Sonora Agriculture Department Veterinary Science Pathway

Preparing Leaders for College and Careers

Courses Veterinary Science

Understand the veterinary and animal science industry through learning hands-on how to restrain, care, feed and manage livestock and small animals.

Animal Anatomy & Physiology

Take an in depth look of the mammalian body systems, nutrition, reproduction and genetics through labs and dissections. Students will explore management practices and animals' place in society.

VetTech

Prepare for a career in the veterinary field by learning breed identification, animal behaviors, medical terminology, common pathogens and diseases, hospital management.

More than a Class
Students build more than their knowledge. They develop confidence, work ethic, communication, and problem solving skills through the FFA leadership program and real world experiences.

AG CONSTRUCTION PATHWAY

Preparing Leaders for College & Careers

Classes Offered- Shop Skills, Intro. to Ag Mechanics, Advanced Ag Mechanics and Ag Fabrication/Construction

Sonora FLORAL DESIGN PATHWAY

Preparing Students for College & Careers

Learn today's
Floral Design
techniques while
studying the
principles of art
in a hands-on
approach.

Floral Design (Beginning)

This class helps students build fundamental skills in designing arrangements, corsages, and bouquets while learning art principles. This hands-on course will encourage creativity through floral media.

Advanced Floral Design

This class advances the foundational skills students learned in the Art and History of Floral Design course to give students experience in planning events and designing arrangements for weddings, memorials, and special events. Students will learn the principles to running a successful business.

ACCOLADES

The JROTC Program at Sonora has been a Nationally recognized **Honor Unit with Distinction** since 2006 and has many incentives:

- JROTC has the National Military Honor Society of Scabbard and Blade and cadets can earn membership
- JROTC is a College-Preparatory Elective "G" Interdisciplinary for all four years as well as a PE credit (Must complete 2 years)
- Cadets can earn a College Prep "F" Elective for Visual & Performing Arts for being on the Competitive Drill Team
- Cadets who complete 4 years of JROTC can earn a graduation stole and cord
- Cadets can earn a JROTC Varsity Letter by being a member of our JROTC Special Teams/Competitive Drill Team

Cadets who meet certain criteria are annually awarded Nationally recognized awards which enhances college applications, resumes and job applications.

Cadets from Sonora have won numerous appointments to Military Service Academies such as West Point, Annapolis, the Air Force Academy and have also been awarded ROTC scholarships at universities and colleges throughout the nation.

WHAT DOES JROTC TEACH?

- Develops essential **LEADERSHIP SKILLS**
- **Builds** positive **CHARACTER TRAITS**
- Promotes **PATRIOTISM**.
- Develops **INFORMED** and **RESPONSIBLE CITIZENS**.
- Instills a high degree of personal **HONOR, INTEGRITY, SELF-RELIANCE** and individual **DISCIPLINE**.
- Teaches physical **FITNESS** and fosters healthy life habits
- Promotes service to the **COMMUNITY**
- Promotes **HIGH SCHOOL COMPLETION** and the **PURSUIT OF HIGHER EDUCATION**

For more information about JROTC talk with the Cadets or visit our classroom, room 303! Or simply contact an Instructor:

VISUAL ART DEPARTMENT

What are the advantages of Sonora's Theatre program?

- **SIZE:** Our smaller, yet growing program offers more training, numerous chances to perform, more one-on-one instruction and feedback from the instructor, as well as many opportunities to learn all aspects of Theatre production. We view Theatre as an art form, not a competition, and we don't want our actors to feel like they are just another face in the crowd.
- **FOCUS:** We build actors who are confident and enthusiastic about the art of Theatre. Our after-school rehearsals are conducted with professionalism and devotion to the process of creating Theatre, which we feel is just as fun and rewarding (and important) as performing.
- **COLLABORATION:** We offer an inclusive, productive forum for student ideas and creativity.
- **PROFESSIONALISM:** We assume that you are interested in our courses and/or auditioning for our shows because you, on some level, really want to be an actor. We want to help you develop the skills and to encourage you to put in the hard work to pursue this dream in college and beyond.

If you have any questions, please feel free to contact the Theatre Instructor, Jeffrey Brem: jbrem@fjuhsd.org

Sonora High School Theatre Department focuses on building acting skills by

- **Offering many performing opportunities** for students who wish to develop their skills and confidence
- **Practicing individually** with actors on important skills such as auditioning, cold reading, building character and study of acting techniques
- **Encouraging students to pursue creativity** with peers by performing classic and contemporary works, as well as by developing and performing their own scenes and plays

Goals of the Sonora High School Instrumental Music Program

The Sonora High School Instrumental Music Program is dedicated to:

- *providing high quality instruction in order to promote a strong musical foundation for its students,
- *strengthening social and life skills of its members,
- *improving individual performance and ensemble skills of members,
- *creating a sense of family among members,
- *building a lifelong love of learning and making music,
- *producing a safe and positive learning environment for each student,
- *developing strong leaders and productive members of tomorrow's society.

Instrumental Music Students will:

- *strengthen musically, socially, and civically,
- *increase their critical thinking and aesthetic awareness,
- *demonstrate character, personal integrity, respect, and self-discipline,
- *uphold an exemplary image on and off the field and stage.
