

Health Insurance Navigators

Our Health Insurance Navigators are trained to help consumers as they look for health insurance through the Health Insurance Marketplace. The Marketplace is for people who don't have health insurance through a job or other government programs like Medicaid or Medicare. Contact our Navigators for free, unbiased assistance. Navigators provide year-round assistance either remotely via phone, video call or in-person.

IMPORTANT:

If you **have lost or will be losing** your BadgerCare Plus/Medicaid/CHIP due to the recent changes, you are **eligible for a Special Enrollment Period** through the Healthcare Marketplace.
