MISSION

The Lowell Joint School District is committed to providing a strong academic program of 21st Century Skills with a well-rounded program of diverse and innovative subject offerings. All District Schools emphasize the importance of education, the family, and traditional values. We stress the value of personal integrity, social responsibility, and a respect for our national heritage. The Lowell Joint School District envisions a culture where technology empowers all members of the school community to achieve success and expand learning beyond the walls of the classroom. All stakeholders will utilize technology to become highly competent in a technological world through continuous improvement in academics, career, and life.

CORE VALUES
