Meeting Minutes

Attendees: Brady Johnson, Cameron Raymond, Brittany Wall

Absent: Tom Davis, Kara Everton, Merilee Livingston

Discussion Items:

- Mr. Duersch has received complaints about the snow piles by the road and the parking lots blocking traffic. They are being reduced currently.
- Complaints from the community about the calendaring issue with January 2 not being observed as the federal holiday.
- Pick-up and drop off safety concerns with the placement of the school zone signs, the traffic, and cars not following the procedures. Brad Gibbons, the administrative intern, is working on solutions.

Trust Lands and TSSA budgets from this year were reviewed and discussed with the majority of the budgets going towards our paraprofessionals. The council felt this was a beneficial place to use the funds.
