

Classroom News

Hello Preschool Families,

It's hard to believe we are in the final stretch of the school year. This year has brought many challenges as well as rewards, but all great learning experiences. I want to thank each and every one of you for your dedication to your child's education and for your support of our program. The donations (both time and materials) you've contributed throughout the year has been a blessing to my classroom and to the learning experiences of the students, and I appreciate it so very much. Just a reminder: the last day for morning class will be June 5th, but for the afternoon session the last day will be June 4th.

May recap: Our themes included dinosaurs, ocean animals, and transportation. We also did a science experiment called the "walking rainbow." Please ask your child about it. This other picture is one of the morning class playing a game called "Mr. Pig."

Kindergarten has been spending a lot of time learning in nature. We hatched chicks in our classroom, did reading groups outside, and were busy helping our retired teachers with planting a new apple tree, painting rocks in the butterfly garden, and helping get our garden ready for planting. We are so lucky to be able to spend time outside learning in nature, and appreciating our Earth.

Hurray! We are celebrating our 1st grade achievements!

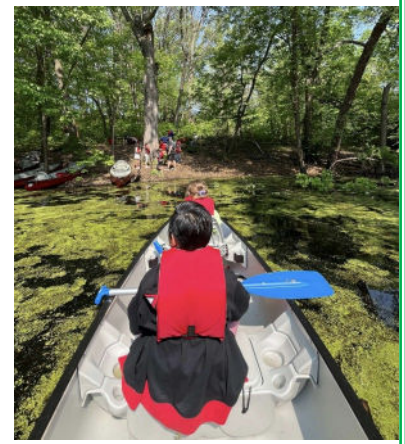

One of the ways we wrapped up this year was by venturing off to Mrs. Anderson's Dairy Farm for the day where we were immersed in active, fun, environmental learning stations. Since that field trip, the 1st graders have written their own personal narrative story about their experience on the farm. In Science we are ending our year by examining living and nonliving things. For Math, students are getting introduced to using and counting money (quarters, pennies, dimes, and nickels). We strongly encourage all families to continue to try and read daily with your child, as it has made a great impact in their reading growth this year. As another reminder, the summer reading programs provided by the local libraries are FREE, and all have excellent events and ways to keep your child engaged in reading this summer.

Thank you families for supporting learning activities at home to help your child grow. Have a fabulous summer!

~ Mr. Jacobson, Mrs. Anderson, and Ms. Jacobson

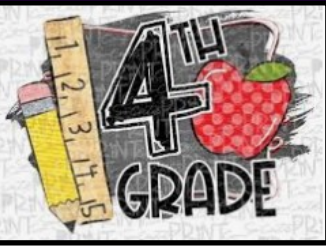

2nd Graders recently finished their learning about the Painted Lady Butterfly life cycle. Students observed all stages of the life cycle, including the larva and pupa stages. Needless to say, everyone was pretty sad when we had to say goodbye to our butterfly friends. Students have also completed Unit 12 in math, which had them learning various units of measurement and how to use a variety of tools to measure. This has been a fun year of learning and growth.

Happy Summer Third Grade Families,

As this school year comes to an end we want to thank you for all of your support. This month has been jam packed with the fishing trip, owl center, canoeing and so much more! Along with all of our trips and fun activities we have wrapped up science, social studies, and ELA and will be finishing up our final math unite. We hope you al enjoy summer break spending time with loved ones and getting outside.

Happy Summer,
Mrs. Jahnke, Mrs. Welch, & Ms. Sparano

May is always a busy time at school with wrapping up projects, taking field trips and completing assessments. With another school year coming to an end we hope everyone has a wonderful and relaxing summer. We had a very fun field trip to Veterans Park in West Salem and were able to practice our biking skills!

~ Mrs. Goodwin and Ms. Thornsen

The Fifth Grade classes have been working hard to finish out their time at Summit with a BANG! In addition to all of the activities within the classroom, they were able to conquer "summits" during their recent Frog Camp Campout, students and teachers included. Together, we cheered each other on during rappelling, learned tent skills, and spent a few hours on the Mississippi canoeing. It was a very successful outing for all, which for some was their first camping experience.

