There is food drive next week, classes are competing, food will go to the Cache Valley food pantry

4. Bond questions

There were possibly some problems with the ballots in Paradise. The only thing on the ballot was the bond.

There was also a concern about the way it was worded on the ballot. It made it sound like it was going up \$250 a month.

Members of the council are concerned that the South end of the valley isn't being

"heard."

The new superintendent is focusing on everyone being "seen, heard, and valued."

5. Trustlands budget expenditures are on track. Teachers have been to the Solution Tree conference, PLC's have worked this summer together, LunchTime Learning help is going on to help kids get assignments turned in, NETSMARTZ assembly, and technology.

Meeting adjourned

Next Meeting will be Dec 14, 2023
