee is a valuable way to promote communication between schools and parents. They meet on a regular basis with Superintendent Aaron Engel.

DRESS CODE

We expect students to have outdoor recess daily, except in severe weather or when a doctor writes an excuse for medical reasons. Therefore, please be sure your child has and wears a coat, boots, snow pants, mittens, hats, etc. during cold weather. Please be sure to mark clothing with the child's name. A final decision as to the appropriateness of dress will be made by the principal.

By state law, physical education is required of students. We expect students to be appropriately dressed for all activities. Gym shoes: students must have tennis shoes for physical education. These shoes should be non-skid or white-bottomed.

We ask parents/guardians to monitor closely the daily dress of their children prior to the child leaving for school. This need for appropriate school dress is an issue we try to spend as little time on as possible, but occasionally a situation will need to be addressed. Common concerns are listed below:

- Students have the right to choose their manner of dress and personal grooming and hygiene unless it presents a clear danger to the student's health or safety, causes an interference with school work or creates a classroom or school disorder.
- Students are responsible for wearing clothes that are appropriate for school. To maintain a safe learning environment, student dress cannot be a health and/or safety hazard, obscene, sexually explicit or discriminatory. Clothing that displays words or images that communicate a message that is racist, sexist, or otherwise derogatory is not permitted. Clothing that displays references to alcohol, chemicals, or other products that are illegal for use by minors is not permitted.
- Shoes with wheels are not allowed due to safety concerns.

Staff members may ask students to remove any chains, beads, rings, necklaces, etc that interfere with learning or compromise the safety of an activity.

Do not leave food in your locker

Report any locker problems to the main office immediately.

It is highly recommended that students bring a sweatshirt to keep in their locker. The temperature in the building can change when it is unexpectedly cold outside or the HVAC system is running.

PARTY INVITATIONS, BALLOONS AND BOUQUETS

Please refrain from distributing party invitations at school. Balloons, candy and flower deliveries at school are discouraged. Those that are delivered will be given to the child at the end of the school day. Latex balloons are not allowed due to allergies.

There are certain times throughout the school year that students may be allowed to bring a special snack for a celebration including birthdays. Snacks should be easily portioned out for students (no sheet cakes for example). We do not have extra utensils, plates, or bowls for snacks.

PASSES

Students are expected to have a pass if they are in the hallway during class time and should be prepared to show their pass to a staff member when requested. Each classroom has passes labeled for the correct location by the classroom door.

PROCEDURE FOR ADDRESSING CONCERNS

On occasion, parents/guardians have questions or concerns regarding their child or a situation that occurred in the classroom or at school. We want to hear those. We do ask that you would follow the following procedure in order to provide the appropriate staff with the opportunity to address the concern. First, please contact the classroom teacher or staff member who was directly involved. Should you feel that the situation was not resolved satisfactorily or have additional questions that couldn't be answered; you may then contact the building principal. The principal will be happy to become involved at that point. The same applies for concerns at the building level. Please allow the building principal the opportunity to address concerns prior to contacting the Director of Elementary Education or Superintendent.

STUDENT FIELD TRIPS

The Board of Education of the School District of La Crosse recognizes the educational value of field trips and approves of these activities as a significant supplement to regular classroom instruction. A field trip shall be defined as a learning experience wherein students leave their school for a designated period of time under the supervision of school personnel. All field trips shall be educational in nature and shall be a continuation of classroom study or an approved school program. Field trips provide worthwhile and effective learning experiences if appropriate, properly planned, and used to supplement or enhance the curriculum. A follow-up activity should be provided that connects the field trip to the ongoing curriculum.

Students that demonstrate inappropriate behavior during the regular school day may not be allowed to participate on field trips.

Student Expectations

- Students shall follow all district policies and school/classroom rules and expectations as described by principals, classroom teachers, or other adults in the building. The building principal will work with each student at the time of the infraction to determine a course of corrective behavior, compensation to the district, or legal action.
- Students will not share their district username and password with any other person except when asked by a school employee or by their parents/guardians. All information on the district-issued iPad is not private information and students should expect adults to review their work and files as necessary.

- iPads are monitored through internet usage logs..
- Students should not install any non-district approved apps or services on iPad. If this is done, students should expect these to be removed at any time by district personnel. Students should be aware of their actions while online so that malware and viruses are not brought into the district network.
- Students should not 'sync' the iPad to any personal phones, iPods, other laptops, etc.

- Students are issued a district-managed Apple ID and email to allow for access to many online resources and storage as well as to communicate with teachers, administration, and each other.
- District-issued cases are to be kept on the iPad at all times. If the student removes the case and it breaks, new cases can be purchased in the school office or school store depending on the school. iPads must be used with a case at all times.
