### Librarian's corner

Thank you for your support of the Book Fair. It was exciting to see all the books kids got to take home! Also, thanks to your generosity, 15 books were donated to Heritage classrooms!

Our next Reading Counts assembly will be held on Friday November 22nd. The cut off for this assembly will be Friday, November 15th. We are working to earn 10,000 points to reach our next Iditarod checkpoint, Ophir. Check the school's website on November 18th to see if we reached our goal. If our goal is reached we will celebrate with a "stripes" day on November 22nd.

### After School Club

First off, THANKS to all the parents and kids that attended our annual Light's On Afterschool Carnival. It was a blast! We had a huge turnout this year and we hope to continue this tradition every year for our ASC families!!! Registration for December will OPEN Tuesday November 19th and CLOSE Tuesday November 26th. We have NEW this year the Morning Bell Choir with Mrs. Bott for our 4th and 5th graders. This is a Friday morning program that lasts until the end of December. We have some other new clubs in the works for the upcoming months so keep watching! Also, PARENTS, remember you need to sign a new monthly calendar EVERY month in order for your child to keep their spot in ASC. Our numbers are growing so rapidly that we are approaching a waiting list and if we move to that, any child not registered ON TIME will lose their spot and will be filled by someone on the waiting list. Please watch the Open Enrollment dates CAREFULLY. :) On sad note, I want to send out a HUGE THANK YOU to Ms. Riding for all her dedication and work that she has put into the ASC over the last two years. Sadly, she is leaving us the middle of this month and she will be surely missed!!!! We love you Ms. Riding "Hood" :)

### Earn \$\$ for our school

Congratulations to Mrs. Dahle's class who won last month's box top party! They had cookies and milk with our special guests from Star Wars: Aniken Skywalker, a Storm Trooper, and one of the Ewoks. Keep bringing in your box tops and Campbell's labels for the next contest in January!!!!

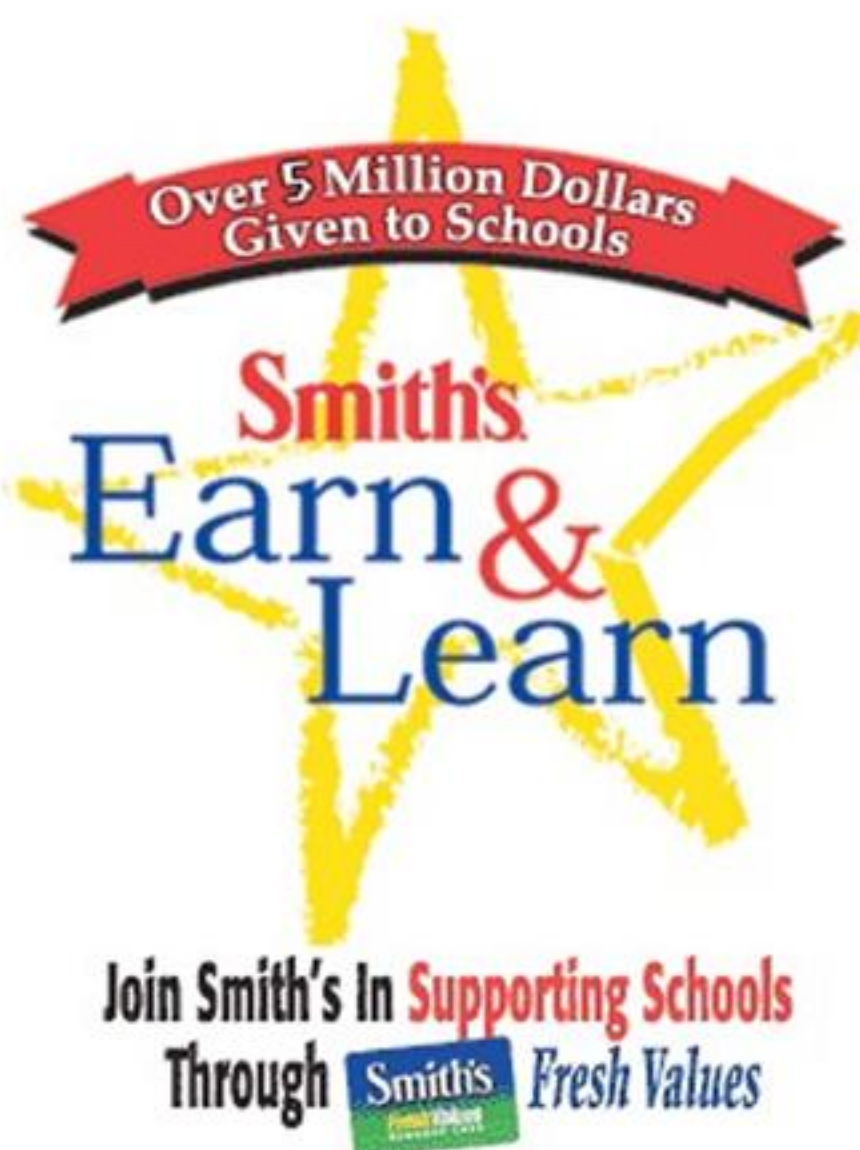

For safety reasons, we are not allowed to show any of the children's faces online, so they have been blurred.

### Smith's is giving back to the community!!!

Earn money for our school every time you use your rewards card at Smith's! With your support, Smith's Earn & Learn program has already contributed \$16.8 million to schools. This year, Smith's will be making another substantial donation to local participating schools. To enroll, simply present this letter and your reward card to your cashier during your next visit to Smith's. Your cashier will scan the barcode below to link your child's school to your card. Then, use your rewards card every time you shop to help earn money for your school! You must re-enroll each year.