PBIS

Every month our students meet to celebrate our positive behaviors. Students are drawn from the "Bucket Fillers" for prizes and fun.

Thank you for a GREAT year!

Our April Bucket Fillers of the Month were recognized for all of their hard work and leadership within their classrooms. Some common comments from their teachers are showcased on Hopper!

Congratulations to Emma, Jaxon, Kinley, Chancellor, Lincoln, Norah, Myra, Avaiyah, Logan, Kierra, Harrison, Reegan, Aimsleigh, Solomon, Elwood, Finley, and Sawyer.

Keep up all of the hard work!!!

Welcome to Art 2023-2024

Hope you have a great summer and keep creating in different ways!!

This month's highlights:

- Kindergarten through 5th Grade created pixel art.
- K/1 worked on backgrounds for their concert.
- We joined forces with music to draw what they felt to different songs.

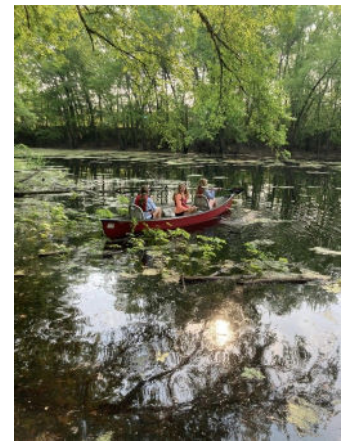

THIS MONTH IN PE

Time to hit the water with *Canoeing* for Summit PE!

~ Mr. O

Welcome to Music Class

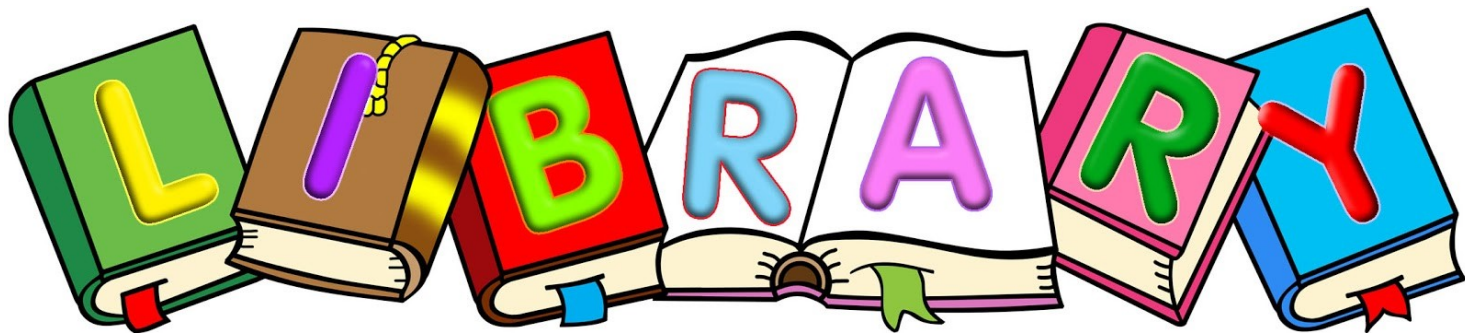

Thank you to all students for a great year of music! We've had 3 great concerts this year—most recently our Kindergarten-1st Grade Concert—and a wonderful holiday sing along!

Kindergarten and 1st grade spent most of May focusing on their concert music. They worked so hard and I'm very proud of all of their effort!

2nd-5th Grade recently began a project working with iMovie where they were in charge of adding sound effects to movie trailers. It was so nice to see all of the creativity across all of the grades!

**ALL LIBRARY
BOOKS WERE DUE
FRIDAY, MAY 24TH**

Upcoming Announcements & Events

Missing an Item?

LOST & FOUND

Our Lost & Found bins are currently overflowing. Please stop by before or after school to check for any missing items.

Unclaimed items at the end of the month may be donated or tossed.

Be sure to stop by before/after school to claim any missing items from the Lost & Found.

Student Info Update Opens—July 1st

Please be sure to check Skyward over the summer months for the Student Info Update for the upcoming school year.

This will help to make sure we have the most up-to-date contact information, address, forms, etc. for the 2024-2025 school year.

