## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

El Portal's School Plan for Student Achievement is written to align and support the Lowell Joint School District's three LCAP goals: Goal 1 - All students of the Lowell Joint School District will have appropriate conditions for successful learning outcomes. Goal 2 - All students in the Lowell Joint School District will demonstrate continuous student achievement and progress toward being college and career ready. Goal 3 - Stakeholders, including parents and students, will be engaged in supporting student learning in a positive and safe school climate. El Portal's specific goals address creating an environment that supports academic achievement for all students, a positive school climate, and an environment that provides opportunity and access for all students.

# Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Parents and guardians are important to the success of El Portal School and we value their input. 230 El Portal Parents completed the 2020/21 LCAP Parent Survey. That is a big increase in participation. Last year's survey was only completed by 61 families. The survey addresses parents' understanding of school programs and the two-way communication between school and home. Survey questions included parent opinion on the educational program (curriculum, academic progress, assessment, program structure and general impressions). The results rated El Portal very strong in many areas. A significant number of parents answered "Don't Know" to questions that asked if "our school offers opportunities for students to work above grade-level, if appropriate" and does "our school provide academic support." These results inform us that we may not be communicating clearly to our families about all of the resources we have available to our students. This has been the case in past surveys. Parents also answered "Don't know" in a significant number to questions about English Learner identification and programs and supports for English Learners. Like all surveys, this information provides the El Portal staff with insight on areas that need improvement. All information from all of the surveys was shared with staff, School Site Council, PTA, and ELAC parent groups. We did not conduct a School Climate survey this school year with students. At the time of the last survey about 27% of students answered "Sometimes" to the question, "I like school." This is a concerning amount of responses. 88% of students surveyed responded "Often" and "Always" to the question "There is an adult at my school who will help me if I need it." 90% of students surveyed answered "Always" to the statement, "My school wants me to do well." These results reflect the hard work of El Portal staff to create a school climate and culture that encourages students to come to school, do their best and be successful.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Evaluation, both formal and informal, is a vital form of communication, the intent of which is to reinforce knowledge of school standards and expectations, to assist individual teachers to maintain effective teaching skills and subject matter knowledge, and to encourage further development in proficiency. The result is a dynamic teaching staff that provides a high quality instructional program for all students. All probationary teachers have three formal observations and two formal evaluations each year. All tenured staff, ten years or more, have one observation and one formal evaluation every other year. The site administrator also does frequent informal classroom observations and teachers are substituted out to observe each other. Current year observations have shown that teachers have a strong understanding of Explicit Direct Instruction. Each classroom uses Zoom or Google Meet to hold synchronous learning sessions.

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

EI Portal's instructional program is in transition to full implementation of the California Core State Standards (CCSS). Currently, transitional kindergarten - grade six are implementing the California Core State Standards, CCSS. The curriculum and instruction is well aligned to each set of standards. Grade level long-range plans/pacing guides reflect the standards, and both state and local assessments are used to measure student growth. This assessment information is used to guide instructional practice and modify instruction where needed. Trimester district benchmarks are also used to identify and target at-risk students who need additional support and intervention classes. CAASPP data from the 2018-2019 test administration shows that in ELA, 69% of all students Met or Exceeded standards. 60% of Socio-Economically Disadvantaged students Met or Exceeded standards in ELA. However only 26% of Students With Disabilities Met or Exceeded standards. CAASPP data from the 2018-2019 test administration shows that in Math, 63% of all students Met or Exceeded standards. 52% of Socio-Economically Disadvantaged students Met or Exceeded standards in Math. However only 18% of Students With Disabilities Met or Exceeded standards.

As part of our Multi Tiered System of Support (MTSS) we continually evaluate both state and local measures to target support and intervention and enrichment opportunities.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

The Illuminate Data Systems is the student tracking software used in the Lowell Joint School District. Administrators and teachers are able to access the student data from district benchmarks, CAASPP, and the ELPAC assessments and use that information to modify instruction and create intervention classes. Teachers use chapter tests and quizzes from our math adoption to monitor students' understanding of standards-based concepts. Throughout their lessons teachers use Checking For Understanding practices to ensure that students are understanding the content of the lesson.

## Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

All of the EI Portal teaching staff is highly qualified. Our school district's Human Resources office ensures that all staff is highly qualified.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All staff is credentialed and all meet regularly in professional learning communities. Professional development includes: Data Works, Project GLAD, Thinking Maps, technology and engagement strategies. They also meet weekly as grade-level teams.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

All instruction is currently aligned to and focusing on the implementation of the California Content Standards and part of the ongoing adoption cycle. The focus for the 2019-2020 School year is the Social Studies adoption. Due to a need for writing support the district has implemented Thinking Maps to improve instruction in writing.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

EI Portal receives support from our district's Teacher On Special Assignment (TOSA) for technology. Our TOSA assists with the Illuminate program and other technology. EI Portal also has two intervention coaches, who support staff with instructional strategies and design and implement the Intervention that takes place throughout the day.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

EI Portal teachers meet weekly by grade-level to plan curriculum and each trimester as a district in grade-level teams.

## Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

All transitional kindergarten through sixth grade is implementing the California Core State Standards and use a standards based report card.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

All classrooms meet or exceed the recommended instructional minutes for ELA and mathematics.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

EI Portal uses the district pacing guide which is aligned to each of the district benchmarks. After an analysis of each of the benchmark tests, intervention groups are created and students are assigned to Intervention classes to meet their needs. Intervention also occurs in the classrooms after whole class direct instruction. The RSP program also offers support to students who qualify. AIM and Learning at Lunch is offered to any student that needs support. EI Portal also has a thirty minute Academic Language class to support the academic language needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All instructional materials are standards-based and appropriate for all student groups.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All instructional and intervention materials are standards-based and appropriate to all student groups.

## **Opportunity and Equal Educational Access**

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Service provided by the common core aligned programs in both ELA and Math that enable underperforming students to meet standards include:

- \*Mind Math Institute(ST Math)
- \*Reading Plus
- \*Lexia, Core 5
- \*Reading Counts
- \*No Excuses University
- \*Interns and Counselors

Evidence-based educational practices to raise student achievement

Research-based practices used at EI Portal:

- \*Data Works, Explicit Direct Instruction
- \*Mind Math Institute(ST Math)
- \*Reading Plus
- \*Lexia, Core 5
- \*Reading Counts
- \*Intervention Classes - Small Group Instruction
- \*Academic Vocabulary Classes

## Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

EI Portal offers AIM (a homework help) daily during first recess, before school and after-school. EI Portal uses different computer-based online software programs that can be accessed at home for more practice. Programs include: ST Math, Reading Counts, Go Math, Lexia and Reading Plus. Our Annual Back to School Night and newly implemented No Excuses University (NEU) Parent University sessions help our families understand the mindset our staff here at EI Portal possesses.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

EI Portal has a School Site Council, ELAC representative, and an active PTA.

## Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Intervention Classes and computer programs are funded by Title 1, Part A  
Parent Nights are funded by Title 1, Part A: Parent Involvement  
EL support is funded by District and Site Title 1 funds.

Fiscal support (EPC)

Title 1, PTA donations, Site Allocations, Tech Allocation, Before/After School Intervention Allocation and a STEAM Allocation.

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

Collaborating on the 2021-22 SPSA, EI Portal took the following steps:

Parents and staff reviewed and discussed actions and progress on the 2020-21 goals at School Site Council (SSC) meetings with feedback from the English Language Advisory Committee (ELAC) representative, PTA meetings, meetings with the Leadership Team, and at staff meetings.

We reviewed information on the California Dashboard to see which areas are still in need of improvement. All areas in orange or red from 2019-2020 will be specifically addressed and monitored since there is no new CAASPP data.

We discussed and reviewed the input from the 2021 LCAP Parent Survey. Teachers were also surveyed as to what the are current needs of EI Portal.

With the help of the El Portal stakeholders, the 2021-22 SPSA goals and actions steps were created.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

There are achievement gaps for some of our student subgroups. Students with disabilities (SWD) have not met standard in both the ELA and Math portions of the CAASPP at a much higher percentage than all students. 52.94 % of SWD did not meet standard in ELA and 47.06% did not meet standard in Math. Students with disabilities need to have access to in-school and after-school academic interventions on top of the services they already receive as part of their IEP. Due to COVID-19 we are anticipating larger achievement gaps for some of our at-risk student groups.

| <b>Total Enrollment</b>           | 525                | 500   | 513   |

### Conclusions based on this data:

1. Our enrollment has remained steady for the last 3 school years.
2. We maintain a culture of universal achievement, which benefits all students.
3. Our largest subgroups continue to be Hispanic and White students.

### Conclusions based on this data:

1. Due to the supports in place for English Language Learners, there has been an initial increase in our reclassification rate noted in the 16-17 year and then in the 17-18 year the numbers decreased because we had fewer students that were classified as English learners. This trend continued for the 2018-19 school year.
2. There has been a steady decrease in the percentage of students who remain English Language Learners. We attribute this success to the differentiated instruction in the classrooms throughout the day, which incorporates English Language Development supports alongside interventions and enrichment.
3. Our total number of English Learners increased this year.

**Conclusions based on this data:**

1. 3rd and 4th grades consistently score between 60-75% Meets or Exceeds standards.
2. 5th grade has the most significant improvement in percentage of students meeting and exceeding standards from the 2017-18 school year to the 2018-19 school year. (+23%)
3. 6th grade varies between 45-62% Meets/Exceeds.

**Conclusions based on this data:**

1. 3rd grade students scored at 61% Meets or Exceeds standards for both the 2017-18 and 2018-19 school years.
2. 5th grade has the most significant improvement in percentage of students meeting and exceeding standards from the 2017-18 school year to the 2018-19 school year. (+21%)
3. Students scored lowest in the areas of Communicating Reasoning (30% Above Standard) and Problem Solving and Modeling/Data-Analysis (30%).

**Conclusions based on this data:**

1. The average for written language is higher than oral language, with the exception of kindergarten.
2. Student scores in written language are stronger than oral language in First Grade.

Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

## Overall Performance

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

#### Conclusions based on this data:

1. Our suspension rate has increased by 0.5% and it is orange for all subgroups.
2. Our English Learners are making progress in math (yellow), but have maintained in ELA (orange).
3. Students with disabilities will need extra support in math.

**Conclusions based on this data:**

1. Students with disabilities are the lowest subgroup in math at 52 points below standard and a 6 point drop. Specific supports need to be put in place to provide access to learning for our SWD population.
2. All students are in the green with 15.2 points above standard and maintained from last year. Slight changes and modifications to current program will be implemented to promote growth and not maintaining.

**Conclusions based on this data:**

1. Our English Learner and Socio-Economically Disadvantaged students have the highest percentage of chronic absenteeism.
2. More communication should be shared with the home as to the importance of attendance.

# School and Student Performance Data

## Conditions & Climate Suspension Rate

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

|---------|------|------|
| (Empty) | 1.8  | 1.7  |

**Conclusions based on this data:**

1. All students need to be provided with positive choices and outlets to keep their engagement and excitement about being at school and making positive choices.
2. Our partnership with No Excuses University focuses on good character and school climate, which should impact our suspension rate.

## Goal Subject

English/Language Arts

## LEA/LCAP Goal

LCAP Goal 2 - All students in the Lowell Joint School District will demonstrate continuous student achievement and progress toward being college and career ready.

Guiding Goal:

Academic Excellence - Learning for All Students

Every student experiences educational success at the highest levels of achievement. We believe that each student has a unique ability to learn in an environment that is enriched with a challenging curriculum, where learning is modeled and expectations are both known and high. We expect all students to demonstrate continued and improved academic achievement, through Collaboration, Communication, Critical thinking, and Creativity, to be college and career ready, and to become lifelong learners.

## Goal 1

ALL students will increase their lexile level by 100 points (average) per year as measured by the Reading Inventory Growth Report. EL students will grow by 120 points.

## LEA/LCAP Goal

LCAP Goal 1 - All students of the Lowell Joint School District will have appropriate conditions for successful learning outcomes.

Guiding Goal:

Safe, Orderly, Positive, Respectful Learning Environments: All campuses provide an aesthetic, orderly environment that is organized to ensure learning. We believe in a collaborative spirit of place where all feel safe, welcomed, valued, and respected. We foster a culture that promotes the emotional health, safety, well-being and involvement of students, staff, family and community.

## Goal 2

The percentage of students participating in QUEST intervention/enrichment activities will increase by 10%. As measured by attendance of the Spring enrichment classes in May 2021. QUEST's goal is to create an environment where students are excited to come to school by providing opportunities for them to explore their own passions, encourages creativity, and provides a choice in what they learn.

## Identified Need

Attendance for the Spring 2019 Quest classes consisted of 70% of students in grades 3-6. Students in grades 3 - 6 set goals and need to show 3% progress towards those goals each week.

## Annual Measurable Outcomes

| Metric/Indicator  | Baseline/Actual Outcome   | Expected Outcome  |
|---|---|---|
| The percentage of students participating in QUEST intervention/enrichment activities will increase by 10% as evidenced by Quest sign-ups. | Attendance from Spring 2019 was 70%. Attendance in Fall 2019 was 74%. | Attendance will increase by 10% for Spring 2021 Quest. From 70% to 80%. |

## Annual Review

### SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

### ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Last year's goal was: "All students will have an increase in academic achievement in mathematics keeping us in the green on CA Dashboard or moving us to the blue as measured by CAASPP results. Students with disabilities will increase by at least an average 3%." With no new CAASPP data, and an expectation that some of our at-risk populations will have increasing gaps due to school closures (Covid), we will continue to monitor these goals.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Implemented up until March 13, 2020. Attempted to complete the goal through Distance Learning, which has continued into the 2020-2021 school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will attempt to complete this goal as we remain in distance learning for at least the first half of the 2020-21 school year. Data is reviewed regularly to make adjustments and new SPSAs will be developed in the Spring of 2021 as plans for mitigating gaps become clearer.

# Goals, Strategies, & Proposed Expenditures

Safe, Orderly, Positive, Respectful Learning Environments: All campuses provide an aesthetic, orderly environment that is organized to ensure learning. We believe in a collaborative spirit of place where all feel safe, welcomed, valued, and respected. We foster a culture that promotes the emotional health, safety, well-being and involvement of students, staff, family and community.

## Goal 4

English Learners at El Portal will show a 5% decrease in the amount of students that Did Not Meet Standards on the 2020 CAASPP ELA assessment.

## Identified Need

English Learners at El Portal show needs in the areas of Math and ELA. The 2018-19 CAASPP Data shows 47.37% of English Learners at El Portal did not meet Standards in ELA.

## Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome  | Expected Outcome   |
|------------------|--|--|
| CAASPP           | 2018-19 CAASPP Data shows 47.37% of English Learners at El Portal did not meet Standards in ELA. | 3% Growth on CAASPP in Math and ELA for the 2020-2021 school year. |

## Annual Review

### SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

This goal did not exist on last year's SPSA. This goal was created to help address the needs of the English Language Learners at El Portal and will be monitored again for 2020-2021.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The strategies listed in this goal are intended to address the needs of our EL's in the area of ELA.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

English Language Learners at El Portal will get support in a variety of ways. Most often support for ELs at El Portal looks like small group instruction and differentiated instruction in the classroom.

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

| Name of Members                               | Role                       |
|---|----------------------------|
| David Sermeno                                 | Principal                  |
| Carrie Wood                                   | Classroom Teacher          |
| Lyn Carty                                     | Classroom Teacher          |
| Rachel Guerrero                               | Classroom Teacher          |
| Regina Fiscus                                 | Other School Staff         |
| Ross Gould                                    | Parent or Community Member |
| Damian Fragoso                                | Parent or Community Member |
| Dana Morrison                                 | Parent or Community Member |
| Mallory La Porte                              | Parent or Community Member |
| Dianna Madrigal Munoz - ELAC Rep (voting rep) | Parent or Community Member |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

**Committee or Advisory Group Name**

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 20, 2021.

Attested:

Principal, David Sermeno on 5/20/2021

SSC Chairperson, Mallory La Porte on 5/20/2021

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

## **Purpose and Description**

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

### **Purpose**

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### **Description**

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

## **Stakeholder Involvement**

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

*[This section meets the requirements for TSI and ATSI.]*

*[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]*

## **Resource Inequities**

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

*[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]*

# Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

## Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

*[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]*

## Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

*[Completing this section fully addresses all relevant federal planning requirements]*

## Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

*[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]*

*[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]*

## Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

*[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]*

*[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]*

## **Students to be Served by this Strategy/Activity**

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

*[This section meets the requirements for CSI.]*

*[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]*

## **Proposed Expenditures for this Strategy/Activity**

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

*[This section meets the requirements for CSI, TSI, and ATSI.]*

*[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

## **Annual Review**

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

*[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]*

## Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

*From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.*

## Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

*[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

# Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

### Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
  - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
    1. The comprehensive needs assessment of the entire school shall:
      - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
      - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
        - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
        - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
        - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
        - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
        - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
  - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

### Requirements for the Plan

- II. The SPSA shall include the following:
  - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
    - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
    - b. use methods and instructional strategies that:
      - i. strengthen the academic program in the school,
      - ii. increase the amount and quality of learning time, and
      - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
    - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
      - i. strategies to improve students' skills outside the academic subject areas;
      - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
      - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
      - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
      - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
  2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
  3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
  - 1. Ensure that those students' difficulties are identified on a timely basis; and
  - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

## Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

### Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

### Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

## **Additional Targeted Support and Improvement**

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## **Single School Districts and Charter Schools Identified for School Improvement**

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Although closed to 100% on-campus instruction due to COVID-19 school closures for the 2020-2021 school year, Macy Elementary School developed a School Plan for Student Achievement and successful delivery of instruction through synchronous and asynchronous instruction. Macy's SPSA is written to align with and support the Lowell Joint School District's three LCAP goals: Goal 1 All students of the Lowell Joint School District will have appropriate conditions for successful learning outcomes, Goal 2 All students in the Lowell Joint School District will demonstrate continuous student achievement and progress toward being college and career ready, and Goal 3 Stakeholders, including parents and students, will be engaged in supporting student learning in a positive and safe school climate. Macy's specific goals address creating an environment that support academic

achievement for all students, a positive school climate, and an environment that provides opportunity and access for all students.

# Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

### The 2021 LJSD Parent Survey

The Lowell Joint School District sent surveys home to parents in the spring of 2021.

Parents were asked to respond to 24 questions with 'Agree / Strongly Agree/ Disagree /Strongly Disagree/ Do Not Know'. Macy families returned 191 surveys.

Parents answer questions that cover 5 Focus Areas of program and school climate. Scores listed are for responses of Strongly Agree and Agree.

#### Focus Area #1 Academic Preparation

Q2 - Strong Academic Program - 86.8%

Q3 - Encourages High Academic Goals - 73.5%

Q5 - Academic Support - 72.4%

Q6 - Opportunities for Enrichment - 48.6%

Q7 - Balanced Academic Program - 82.7%

## **Classroom Observations**

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The principal conducts online classroom observations. There are regular informal observations and online class visitations, and the principal is visible on campus. Formal observations are completed biannually followed by a formal evaluation.

## **Analysis of Current Instructional Program**

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## **Standards, Assessment, and Accountability**

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Administration and staff at Macy Elementary rely on analysis of district benchmark assessments to modify instruction using evidence based strategies and programs to improve achievement for all learners.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

The staff at Macy use data to monitor student progress. Data provides critical information for educators, families, and students and is the basis for modifying instruction and improving outcomes for all learners. Macy staff uses data from: Accelerated Reader, STAR Reading, Lexia, ST Math, grade level exams, and District Benchmark scores.

## Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

All teachers at Macy meet the requirements to be highly qualified as required by ESEA.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers, T-K - 6 are fully credentialed and participate frequently in district, site, and independent professional development trainings.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff development and trainings are fully aligned to state content standards, designed to address assessed student performance needs, and to develop our staff's needs as professional educators. Upon review of student achievement scores it is evident that writing is an area of need at Macy. Writing will be a targeted area of improvement through the implementation of the district provided program Write from the Beginning.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Teachers at Macy have on-going support of site and district administration in the delivery of high level and successful student centered instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers meet in grade level teams and district wide with their grade level cohorts to share ideas and develop curriculum.

## Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

All materials and curriculum are state approved and adopted by our school board. All teachers are highly qualified and use effective teaching strategies to ensure student achievement. All students are monitored throughout the year to ensure that academic performance standards are met.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

All teachers are required to submit long range plans, and weekly and daily schedules that outline when subjects are taught and for how long, to ensure that instructional minutes are met.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

All teachers have access to the District level pacing guides for core subjects. Grade levels meet regularly to review and monitor the master schedule designed for flexibility to provide intervention for students during the school day.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All materials and curriculum are state approved and adopted by our school board. All teachers are highly qualified and use effective teaching strategies to ensure student achievement. All students are monitored throughout the year to ensure that academic performance standards are met.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All materials and curriculum are state approved and adopted by our school board. All teachers are highly qualified and use effective teaching strategies to ensure student achievement. All students are monitored throughout the year to ensure that academic performance standards are met.

## **Opportunity and Equal Educational Access**

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Underperforming students at Macy receive services provided by the regular program in several ways. All Macy teachers use Accelerated Reader and ST Math with fidelity, are GLAD trained and use GLAD strategies in their classrooms. Macy has an intervention teacher who works with small groups of underperforming students several times each week during the school day. A daily school-wide intervention program reaches all students and provides for targeted intervention.

Evidence-based educational practices to raise student achievement

All Macy teachers use Accelerated Reader and ST Math with fidelity, are GLAD trained and use GLAD strategies in their classrooms. Teachers are trained in and use Thinking Maps.

## **Parental Engagement**

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Macy has a strong and active PTA whose members are involved in daily activities at school. Macy's School Site Council holds meetings and has an important role in the decision making process regarding the successful education of Macy students.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Macy has an active School Site Council which consists of 10 members. Half of the membership consists of parents and the other half consists of classified and certificated staff. The SSC meets each trimester to approve and monitor annual goals. At each meeting, the SSC reviews a SPSA goal and discusses implementation as well as possible modifications based on a current needs assessment and analysis of data.

## Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

NA

## Fiscal support (EPC)

Macy receives a Low Performing Schools Grant in addition to a site allocation, supplemental dollars to support unduplicated pupils, and monies to support STEAM activities, attendance incentives and before and after-school support.

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### **Involvement Process for the SPSA and Annual Review and Update**

The school consulted the School Site Council as part of the planning process for this SPSA/Annual Review and Update. The principal attends monthly PTA meetings and meets once each trimester with School Site Council, parents and students are surveyed annually, teaching staff meets weekly, and the Instructional Leadership Team meets bimonthly to develop our instructional plan. Our goals related to student achievement were determined in the Instructional Leadership Team meeting and approved by School Site Council. In lieu of state testing data, we reviewed achievement data as collected by teachers, and discussed the plan moving forward toward the opening of the school at 100% capacity for the 2021-2022.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

It became evident in reviewing the data as part of the comprehensive needs assessment, that a large percentage of our students did not have access to before and after school interventions. To address this need staff collaborated and developed a school day intervention program in order to meet the needs of all students. A before and after school tutoring program will be implemented for the 2021-2022 school year. Before and after school tutoring sessions, and an intervention program built into the school day are designed to meet the needs of students and to mitigate learning loss due to school closures.

| <b>Total Enrollment</b>           | 519                | 470   | 457   |

### Conclusions based on this data:

1. There was a slight increase in the Asian student subgroup from 2.98% to 4.24%.
2. Based on this data there is a significant increase in kindergarten enrollment from 47 to 74, and a drop in first grade enrollment from 72 to 54 students.

**Conclusions based on this data:**

- Overall 48.88% of 3rd graders met or exceeded standards, while 50% of 4th graders met or exceeded standards. In addition, 57.87% and 53.16% of fifth and sixth graders (respectively) met or exceeded standards.
- Third through sixth grade need support in the area of Literacy and Non-Fictional Text, Clear and Purposeful Writing, and Investigating, Analyzing, and Presenting Information as evidence by an approximate average of 27.3%, across these grade levels, not meeting standards.

**Conclusions based on this data:**

1. Overall 51.22% of 3rd graders met or exceeded standards, while 47.22% of 4th graders met or exceeded standards. In addition, 35.5% and 34.62% of fifth and sixth graders (respectively) met or exceeded standards.
2. Third through sixth grade need support in the area of Concept and Procedures, Problem Solving/Modeling Data Analysis, Communicating Reasoning as evidence by an approximate average of 29.69%, across these grade levels, not meeting standards.

# School and Student Performance Data

## Student Population

Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides information about the school's student population.

