

ADVENTURE TEAM

Who Is 906 Adventure Team?

Founded in 2014, and now in our 10th year, 906 Adventure Team exists to empower youth to become the best version of themselves through outdoor adventure. In 2024, 906AT youth programming will impact over 1,200 youth and over 500 adult volunteers in 12 communities.

Adventure Teams serve co-ed youth ages 5 to 17 at all skill levels. During bike club, boys and girls ride together and men and women lead together. This approach allows us to build strong connections, and communities of youth and adults who believe in supporting each other.

Our goal is to ensure outdoor adventure remains integrated in day-to-day life for children, connects like-minded kids, and provides a sense of belonging in a challenging environment in which youth can thrive and ultimately learn and grow as they prepare for the ultimate event - LIFE.

Life Developing Bike Skills

- Resilience
- Adaptability
- Respect
- Effort
- Consistency
- Grit
- Doing hard things
- Growth Mindset
- Self-supported ethos
- You vs. You
- #TRAIN4LIFE
- There is no finish line
