Rich White, Chairperson
Brittnie Sautter, Vice Chair
Michelle Scott, Scribe
Natalie Herb
Kelly Calderwood
Kristin Davis

Absent:

Dallas Stahle
Liz Halaufia
Shanda Baldwin
Marisha Wilson

Agenda Items

1. Review of December minutes. Kristen Davis moved to approve the minutes. Natalie Herb seconded.
2. Randy discussed good things happening at South Cache such as positive assemblies, valograms that will be sent to all students, after school programs which include choir and the art show.
3. A be active wall mural will be painted over the weekend of the 17th. There will be an unveiling on the 22nd during HERO
4. There was a 2% growth in achievement for ELL students this year. There is a continued emphasis in classrooms to have clear objectives written on the board as well as have them stated.
5. The Superintendent will be visiting the school today, which will include new teacher classrooms. A gift was given to all faculty and staff members from the school board.
6. The Netsmartz assembly was a success and will be coming back next year for the internet safety presentation at the end of September. Beacon is a program that runs through Goguardian that helps flag searches for suicide and other concerns. The emails with those concerns go to Randy and will continue to be pushed out until they are dealt with to avoid being missed.

7. Kids are reminded every day that South Cache is a closed campus. There have been fixes to the security cameras around campus. A door lock system is being installed and should be fully functional by next year.
8. Next month the Community council will look over the 2023-24 school year budget expenditures.
9. It was asked which calendar is being looked at for next year. Randy believed calendar 1 is what will be brought before the school board.
10. Adjourn until March 9th at 7:00 am.
