
DLI and Scheduling

Ridgeline High School

FRENCH 5 DLI A & B

1 Elective credit

Grades 9-11

Course # 4774, 4775

Prerequisite: Previous Enrollment in DLI or teacher approval

This 9th-grade course is a continuation of the French dual language immersion program and prepares students to take the French Language AP exam. Students will continue proficiency development in speaking, listening, reading and writing through language immersion. Narratives and dialogues are used to teach structure and vocabulary. Culture and geography of the native country are taught through reading selections.

FRENCH DLI CULTURE & HISTORY C (INDEPENDENCE)

.5 Elective Credit

Grade 9-11

Course # 4783

Prerequisite: Previous Enrollment in DLI or teacher approval

This course builds cultural-linguistic skills that are necessary for successful communication with native speakers (reading, writing, speaking and listening). Students will utilize media and authentic texts to learn about diverse cultural topics.

SPANISH 5 DLI A & B

1 Elective credit

Grades 9-11

Course # 4785, 4786

Prerequisite: Previous Enrollment in DLI or teacher approval

This 9th-grade course is a continuation of the Spanish dual language immersion program and prepares students to take the Spanish Language AP exam. Students will continue proficiency development in speaking, listening, reading and writing through language immersion. Narratives and dialogues are used to teach structure and vocabulary. Culture and geography of the native country are taught through reading selections.

SPANISH DLI CULTURE & HISTORY C (INDEPENDENCE)

.5 Elective Credit

Grade 9-11

Course # 4789

Prerequisite: Previous Enrollment in DLI or teacher approval

The Independence Movement: Freedom and change in the Spanish speaking world. Students will compare and contrast individual and collective perspectives about independence, freedom and change by studying the independence movements of the Hispanic world.

12. **Elective:**

13. **Elective:** ★

14. **Elective:** ★

15. **Elective:** ★

1.

(Alternate)

2.

(Alternate)

Creative Scheduling options

Students can take up to 7.5 credits in a year

26 credits are required for graduation

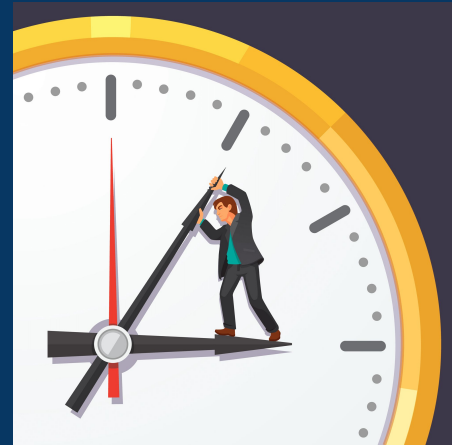

7.5 credits * 4 years = 30 credits

Junior and Senior year there are opportunities to earn 9.0 credits in a year by taking credit earning courses during FLEX.

Delay some required courses

These courses are typically taken in 9th and 10th grade for progression purposes but COULD be taken later to make room now:

- Health
- Fitness for Life
- Digital Studies
- World Geography

Seminary

Consider taking it early morning or during FLEX

Taking it in the regular school day means a student can only earn 6.5 credits that school year.

Seminary and Summer Term

Students may take up to 7.5 credits in a year

Some online institutions offer free courses over the summer but they do count towards the 7.5 credits for the following school year.

This could be a good option for students who might feel overwhelmed taking Seminary during FLEX or Early AM

The logo for Summer School is displayed on a white rectangular background that is tilted clockwise. It features a yellow sunburst icon to the left of the word "Summer" written in a blue, cursive font. Below "Summer", the word "SCHOOL" is written in a red, sans-serif, all-caps font.

Summer
SCHOOL

More credit and course opportunities 11th and 12th grade

Students may take BTech and Concurrent Enrollment Courses (where offered) during FLEX their Junior and Senior year. This allows a student to fit an extra .5 credit in their schedule for each trimester they do this.

Next steps

- For creative schedules: fill out the registration form and turn it into your student's school counselor
- Registration review meetings in March
