Agenda Items

1. Review of minutes from September 8, 2022. Minutes were reviewed. Kristin moved to approve the minutes and Randy seconded. All present voted yes to approve the minutes.
2. Netsmartz did a Digital citizenship assembly for all 7th and 8th graders in their Language Arts class. This year the school paid for the assembly but the district is going to do a grant to help pay for it in the future. Goguardian is also in place to help protect the kids at school and monitor any harmful or inappropriate searches.
3. The bond for money for new schools has been put off probably until the next election year. Randy gave an extensive explanation about what the bond is for; two new middle schools and a reconfiguration of grades.
4. Tardies: There will be a low tardy party for students that have 3 tardies or less. There were over 600 students with no tardies and 250 with 3 or less. This is to reward the students for their good behavior and practices. They will be excused during second hour to go get a donut.
5. Positive Behavior focuses are done in a variety of ways. They include: Tokens, Spartan way giveaways and recognition, Students of the month, Missing assignment program, Individual plans w faculty, IEP's, 504's, Counselor help, Refocus room. Latino Liaison, Latinos in Action, After school program. Before school, GYC, Hope Squad, 4.0 party, Honor roll party.
6. SRO - There is an increased presence which is appreciated. There is now an SRO at the school 5 days a week. One parent raised some concerns with the SRO. Randy will be following up with her on her concerns.

7. Future items: South Cache Food Drive for the cache community food pantry - November 15-22

A question was asked about backpacks. The rule reverted back to the previous rule of no backpacks in class. Randy explained that it has helped with tardies and with distractions in the classroom.