Special Guest at Summit

On Friday, May 17, Fransie Fan Zhang, a visiting eighth-grade teacher from Luoyang, China, spent the day with students at Summit Elementary. In the morning, Fransie discussed life/school in China, food, cooking and Chinese holidays with fourth- and fifth-grade students and invited them to create dragon art. Fransie then joined the fifth-grade classes for their outdoor WIN time—she loved learning how to set up a tent with all the students! In the afternoon, Fransie taught Mr. Sullivan’s students a dice game and they got to practice writing Chinese numbers. Finally, Fransie visited the kindergarten classrooms to teach students about the Year of the Dragon and to share a short video. Fransie enjoyed all the students’ curiosity and creativity, and she especially appreciated getting to spend time outside to truly experience the school’s environmental focus. Thank you to all who welcomed her!

SCHOOL DISTRICT OF LA CROSSE 2024-2025 4K Preschool Registration

****New Student Online Enrollment for the 2024-25 school year
will open on January 3rd, 2024****

Students **must be 4 years old on or before September 1, 2024** to enroll into 4K Preschool.

4K Preschool Registration is a **2-step process**:

1. New Student Online Enrollment (opens **January 3rd, 2024**)
2. 4K Preschool Site Selection (opens **March 18th, 2024**). Families will receive emailed information on the site selection process after the New Student Online Enrollment (Step 1) has been completed.

Step 1— New Student Online Enrollment opens on January 3rd, 2024 to enroll your 4-year-old for the 2024-2025 school year.

- Visit our 4K Preschool Enrollment page at <https://www.lacrosseschools.org/enrollment/preschool/> or scan the QR code and select whether you're an existing family or a new family to the district.
 - **Existing Family in District:** You will log in using your Skyward family account information and click the New Student Online Enrollment on the top left.
 - **New Family in District:** If you are new to the school district, follow the prompts to create an account and complete the New Student Online Enrollment process in Skyward.
- You may upload or email a picture of the student's birth certificate and your proof of address to the New Student Online Enrollment application or email to preschool@lacrossesd.org. These documents must be submitted to secure your site selection on March 18th.
- **Note: If you want to participate in 4K site selection when it opens on March 18th, your student's 4K enrollment must be completed by March 1st. Applications submitted after March 18th will be processed as soon as possible.**

Families are welcome to come into Hogan Administrative Center (807 East Avenue South La Crosse, Wisconsin - Monday-Friday 7:30am-3:30pm) to complete the enrollment process on a computer if needed.

Notes from the Nurse

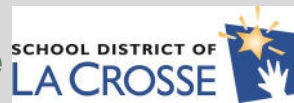

A friendly reminder that all medications need to be picked up by a parent/guardian June 5th through June 7th. For safety reasons, medications will not be sent home with students and any medications not picked up after this date will be discarded. Please contact the health office at 608-789-8817 if you have any questions, or need to make other arrangements for your child's medication to be picked up.

Thank you for your cooperation. Have a safe and enjoyable summer!

VIRTUAL BACK PACK

This is where you can find out about different events, programs, and opportunities for your child(ren) in the community.

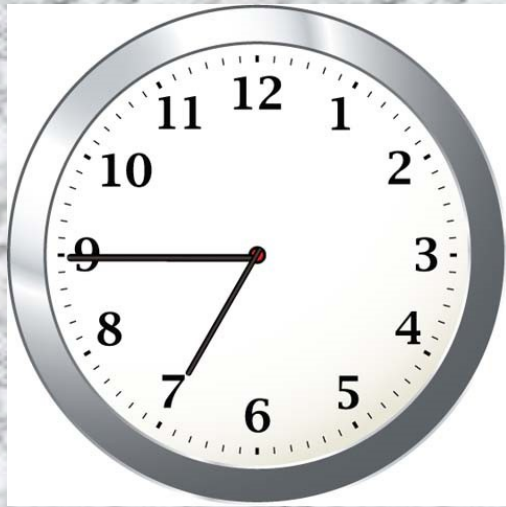

<https://www.lacrosseschools.org/parents/virtual-backpack/>

Parents need extra support? Call The Parenting Place at 608-784-8125 weekdays from 10-4:00 PM! A Parent Educator will answer your call – listen, support and provide suggestions to parents as well as share up-coming free classes, workshops, and schedule one-one-one opportunities. Give us a call!

