Renew your benefits:

Renew your benefits starting 45 days before your renewal date. **Do not renew early!** If you renew too soon, you could lose your benefits early if you no longer qualify.

To renew your benefits:

- Go to access.wi.gov and sign in with the same user name and password you use for the MyACCESS app.
- Check if you need to send more information.

Where can I find my case number?

Check your last letter from the state. It will be in the top right corner.

State of Wisconsin

Case #: 5150900851

If you can't renew:

If you can't renew, apply again.
Apply on access.wi.gov or call your local agency.

You will get a letter within 30 days telling you if you qualify.
**If you are denied, get free help from an expert.**

Unpaid medical bills?

When you apply, ask for your benefits to start up to 3 months before your new application date.

If you need to send in documents:

Use the MyACCESS app to take and send photos. You can also upload photos to the access.wi.gov website.

1. In the MyACCESS app tap "submit documents"

2. Check what documents you need to submit

3. Follow the directions in the app to take pictures of your documents.
