2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

SCHOOL PROFILE

Olita Elementary School is located on 950 S. Briercliff Drive in La Habra, California and is one of five elementary schools and one junior high school in the Lowell Joint School District. Our school serves students from Preschool through Sixth Grade with an enrollment of approximately 420 students. There are three special education classes on campus: one mild/moderate class for grades K-3, a mild/moderate for grades 4-6, and one moderate/severe class for medically fragile students grades K-8. Grades one through three have an average of 24 students, while grades four through six average 33 students per class. There are 19 teachers, 17 instructional aides, and 18 support staff.

Sixteen percent of the parent community have graduate degrees, while 60% percent have some college background or college degree. Eleven percent of parents only hold a high school diploma.

The ethnic distribution of enrollment finds 65% of students Hispanic, 15% of students in the not Hispanic or Latino group, with 15% of our students in other ethnic groups. Eight percent of students are English Language Learners.

The flavor of Olita Elementary School can best be captured in the yearly school-wide themes that we have had over the years: Olita Ranch - Roping in Knowledge, Olita Ranch - The Brand of Excellence, Camp Olita - The Adventure Begins, Camp Olita - The Adventure Continues, Olita Has Star Power - Watch Us Shine, We Celebrate Learning, We Are Olita's All-Star Team, We Cultivate Minds and Values - Watch Us Grow, Olita – a Sea of Knowledge, Olita - We Are Dino-Might! and Following Camp Olita's Academic Trail to Excellence. Each theme sets the tone for high expectations, attainment of excellence, and a lifetime adventure for learning.

The school's vision is for students to have enthusiasm for learning coupled with strong character traits that will carry them through the years as lifelong learners. This vision is the shared responsibility of students, staff, parents, and community. Staff stresses personal integrity, social responsibility, and our national heritage. Character building is a strong component of everyday instruction. We have a sequential, spiraled character education program that starts in Kindergarten and follows through to sixth grade. Monthly qualities are taught, rewarded, communicated to parents, and displayed on our marquee and monthly office bulletin board.

Teaming and collaborative planning have provided the backbone for a strong academic program that sets a school-wide vision where every part of the school skeleton is joined. Certificated and classified staff members work in harmony to provide a learning environment that is safe, creative, challenging, and appropriate for the various levels of learners. There is a common vision for behavior, student and staff recognition, excellence, and time on task.

Olita parents are actively involved in the education of their children. Parents work in classrooms and participate in fundraising and expanded curricular events. Parents serve on Olita's School Site Council and PTA Executive Board as well as PTA committees. Attendance at Back-to- School Night and Open House are extraordinary with classrooms averaging 85-100 percent.

MISSION STATEMENT

Our mission is to encourage each child to develop individual excellence and a desire for lifelong learning so that they can be contributing members of society. To accomplish this, we provide a positive, engaging, and challenging learning environment where all students are given equal access to the core curriculum. We believe that each child is a unique learner and that children thrive with personal recognition for academic progress and effort. With parents as partners, we have established a nurturing and supportive learning community, where staff work collaboratively and cohesively and share in the responsibility of assisting Olita students in demonstrating positive character traits, tolerance, social skills, effective communication, critical and creative thinking, problem solving, and decision making. Olita's learning environment supports and empowers each child to become a responsible and productive citizen.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. School Facility Conditions and Planned Improvements

Olita School consists of seven major buildings with five bungalows. There are two wings for the primary classrooms and an additional two wings for the upper-grade classrooms. Preschool and Transitional Kindergarten is separated from the rest of the campus by an enclosed play yard. In addition to the classrooms there is a library, STEAM lab, speech/OT room, and a school psychologist's room. The central office houses the office manager's station, attendance clerk's office, nurse's office, principal's office, school psychologist's office, lounge, workroom, ELD instructor, with another building for the multi-use and kitchen. Olita underwent major renovations in 2020 for new roofing and HVAC systems as part of Measure LL.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Each year, the Parent Teacher Association (PTA) fills a 10-seat executive board with an accompanying support group that runs the committees. Parents work closely with the school to promote school spirit. The PTA conducts fundraisers, plans social events and assemblies, runs the Reflections Program, puts together a yearbook, organizes reading incentives, supports Red Ribbon Day, and conducts outreach programs. PTA has overwhelmingly supported the reading and math program at Olita.

