Melissa Shelton
Aimee McNeil
Angela Gibbons

January Meeting Minutes Approved

Minutes

- Budget is doing well, Para money will be spent by the end of the year. TSSA budget should carry over into next year if not all spent this year.
- With the trustlands budget we were able to get 4 more touchscreen chrome books for each 2nd grade teacher since the money did not need to be used for after school club transportation..
- Trustlands report will be turned in Feb. 18, 2022.
- The goal for our Math Proficiency was 80%, we did not meet that but we did increase from 71% to 74% so happy with that, especially with the shut down in 2020 and all the COVID restrictions.
- Language Arts goal was 80%, we did not meet that but we did increase from 71% to 76%. Once again happy with the shut down in 2020 and COVID restriction
- March Math Madness will be starting Feb. 18 and go until March 25th with weekly timings recorded.
- Valentine's Tea went really well.

Adjourn-Next meeting March 16, 2022
