Alphabet Review

What's Missing?

Write 5 letters on a dry-erase board. Have your child look at the letters and say the name and sounds. Turn it around so the child cannot see them and erase one letter. Show the board to the child again and he/she must say what letter is missing. Play at least 3 times. For a variation, you could take more letters away.

Sight Word

Today we are going to learn the sight word “what”. Please watch this video to help you learn how to spell the word “what.”

Storytime!

Listen to this story and then answer the questions on the next page.

Story Questions to discuss with a parent

1. What are some of the activities that Chester and Wilson did?
2. What did Lilly do differently ?
3. What do you think will happen when now that Victor has moved in?

Writing Time

Do you have some best friends? What are some activities that you like to do with them?

Write a sentence and draw a picture.

Start your sentence like this:

“We like to....”

MathTime

Today we are going to be talking about comparing heights. We will be using the online Go Math resources to do this. The following tells you how to access this information. Once logged in go to next slide.

Step 1: Follow this link to go to the [CCSD Apps](#) . Click on the “Think Central” icon.

Step 2: log in: It is the info. on the orange paper we sent in the packet. Email your teacher if it has been misplaced or if the login is not working.

Math Assignment

Next, click on “Things to do.” It will then take you to your assignment page. You can click on our current assignment. Today we are doing lesson 11.2. This lesson teaches you about comparing heights.

After you have watched the lesson, do worksheets 11.2 from the packet you picked up.

We realize that many of you don't have cubes. You may use cereal, beans or any other small objects instead.
