

North Cache School Community Council Meeting
March 21, 2017 2:45 pm
North Cache Media Center

MINUTES

Attending: Terry Williams, Jake Hall, Jill Baker, Teri Rhodes, Vanessa Alder, Jennifer Beach, Carmen Sorensen and Stephanie Swainston

Not Attending: Mike Peterson, Wendee Radmall and Becky Nielson

Terry Williams gave an overview of the Trust Land Plan for the 2017-2018 school year. There are two goals in the plan. Goal #1 is to improve SAGE test scores by 2%. The target score for each section is as follows: math 61%, science 59% and English 55%. The steps to achieve this goal are: use AMP to identify, remediate and monitor students, use PLCs to build common formative assessments, and use student support teams to identify at-risk students and create ways to help those students. \$85,257 is allocated to this goal. That money will be divided between AMP aides, a VISTA aide, software packages, a chromebook lab, whiteboards and short throw projectors. The plan allocates \$50,000 for 8 AMP aides and \$6,700 for a VISTA aide. \$5,700 is allocated for the Renaissance software package and the SIRS software package. \$6,000 is allocated for whiteboards. \$11,065 is allocated for 35 chromebooks and a charging cart. \$5,792 is allocated for 4 short throw projectors. Goal #2 is provide training for teachers through the Solution Tree Professional Learning Conference. 10 teachers and 1 administrator will be sent to the conference held in Salt Lake City in September. The goal of this training is to increase SAGE test scores through PLCs. The PLCs will be used to create assessments, collect data, drive instruction and improve student performance. The total money allocated to this training is \$8,870 and includes the conference fee and travel expenses. A teacher from each department will be sent to the conference and then that teacher will be responsible to teach/train the rest of the department the skills acquired at the conference. The total money allocated in the plan is \$94,127. Any increase in the distribution of money will be allocated to Goal #1. It will be used for aides and projectors. A motion was made by Jennifer Beach to approve the plan and was seconded by Carmen Sorensen. The plan was approved.

Jennifer Beach proposed thank you notes be written to the legislature next month. The motion was seconded by Jill Baker and approved.

The Trust Lands Plan for North Cache is on the North Cache website.

On the agenda for next month's meeting is the counseling department presentation.

The motion to adjourn the meeting was placed and approved

Next meeting has been scheduled for April 11th at 2:45 p.m.
