A motion was made to decide on a meeting time. It was suggested to meet in the morning instead of the afternoon. It was decided to wait to make a final decision until next meeting when there are more members in attendance. Schedule of future meetings will also be decided.

North Cache lacked a PTA last year and administration has been encouraging parents to become involved this year. A sign-up for PTA was held during back to school night. There was interest from parents to be involved. Administration also sent a survey to parents to find out why they were reluctant to be involved in the PTA.

\$1000 of the School Land Trust was set aside for Character Education. This money was spent on the Beyond Illusions assembly. The assembly occurred on September 14th. The assembly is put on by Brad Barton and includes themes of self esteem, reaching your potential, good decision making and bullying. He uses magic throughout. A survey is going to be sent to the teachers to get their input of the effectiveness of the assembly and to compare it to character assemblies from the past.

SAGE data was reviewed. It compared North Cache to Cache County and to the State of Utah. North Cache received a B grade. Data will be further reviewed at next month's meeting.

Official training will be held 6 different locations. The closest location is Bonneville High School on October 12th from 6-8 p.m. School Community Council members are invited and encouraged to attend. To see other dates check the website at www.schoollandtrust.org/training.

Next month's meeting agenda will include elections for Chair and Vice-Chair, decision on meeting time, a closer look at the Trust Land Plan, and a review of data from SAGE and AMP (Adult Mentor Program).

The motion to adjourn the meeting was placed and approved

Next meeting has not been scheduled.
