

2023 DNA Learning Center Summer Camps

DNA
LEARNING
CENTER

June 18th - 23rd
7th & 8th Graders

June 25th - 30th
9th & 10th Graders

July 9th - 14th
7th - 10th Graders

**Intended for current '22-'23 grades listed*

Registration is Open

We are looking for science minded students who want to experience a full week of attending hands-on labs, staying in a dorm, eating at a dining hall, and creating life long memories and friendships. Space is very limited. For more information and to register, go to DNACenter.nd.edu/summer-camps.

Lab activities include:

- Genotyping
- Plant Barcoding
- Ancestry sequencing
- GMO Food Detection
- And Much More!

\$1485 cost per session includes:

- Housing in ND dorms
- All meals and snacks
- All labs and material fees
- T-shirt & water bottle

** Limited needs based financial assistance available.
Please inquire prior to registration.*

This event, class, activity or matter is not sponsored or endorsed by the School District of La Crosse and is not printed at District expense

Parent Review...

"It likely made a significant impression on our daughter and will influence her direction in her studies and interests."
