Suggested Supply List

2025-2026

The Clark County School District provides necessary supplies for all students in order to meet their educational needs. However, we know that sometimes parents choose to buy school supplies for their child. Should you choose to do this, the following are items, which would be appropriate. Please note other class members will share supplies.

El Distrito Escolar del Condado de Clark proporciona los útiles escolares necesarios a todos los estudiantes para satisfacer sus necesidades educativas.