# School and Student Performance Data

## Overall Performance

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

### 2019 Fall Dashboard Overall Performance for All Students

| Academic Performance  | Academic Engagement   | Conditions & Climate  |
|---|---|---|
| <b>English Language Arts</b><br><br>Yellow | <b>Chronic Absenteeism</b><br><br>Orange | <b>Suspension Rate</b><br><br>Orange |
| <b>Mathematics</b><br><br>Yellow           |   |   |

#### Conclusions based on this data:

1. The current status of yellow in both ELA and math are in line with data from the CAASPP, showing that overall ELA and math scores have declined. There is no state data from 2019, in lieu of state testing data, we relied on teacher collected data and district benchmark data. Macy's intervention programs and use of Accelerated Reader, Lexia, Moby Max and ST Math will continue.
2. The change from yellow to green status in the Suspension Rate indicator shows that the programs put in place for last year, PBIS training and implementation, were successful, we will continue these positive behavior school wide programs.

**Conclusions based on this data:**

- The data shows that there is a decline in all subgroups, but the decline among EL, SED, and SPED students is dramatic. It is clear that programs such as Accelerated Reader and Moby Max were not used with fidelity.
- Administration and staff at Macy need to fully implement Accelerated Reader, Moby Max, Thinking Maps, and Write from the Beginning as part of a total plan to improve student achievement among these groups.
- Intervention programs built into the school day, as well as the addition of before and after school tutoring, will focus on ELA goals and student achievement.

**Conclusions based on this data:**

1. With all student groups scoring at yellow, and Hispanic, SED, and EL students in the orange, it appears as though the interventions put in place last year were not successful, teachers at all levels need to use Moby Max, ST math, and Accelerated Reader with fidelity.
2. Macy needs to put in place programs to improve student achievement in all subgroups, and teachers need to implement the existing programs with fidelity.

# School and Student Performance Data

## Academic Performance English Learner Progress

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

### Conclusions based on this data:

1. The listed performance level of Macy's EL students as "very low" suggests that daily directed EL instruction in the classroom has been ineffective.
2. Teachers should participate in professional development to improve instruction and meet the needs of these students.

**Conclusions based on this data:**

1. Data from the Chronic Absenteeism indicator show that Macy would benefit from improved student engagement. Data from the 2019-2020 school year prior to the school closures due to COVID-19 showed promising increases in attendance. Staff and administration will continue the programs put in place and intended to improve attendance upon our return to in-person learning.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Chronic Absenteeism

## LEA/LCAP Goal

Safe, Orderly, Positive, Respectful Learning Environments: All campuses provide an aesthetic, orderly environment that is organized to ensure learning. We believe in a collaborative spirit of place where all feel safe, welcomed, valued, and respected. We foster a culture that promotes the emotional health, safety, well-being, and involvement of students, staff, family and community.

## Goal 1

Upon return to in-person learning, Macy Elementary will continue to improve its attendance rate as measured by year-end attendance records and movement from orange to yellow on the California Dashboard Chronic Absenteeism indicator. We believe we can achieve this through encouraging student and teacher passion and fostering student and family engagement.

## Identified Need

Macy's current Dashboard Attendance indicator shows a status of orange with a 3.8% absenteeism rate. There is no state data from the 2019-2020 school year.

## Annual Measurable Outcomes

| Metric/Indicator           | Baseline/Actual Outcome  | Expected Outcome  |
|----------------------------|--|---|
| School data                | Macy's current Dashboard Attendance indicator shows a status of orange with a 3.8% absenteeism rate. | Macy will improve student attendance as measured by the CA Dashboard by improving from orange to yellow               |
| Student Attendance Records | Macy's attendance records, as reported monthly, show an increase in chronic absenteeism.             | Upon return to in-person learning, Macy's daily attendance will meet or exceed 95% monthly as evidence by local data. |

## Annual Review

### SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

As this is our first year addressing attendance there is no data to compare. Data collected up to the closure showed improved attendance. Macy will continue with the plan implemented last year.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

No changes will be made.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

English Language Arts (ELA)

## LEA/LCAP Goal

All students in the Lowell Joint School District will demonstrate continuous student achievement and progress toward being college and career ready.

## Goal 2

By August 2021, the number of students in grades 3-6 scoring At or Above Standard in ELA will increase by 5% as measured by the Smarter Balanced performance summary.

## Identified Need

Macy had a 14 point decline in ELA as indicated by a status of yellow in 2018 ELA 2018 CA Dashboard reports that all students in ELA are ranked Yellow with 6.2 points above standard, but declined 14 points. Students with Disabilities (SWD) were Red and 88.6 points below standard. English Language (EL) learners and Students who are Economically Disadvantaged (SED) were Orange; 23.8 and 44.3 points below standards respectively. The Hispanic subgroup scored Yellow and were 3.7 points below standard.

