

Meet The Teacher

Prof.  
Machado

### INTRODUCTION:

I will be your 6th-grade Portuguese teacher for 2023-2024 and I'm so excited to welcome you to another school year in the Dual Language Immersion Program! My goal for all children is that they love coming to school each day and to progress in their language skills, academic goals, and social skills.

### ABOUT ME:

A little about me, I moved here from Brazil four years ago. the years, I have had fantastic opportunities to teach diverse groups of students and build genuine relationships with them. During those years of experience I have been in a Portuguese/English bilingual classroom. I am so passionate about bilingual education!

### FAVORITE THINGS:

Travel is one of my favorite things to do with my family (Luana 13 years old, Daniel 8 years old, and Ricardo my husband). Another thing I like to do is to be around my friends, family and people because I learn, laugh, share, love, and all of this makes me feel happy.
