Classroom wishlist

We also ask for a voluntary donation for our Science projects during this year. We do a lot of experiments and we need quite a few materials to have a fun class.

* The items on this list will be used during the regular school day.

They may be brought from home on a voluntary basis. Otherwise, they will be furnished by the school. We look forward to meeting with you at Back-to-School night, if possible bring the supplies on that night.

We are so excited! We know it is going to be a great year!

Thank you so much!
