

# FOOD PANTRY

State Road has a food pantry available to any family who feels they have a need for some groceries to be sent home up to twice a month.

We have a couple school food drives a year, and also partner with The Hunger Task Force.

Please know that this information will be kept confidential and will not be used for any other school lunch program. Please be sure to talk to your child about not unpacking the food until they get home.

If you are interested in participating in this program, fill out the form below and return to school.

If you have any questions or concerns, please contact Rachel Hying, social worker at 789-3429.