## Annual Measurable Outcomes

# Annual Review

## SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

### ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

With a change in principal it is difficult to know all of the details of implementation over the last year, moving forward, the programs will be reviewed and monitored for usage and impact on student achievement. A review of the performance summary of CAASPP scores in ELA show an overall 3% decrease of students meeting the standard, with a drop from 57% to 54%, which indicates that the programs were either ineffective or not used with articulated goals or fidelity. Teachers report higher levels of fidelity with AR use.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The Accelerated Reader (AR) program will continue from last year. PTA will purchase the program from funds raised to specifically target literacy. Furthermore, the addition of the second Intervention Teacher will impact budget expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Changes in the program which will lead to improved student achievement are found in the implementation of the district adopted writing programs, completion of the entire writing process every 6 weeks, and improved PLC time for teachers as outlined above.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Math

## LEA/LCAP Goal

All students in the Lowell Joint School District will demonstrate continuous student achievement and progress toward being college and career ready.

## Goal 3

Macy students will continue to strive towards high levels of academic excellence in relation to being College and Career Ready in Math as measured by the CA Dashboard .

## Identified Need

Math 2018 CA Dashboard reports that all students in Math are ranked Yellow with 22.4 points below standard. Students with Disabilities (SWD) scored Red with 108.7 points below the standard. Scoring Orange were the English Learners (EL) at 55.9 points below standard, Hispanics were 33 points below standards, and Socio Economically Disadvantaged (SED) students were 72.7 points below standard. White was Yellow with 13 points below standard.

## Annual Review

### SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The performance summary of CAASPP scores in math show 51% of students met the standard in math.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Careful review of the CAASPP scores in math show a deficiency in problem solving and Modeling/Data in all grades. 70% of 3rd graders scored at near or below standard, 91% of 4th graders are near or below standard, and 5th and 6th graders near or below standard at the rate of

92% and 85% respectively. To address this deficiency materials will be purchased that will impact the budget. we need to monitor usage and efficiency of these strategies carefully.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Professional collaboration, use of ST math and Moby Max, and the addition of the CUBES strategy will improve student achievement in math as articulated above.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

School Culture

## LEA/LCAP Goal

Continue to strengthen communication with parents and community members by providing resources and opportunities for parents' active engagement in their student's education.

## Goal 4

By August 2022, Macy will continue to cultivate a school culture that encourages positive relationships among our staff and families through effective communication, as evidenced by our LCAP parent survey.

## Identified Need

Review of the LCAP Parent Survey shows that 24% of parents surveyed feel that data is not provided that demonstrates student achievement, 13% of parents surveyed do not believe that they are well informed about opportunities to be involved in their students' education, and 26.5% do not believe that the school encourages high academic goals.

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 2 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

| Name of Members   | Role                       |
|-------------------|----------------------------|
| Gary Borg         | Parent or Community Member |
| Amy Knierim       | Parent or Community Member |
| Shannon Ladwig    | Parent or Community Member |
| Chelsea Shrainer  | Parent or Community Member |
| Angela Fernandez  | Parent or Community Member |
| Christian Mangold | Classroom Teacher          |
| Mary Shaw         | Classroom Teacher          |
| Patty Jacobsen    | Principal                  |
| Aida Arcega       | Other School Staff         |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

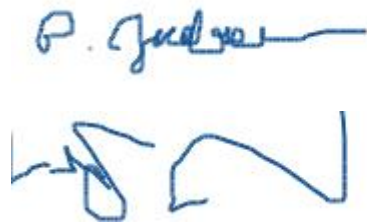

**Committee or Advisory Group Name**

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 5/26/2021.

Attested:

Principal, Patricia K. Jacobsen on 5/26/2021

SSC Chairperson, Chelsea Shrainger on 5/26/2021

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

## Instructions: Linked Table of Contents

**The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.**

## **Purpose and Description**

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

### **Purpose**

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### **Description**

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

## **Stakeholder Involvement**

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

*[This section meets the requirements for TSI and ATSI.]*

*[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]*

## **Resource Inequities**

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

*[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]*

# Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

## Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

*[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]*

## Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

*[Completing this section fully addresses all relevant federal planning requirements]*

## Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

*[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]*

*[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]*

## Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

*[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]*

*[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]*

## **Students to be Served by this Strategy/Activity**

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

*[This section meets the requirements for CSI.]*

*[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]*

## **Proposed Expenditures for this Strategy/Activity**

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

*[This section meets the requirements for CSI, TSI, and ATSI.]*

*[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

## **Annual Review**

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

*[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]*

## Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

*From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.*

## Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

*[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

# Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

### Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
  - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
    1. The comprehensive needs assessment of the entire school shall:
      - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
      - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
        - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
        - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
        - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
        - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
        - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
  - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

### Requirements for the Plan

- II. The SPSA shall include the following:
  - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
    - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
    - b. use methods and instructional strategies that:
      - i. strengthen the academic program in the school,
      - ii. increase the amount and quality of learning time, and
      - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
    - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
      - i. strategies to improve students' skills outside the academic subject areas;
      - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
      - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
      - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
      - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
  2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
  3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
  - 1. Ensure that those students' difficulties are identified on a timely basis; and
  - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

## Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

### Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

### Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

## **Additional Targeted Support and Improvement**

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## **Single School Districts and Charter Schools Identified for School Improvement**

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

# School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name             | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|-------------------------|-----------------------------------|--|---------------------------|
| Meadow Green Elementary | 19647666020192                    | April 29, 2021                         | June 14, 2021             |

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### Schoolwide Program

Meadow Green operates the Title I program as a school-wide Title I program, targeting achievement school-wide. Meadow Green transitioned from a targeted assistance to a school-wide program during the 2018/19 school year, as the number of students from socioeconomically disadvantaged backgrounds increased above 40% of the total school population.

