

Meet The Teacher

Mrs.
Shumway

INTRODUCTION:

I'm SO excited to be your new 6th Grade English teacher! We will grow together as we navigate 6th grade. We learn about rational numbers, explore lots of algebra, and dive into statistics. We will write and read and go "Around the World in 180 Days." We will be learning LOTS together! It will be GREAT!

ABOUT ME:

I'm married to my best friend, Nathan Shumway. We have 6 remarkable children, 4 that have been mine from birth, and two that joined my heart 10 years ago when I met and married Nate: Linda, Paul, Ben, Hunter, Jorden and AnneMarie. My daughter, Linda, has three perfect children: Claire, Cooper, & Caroline Marie. (My middle name is also Marie - so special!) My son, Paul, has two perfect sons, Peter and Todd. Ben has a darling girlfriend, Adri. AnneMarie recently returned from an LDS Mission in the Ft. Lauderdale, Florida area and will be studying Elementary Education this fall. I absolutely adore my family!

FAVORITE THINGS:

I love going hiking and biking with Nate and with friends. My favorite food is ice cream, and I would enjoy it for breakfast, lunch and dinner...if only it was a nutritious food choice. I love being a grandma. My little sweeties call me Mormor, which is "grandma" in Danish. I especially LOVE being a teacher and can't wait to discover the joys of 6th Grade together!

It is going to be an AWESOME year!
