2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Facility Conditions and Planned Improvements

Jordan Elementary School was built in the mid 1950's. During the 21-22 school year, Jordan underwent renovations to the campus with funding coming from the passage of local measure LL. The renovations included replacing all portable classrooms with permanent buildings, replacement of the existing office building, new roofs on all existing classrooms, replacement of HVAC units and upgrading of the associated plumbing and electrical systems, and replacement of primary play areas. Other planned improvements to the school include a literacy garden and outdoor garden science center.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

A very active parent group supports Jordan through their involvement in the Parent Teacher Association (PTA), School Site Council (SSC), and the English Learner Advisory Committee (ELAC). PTA offers family activities including movie nights, Stoves on Strikes fundraisers at local restaurants, family STEM challenges, and fun run. SSC and ELAC meetings are held on a regular basis throughout the year. In addition to participation in these groups, parents volunteer in classrooms, the school library, and assist with special events. Jordan Elementary school has partners with a variety of community organizations to provide the basic necessities for families in need.

Parents are kept informed of school events and opportunities for involvement through the school website, weekly phone and email messages that go out in English and Spanish, calendars, notices, and the school marquee. In addition, the Jordan PTA keeps parents informed with weekly emails and social media via Facebook. Any parents wishing to become involved may also contact the school office.

2023-24 School Safety Plan

Staff at Jordan Elementary believe that in order for students to learn they must feel safe at school. To ensure student safety, Jordan Elementary has in place a school-wide discipline plan, a disaster preparedness plan, and a comprehensive school safety plan. School rules and behavior standards are clearly communicated to students at the beginning of the year. Upon returning from Winter Break, students attend a brief assembly to review these expectations. The principal is responsible for making sure the school-wide discipline plan is fairly and consistently enforced. The staff regularly reviews the school wide discipline plan at staff meetings throughout the year. The disaster preparedness plan is designed to cover emergencies such as fires, earthquakes, and other natural disasters. The plan is reviewed annually with staff so all persons are aware of their roles in the event of a disaster. In addition, the school holds regular fire and earthquake drills so students and staff are familiar with procedures covering both potential events.

The Comprehensive School Safety Plan is reviewed and updated annually prior to March 1st prior to submittal for approval by the school board. The plan is reviewed with staff, PTA, and Jordan's School Site Council in the month of January.

Professional Development

The success of our program is directly related to the fine staff of well-trained, dedicated professionals here at Jordan Elementary School.

Our teaching staff is continually seeking ways to improve their skills and the instructional program. Teacher training priorities are identified each year and teachers and administrators participate in District and school-level inservice programs. Jordan Elementary School is provided one shortened day per week for site-based inservices and collaborative meetings related to specific school goals. August inservices, after-school and non-student day inservices, as well as various conferences throughout the year, are provided as needed.

This table displays the number of school days dedicated to staff development and continuous improvement.
