## Cache REACH-OST Program

Engage\* Support \* Inspire

Welcome back to a new school year! This year middle schools in the Cache County School District will be offering extra school support for students and their families. Each school will be providing a morning and an afternoon program. **At South Cache**, our Morning and Afternoon activity programs will be provided where students can come for daily instructional support. South Cache's Morning Homework help will be from 7:00 am-7:50 am and Afternoon Activities will be held from 3:00 pm - 5:00 pm. As a side note, a snack in the after school is provided for free and students will have time to eat from 2:45 until 2:55. There is no cost to participate in this program. Each student will need to **fill out a registration form** which can be taken at the main office. Parent pick up will be promptly at 5:00. Teachers and Aides are gone so you may park in the front parking lot or wait along the curb as usual. There will be 2 after-school buses at South Cache for those needing a ride home from the After-School program. As a school district we are excited to be able to offer our community this valuable support program!

The program at South Cache will begin Tuesday, September 5th. It will run Monday-Friday for the Before-School and Monday-Thursday for the After-School. If you want your child to begin on Tuesday 9/5, please have the paperwork completed and returned by Friday, September 1st. Children may not attend until paperwork is in.