During the school year, parents attend family science nights, the Fall Fun Fair, various family events, skate nights, picnics, and field trips. They are kept apprised of school events through the monthly voice mail, weekly mailings, outdoor marquee, School Messenger, Instagram and a monthly newsletter posted on our school web site. Parents also wear their Olita spirit shirts on Fridays and on field trips.

Parent speakers come to the classrooms and talk to the classes about their heritage, what they do for a living, or an interest or hobby. Parents cook foods from their culture to celebrate international holidays. We also have a group of parents who decorate the outside office windows with seasonal themes.

Parents are further involved in Student Study Team (SST) meetings, School Site Council (SSC), two parent conferences each year, as tutors in the classroom, assistants to the teacher, signing of assignment books, working as noon duty aides, plus intramural and physical education helpers. Many of our parents also volunteer at school helping students practice math facts, reading skills, and fun holiday activities. Parent involvement is very high on the Olita campus.

2023-24 School Safety Plan

The learning environment reflects an academic focus, and Olita maintains high expectations and standards for student achievement and behavior. Pride in the physical environment is stressed, and a safe and orderly campus is maintained. Olita's school programs help to provide a safe and appropriate learning environment for all students.

There are multiple and diverse opportunities for students to be recognized for their achievements, good behavior, and citizenship. Monthly award assemblies provide a time for the entire school to celebrate the accomplishments of the Olita children. Student of the Month, Citizen of the Month, Reading and Math Clubs are just a few of the awards presented at the assembly.

A school-wide discipline program is in place. Behavioral expectations are communicated to students, parents, and support staff. Guidelines for behavior are reviewed with all students, posted in each classroom and throughout the campus, as well as sent home to parents. A student referral system is in place to ensure student behavior is monitored and is fair and consistent. Students follow the district adopted dress code.

A comprehensive School Safety Plan has been developed where in case of disaster, all stakeholders know procedures and safety protocol expectations as explained in our National Incident Management System protocols. Drills for fire and earthquake evacuation procedures are practiced monthly. Each classroom has a backpack filled with essential items needed in an emergency, such as attendance forms, accountability sheets, band-aids, and basic first aid items. A supply of water is on campus, and each student brings a bag of nonperishable food items to have in case of emergency. These are stored in each classroom. Staff has been assigned to teams of search and rescue, student release, first aid, and student supervision. We practice a full walk-through drill each year where the school simulates disaster procedures. This plan will be reviewed at our next School Site Council meeting in December, 2023.

2023-24 School Safety Plan

Visitors on campus are expected to check in at the office with their ID run through the Raptor system. All visitors and staff wear an identification badge at all times while on campus. Our campus is secured throughout the school day. The staff helps to make the procedure for dismissal and pick-up of students safe.

Professional Development

Our teaching staff is continually seeking ways to improve their skills and the instructional program. Teacher training priorities are identified each year, and teachers and administrators participate in District and school-level in-service programs. All elementary schools are provided one shortened day per week for site-based in-services related to specific school goals. All schools participate in annual August in-services, after-school in-services, and various conferences throughout the year. Most teachers have been GLAD trained, Thinking Map and Write from the Beginning trained and are using strategies in their classrooms throughout the year. In 2021-2022, our district adopted new Science curriculum. For grades Kindergarten through sixth, we adopted Savvas. In 2019-20 Studies Weekly was adopted along with Discovery for 6th grade in the area of Social Studies. With each adoption there is professional development provided connected to the implementation of the program to address state standards. Textbooks and supplements are being used, along with the pacing guides designed by the publisher and Assistant Superintendent of Educational Services. Presently, our teachers are being trained in Thinking Maps as well as Write From the Beginning. Most teachers have been trained in Explicit Direct Instruction (EDI) through DataWorks. iReady is our program this year that we are using as a diagnostic and for learning support in both math and reading. Students take the diagnostic at the beginning of the school year and work toward improving their skills by spending at least 45 minutes each week in each subject. When students earn 70% or higher for passing rates, their proficiency levels increase. The program is individually designed to help students with skills at their levels. The students then take benchmarks throughout the year to monitor progress. We offer rewards for students who are meeting their iReady goals each month as well as at each trimester.
