Count Down with the ABC's

We only have 7 more days of school this year, Hooray!

Today is Grandparent Game Day!

Play a **g**ame with your **g**randparents. You can do it online or in person, whichever works best for you. If you can't play a **g**ame with them, then read a story with them.

Phonics

Today we are going to learn about the long oo as in “bloom”.

Please watch the following video on oo. It is not interactive, however, you could point to the oo when asked.

More Phonics

Have your child sound out and write the following words in his/her writing journal or on a piece of paper. Please remember, don't let your child see the word list.

| | | |
|-------|-------|-------|
| bloom | groom | zoom |
| noon | boot | tooth |

Camping Probability

In your camping packet, find your camping probability page. Have your child cut out the phrases at the bottom of the page. Read each phrase to your child. Have your child decide if that is something you would probably do while camping or not. Glue the phrase in the correct area.

Extra Online Games for Practicing Phonics Skills

Storytime!

Listen to this story and then answer the questions on the next page.

Story Questions to discuss with a parent

1. What are some of the activities that Tacky does at camp?
2. How is Tacky different from his friends?
3. How was Tacky's story different from the rest of the stories?

Writing Time

In your camp packet, please find the Tacky Goes to Camp Problem and Solution page. Write what the challenge in the story was, and how they solved the challenge.

Math Assignment

Today we will do two pages called “**Subtraction to 10**”. They look similar, but the problems are different.

On the instructions it says to cut out the numbers. Please do not do that. Just solve the problems using your mind, fingers, small objects or by drawing.
