Visitors:

-
1. Approval of November minutes. Motion to approve by Liz Halaufia, seconded by Justin Bassett
 2. Randy discussed digital literacy, safety mechanisms at South Cache. The school uses Goguardian to be notified when students are accessing inappropriate searches, also an email gets sent if a student googles something that would cause harm to self. Teachers can also use Goguardian in their classrooms to monitor students. Safe UT tipline available for students, teachers, and others to notify someone of possible suicide or other harmful situations. The Netscape assembly that teaches kids about appropriate internet and social media app usage. The district has a filtering system that tries to help filter out as many bad sites as possible. South Cache has chosen to shut off the Google chat which was being used for inappropriate chats.
 3. Recent events have been the low tardy party, honor roll party and 4.0 party for students. There will be a Choir, Orchestra, and Band concert next week at MCHS. There will be an assembly for all students on Thursday Dec 21st. Christmas break will be Dec 22nd through Jan 2nd.
 4. The bond passed. South Cache will get some things regarding school safety. Consideration will be made to figure out ways to let the people buzz in to gain access to the school via a vestibule. Twenty more cameras will be installed. Superintendent is planning on doing a 5, 10, 20 year plan that will help the areas that weren't affected by the bond, namely the North and South end of the Valley.
