

TSSA Providence Elementary School Plan

Estimated for 2020-2021 Teacher & Student Success Act:

\$83,601 with \$19,314 Carry-Over from 2019-2020

Total Funds for 2020-2021:

\$102,915

Goal #1:

By May of 2021, Providence Elementary will conduct a student well-being screener in grades K-6 for fall, winter, and spring to assist with identifying students who may benefit from behavioral or social/emotional support. The screener will be reviewed by school principal and school counselor to identify students who may have elevated risk for internalizing or externalizing factors that impact school academic achievement, attendance, behavior, social-emotional wellness, or mental health.

Budget Allocation:

\$17,000 for Behavior Support in the form of a Full-Time School Counselor

Goal #2:

Increase and maintain the level of technology throughout the building. We will improve technology needs by replacing old sound system receivers, purchasing additional chromebooks, chromebook charging carts, document cameras, and other technology needs throughout the year. We will maintain technology needs by replacing the 5 chromebook carts that will be expired by the end of the year. Teachers will use the sound systems daily. The Chromebook carts will be assigned to grade levels to be used to support online math, reading instruction, and teachers will be asked to use Canvas to connect with students who are in-person learners as well as those that are at home in quarantine. We will add a sound system to the media center for lessons given by the Librarian. Old and Malfunctioning Document Cameras will be replaced so that teachers have a reliable teaching tool that will provide visuals for the students during lessons.

Budget Allocation:

\$85,915 Instructional Technology