**School Doors open at
7:45 a.m.**

**Please do not drop your
student off before 7:45 a.m.
as there is no supervision
until that time.**

DONATE GENTLY USED CLOTHING TO OUR HEALTH ROOM!

Our Summit Health room is looking for gently used clothing to use for students. These items are used for accidents, spills, and other needs for students.

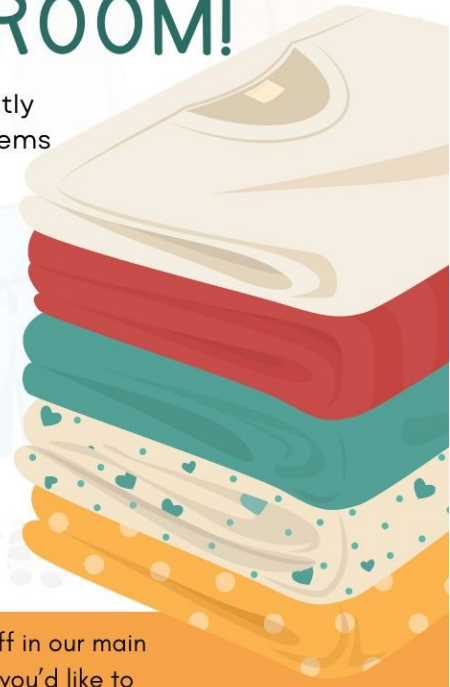

ITEMS OF NEED:

BOYS:

- SIZE 7/8 SHIRTS, PANTS**
- SIZE 4/6 PANTS**

GIRLS:

- SIZE 7/8 SHIRTS**
- SIZE 10/12 SHIRTS**
- 4T UNDERWEAR* (NOT USED PLEASE)**

Clothing can be donated by dropping off in our main office. Please let the office staff know you'd like to donate gently used items.

Parents Health Guide

STUDENT HEALTH GUIDELINES

When should your child stay home because of illness?

- FEVER:** greater than 100 degrees.
- VOMITING:** return 24 hours after vomiting
- DIARRHEA:** return 24 hours after diarrhea
- RASH:** rash that is open and draining or a rash with a fever
- STREP THROAT, IMPETIGO:** return after 24 hours of treatment with antibiotic
- SCABIES, RINGWORM:** must be treated before returning to school
- CHICKEN POX:** child may return to school 5-7 days after onset of rash, with all sores dry and scabbed over

Please notify your child's school if your child is absent due to illness or injury.
If your child has a serious illness or injury that affects school participation, please notify your school principal or school nurse so a plan can be implemented to meet your child's needs.

Proven, positive strategies to help every family

Now free in Wisconsin

CONFIDENTLY HANDLE CHALLENGES AND HELP CHILDREN REACH THEIR POTENTIAL

Parenthood is full of ups and downs. You want to feel more confident and less stressed as you guide your child's behavior, wellbeing and development. With Triple P Online, you can:

- Create the best space for your child's development.
- Feel peace of mind in handling each new age, stage and situation.
- Use simple strategies, backed by proven methods.

Free support for your positive parenting journey

Now, you can do Triple P programs online, at no cost. Give your kids key life skills and help the whole family stay calm and positive. What to expect:

- Easy-to-use online programs with videos and fun interactive learning.
- Each module only takes about an hour or less. You can do them in just a few minutes at a time.
- Do it on your phone, computer, or tablet, when you can.

The Triple P – Positive Parenting Program® includes four online programs to fit your family's needs:

TRIPLE P ONLINE

for parents/caregivers of children under 12 years old

TEEN TRIPLE P ONLINE

for parents/caregivers of pre-teens and teens 10 years and older

FEAR-LESS TRIPLE P ONLINE

for parents/caregivers of children (6 years and older) who are often anxious

TRIPLE P ONLINE FOR BABY

for parents-to-be and new parents (of babies up to 12 months old)

START TODAY – IT'S COMPLETELY FREE!

