Phonics Practice

We are working on letter X. Watch this video about Letter X.

Phonics

Tell your child you are going to say some words. If they hear the /x/ sound, have them raise their arms and cross them like an x.

duck	fax	six	morning
wax	monkey	tax	mix
ax	Saturday	fox	window
duck	Monday	ox	night

Sight Word

Today we are going to learn how to spell the sight word “love”. Watch this video on how to spell love.

More Sight Word Practice

Play “Don’t Eat Pete!” - Print off the following document or make one of your own on a piece of paper using the words in the document. Place a small treat on each spot. Choose a sight word to be “Pete” (keep it a secret). Your child should take off a treat and read the sight word. Continue until your child removes “Pete.” You then shout “Don’t eat Pete!” and the game stops. Repeat.

Storytime!

Listen to this story and then answer the questions on the next page.

Story Questions to discuss with a parent

1. Where did the story take place?
2. How do you think Ping felt when his flower would not grow?
3. Why does the Emperor choose Ping to be the next leader?

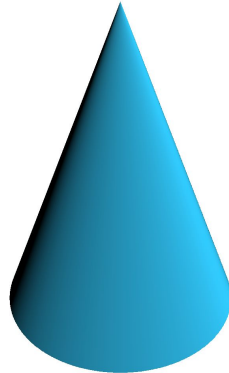

Writing Time

Today for writing time, choose a friend or relative that you can write a letter to. Try to write at least two sentences and draw a picture.

Math Time

Today we are going to talk about cones. A cone is a three-dimensional shape. This means that it is not flat and that it takes up space. A cone has 1 flat surface, and a curved surface. Remember a cone slides and rolls. It does not stack. Go to the following website. Scroll down to w. (three-dimensional shapes.) Choose cones. Play for a couple of minutes.

Math Assignment

Do math worksheets Lesson 10.5. They can be found in the packet you picked up at school.

Here are a couple of things to keep in mind:

On pg. 597 we understand that you may not have small 3d shapes. If you do not, just talk about items that are a cone and shapes that would not be a cone.

When you are finished with your math worksheets, use playdough to create some cones. It is always fun to have ice cream cones on this day!

20 Minutes of Reading Per Day

Read with a parent or sibling for 20 minutes.

Reading for All Learner books (Sam books) are online for free. Click the link below, then click on the purple button that says “Free school closure and Home education Edition”

<http://iseesam.com/>

We have also created a class in epic. You can search different reading levels there. Go to

www.getepic.com/students

Select your child's name

Ms. Jones' class code is viz3593

Mrs. Wells' class code is whm2582

Extra Available Activities

Scholastic has some great stories and activities that you can enjoy if you would like.
