

SOUTH CACHE MIDDLE SCHOOL COMMUNITY COUNCIL

Parents, each school year we add new members to our Community Council. Would you be interested in becoming a parent member? The following information may help you make your decision.

- The council will include the principal, selected faculty members, and parents to represent every community. There will always be at least two more parent members than school members.
- Meetings are open and held at 7:00 a.m. on the 2nd Thursday of each month during the school year.
- Duties of the council may include but are not limited to development of the annual School Improving Plan which involves analyzing state and district testing data and results of the school surveys such as the SHARP survey and various Needs Assessments; School Trust Lands Plan; and making recommendations in regard to school and school district programs.
- Serving on the committee provides you with the opportunity to become well informed about the workings of South Cache Middle School and represent parents.
- Thoughtfully consider your commitment to be in attendance at each meeting unless you have an emergency.

If you would like your name placed on the ballot for the election of parent members to serve on the South Cache School Community Council (if an election is necessary), please return the following form to the South Cache main office, or e-mail a copy of the form to Doug Snow at doug.snow@ccsdut.org by September 2, 2020. If voting is necessary, your name will be placed on a ballot that will be sent home on September 3, 2020. Parents will be invited to vote and return their ballot to the South Cache main office by September 9, 2020. The first meeting will be September 10, 2019.

Dear South Cache Parents,

Please consider serving on the South Cache Community Council. Serving on the council gives you an opportunity to understand the School Improvement Plan and communicate the needs of the school to your neighbors and community. You also have a chance to be a voice for the community and partner with the school to improve the education of all South Cache students.

Thank You,

Doug Snow

Principal
