<b>Total</b> <small>(must match total on opposite side)</small>				

# PLEDGE RECORD

Each athlete needs to collect pledges to run. **Any amount** raised will qualify a person to participate in the race, but prizes will be given to students that raise pledges. Note: family members and friends are welcome to run with their students with any amount pledged, however, only students will be eligible to win prizes for raised pledges. Pledges may come from family and close friends. Items donated to the event may also count towards pledges - please list equivalent cash value next to any item donated. If necessary, the athlete may submit pledges for themselves.
