Lincoln Elementary School Newsletter

Greetings Lincoln Families!

It's been an incredible year! Currently, our upper-grade students are diligently tackling their RISE testing, showcasing their dedication and determination. **As we near the end of the school year, please ensure the following tasks are attended to:**

- Check **lunch balances**.
- Return **library books**.
- Check the **lost and found**; unclaimed items will be donated soon.

Exciting events fill our calendar this month, including **field trips across all grade levels, the 5th Grade Awards Assembly, the Wellsville Mile, and Kindergarten Graduation**. Find details on our school website's calendar section.

We need your assistance! Kindergarten registration numbers are low. **If you know any children starting kindergarten in fall 2023, please urge their parents to register them promptly.** We aim to ensure adequate class placements.

Summer offers a great opportunity to enhance your child's skills. **Reach out to your child's teacher for personalized summer practice suggestions. Some general ideas include:**

- **Flashcard drills** for math facts or sight words.
- **Writing** about family activities to develop opinions.
- Involving your child in **calendar** and planning.
- Organizing a **book club** with neighbors or friends.
- Exploring **free online programs** for math and reading skills.
- Emphasizing daily **reading**.

Thank you for your incredible support for our students, teachers, and school. You're all fantastic! **Principal Audrey McKell**