Triple P online programs are FREE to all parents and caregivers in the State of Wisconsin

HARVEST OF THE MONTH NEWSLETTER JUNE 2024

Farm Highlight

Jolivette Farms: W3452 State Road 16 West Salem, WI 54669

Jolivette Farms is a 500 acre farm, raising strawberries on 13 of them! June is the perfect time to visit this local farm to pick your own strawberries and pick up other fruits and vegetables that are grown on their remaining 487 acres during the rest of the growing season. This 54 year-old farm has been sustainably supporting the 7-Rivers communities ever since its purchase by John Jolivette in 1970! Visit their Facebook page or website for more information on hours and produce availability.

COULEE REGION FARM to SCHOOL LOCAL FOODS, HEALTHY KIDS

PICK: Choose brightly colored berries with green caps attached. Avoid berries with soft spots or mold.

STORE: Refrigerate unwashed berries in a non-airtight container and use within a couple of days. To freeze, place clean, hulled berries in a single layer on a cookie sheet and freeze, then place in a sealed plastic bag and use within 1 year.

FUN FACTS:

- Strawberries are the only fruit with the seeds on the outside. There are on average 200 seeds per strawberry!
- Strawberry plants are perennials, meaning they will come back every year after being planted!
- Strawberries are a member of the rose family!

PREPARE: Rinse under cold water and remove green tops just before consuming!

USE: Make fruit kebabs with strawberries, watermelon, grapes, cantaloupe, blueberries and pineapple! Strawberries are a great addition to breakfast on pancakes, waffles cereal or parfaits. Dip fresh berries in melted dark chocolate for a treat!

Nutrition Info: One cup of whole strawberries has 46 calories and provides vitamin C, fiber and folate

Recipe of the month

Strawberry Yogurt Pops

- 1 cup low-fat strawberry yogurt
- 6 large strawberries
- 1 ice cube tray (or paper cups)
- Popsicle sticks

Directions:

1. Wash hands with soap and water
2. Cut strawberries into small pieces.
3. Mix fruit and yogurt.
4. Divide into 4 small paper cups (or 8 ice cubes) and place in popsicle sticks.
5. Freeze.
6. Enjoy as a frozen treat.

Serves 4

Per serving: 65 calories, 1g fat, 2g protein, 14g carbohydrate, 1g fiber, 30mg sodium

Open Garden Event

TUESDAY, JULY 9TH, 9-11 AM

Summit Environmental School

Coylee Region Farm to School is a partnership between UW-Madison Division of Extension, LaCrosse County Health Department, Mayo Clinic Health System-Franciscan Healthcare, Gundersen Health System, and the School Districts of Bangor, LaCrosse-Hickok, Holman, LaCrosse, Onataska, and West Salem.

Back2School

Need Help with School Supplies?

All needing help with receiving some free school supplies are welcome to participate in the Back2School Program. **Begin by filling out an online application at www.cclse.org.** If you need assistance with filling out the application, please call Catholic Charities at 608-782-0710, M-TH, between 9 am and 4 pm. The front desk volunteers will be available to assist you.

There will be four Back2School events where families can pick up supplies. Please choose your pick up location when you fill out your application.

Back2School Pick Up Locations, Dates, & Times

- Erickson BGC (*Northside students only) – July 9: 5 pm – 7 pm – 1331 Clinton Street, La Crosse**
- La Crosse Center – August 6: 1 pm – 6 pm – Arena Floor**
- La Crosse Center – August 7: 8 am – 12 pm – Arena Floor**
- Mathy BGC – August 20: 5 pm – 7 pm – 811 8th Street South, La Crosse**

*Please note – the event held on July 9th at the Erickson – Boys and Girls Club will only be for students who attend Northside Elementary.

- Immunizations for all school aged children without insurance or with BadgerCare will be available at no additional charge during each of the Back2School Fairs.
- Dental screening, teeth cleaning, fluoride varnish, and sealants will be offered at no charge to all school aged children during each of the Back2School Fairs.
- Information and sign-up/scheduling for lead testing and other free services offered through La Crosse County will be available as well.

Please understand our Back2School supply program is a supplemental program. We will do our best to make sure basic requests are met. If your family does not need help with Back2School supplies, but would like to assist fellow students that do, please join us by donating backpacks, school supplies or school clothing. Learn how you can join the efforts by calling one of the collaborators listed below or visiting www.cclse.org. Thanks!