A school may operate a SWP if:

The school's LEA determines that the school serves an eligible attendance area or is a participating school under Section 1113 of the ESEA; and

For the initial year of the schoolwide program:

The school serves a school attendance area in which not less than 40 percent of the children are from low-income families; or

Not less than 40 percent of the children enrolled in the school are from low-income families (34 CFR 200.25[b][1]; ESSA Section 1114[a][1][A]).

A school that serves an eligible school attendance area in which less than 40 percent of the children are from low-income families, or a school for which less than 40 percent of the children enrolled in the school are from such families, may operate a schoolwide program under this section if the school receives a waiver from the State educational agency to do so, after taking into account how a schoolwide program will best serve the needs of the students in the school served in improving academic achievement and other factors (ESSA Section 1114[a][1][B]). Eligible schools are not required to operate the SWP and may choose to remain as a TAS. Additional information about Title I, Part A TAS may be located on the Title I, Part A Targeted Assistance Schools web page.

#### Comprehensive Needs Assessment

A school operating a SWP must conduct a comprehensive needs assessment of the entire school (ESSA Section 1114[b][6]; 34 CFR 200.26[a][1]). The comprehensive needs assessment is based on academic achievement information about all students in the school, including all groups and migratory children, particularly the needs of those students who are failing, or are at-risk of failing, to meet the challenging State academic standards and any other factors as determined by the LEA, and particularly for those students furthest away from demonstrating proficiency, so that all students demonstrate at least proficiency on the State's academic standards (ESSA Section 1114[b][6]; 34 CFR 200.26[a][1] and [b]).

A school operating a SWP must also conduct a comprehensive needs assessment to:

Help the school understand the subjects and skills for which teaching and learning need to be improved (34 CFR 200.26[a][1][i][A]); and

Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards (34 CFR 200.26[a][1][i][B]).

#### SWP Plan Development

An eligible school operating a SWP shall develop a comprehensive plan, that is:

Developed during a 1-year period, unless the LEA determines, in consultation with the school, that less time is needed to develop and implement the SWP (ESSA Section 1114[b][1]);

Developed with the involvement of parents and other members of the community to be served and individuals who will carry out such plan (ESSA Section 1114[b][2]; 34 CFR 200.26[a][2]);

To remain in effect for the duration of the school's participation in a SWP and will be monitored and revised as necessary (ESSA Section 1114[b][3]); and

Regularly monitored and revised as necessary based on student needs and all students have been provided with opportunities to meet the challenging State academic standards (ESSA Section 1114[b][3]);

Available to the LEA, parents, and the public, and the information contained in such plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand (ESSA Section 1114[b][4]); and

If appropriate and applicable, developed and coordinated and integration with other Federal, State, and local services, resources, and programs (ESSA Section 1114[b][5]);

The SWP plan shall include descriptions of strategies that the school will be implementing to address school needs (ESSA Section 1114[b][7][A]) including a description of how such strategies will:

Provide opportunities for all children, including each of the subgroups of students to meet the challenging State academic standards (ESSA Section 1114[b][7][A][i]);

Strengthen the academic program in the school, increase the amount and quality of learning time, and help provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education (ESSA Section 1114[b][7][A][ii]); and Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards (ESSA Section 1114[b][7][A][iii]).

All activities, strategies, and interventions included in the SWP shall be evidence-based.

Evidence-based means the proposed project component is supported by one or more of strong evidence, moderate evidence, promising evidence, or evidence that demonstrates a rationale (34 CFR 77.1[c]).

If programs are consolidated, the SWP plan shall include descriptions of the specific LEA programs and other Federal programs that will be consolidated in the SWP (ESSA Section 1114[b][7][B]).

The SWP school must document how it conducted the comprehensive needs assessment, the results it obtained, and the conclusions it drew from those results (34 CFR Section 200.26[a][3]).

Further, an LEA shall ensure that each SWP plan shall be consolidated into a single plan (EC Section 64001[a]), known as the School Plan for Student Achievement (SPSA). The single plan shall be developed and approved by the schoolsite council (EC sections 64001[c] and 65000[b]). Information regarding the SPSA is located on the Local Control and Accountability Plan (LCAP) web page.

#### SWP Plan Evaluation

In addition, a school operating a SWP must:

Annually evaluate the implementation of, and results achieved by, the SWP, using data from the State's annual assessments and other indicators of academic achievement (34 CFR 200.26[c][1]); Determine whether the SWP has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards (34 CFR 200.26[c][2]; and

Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the SWP (34 CFR 200.26[c][3]).

#### SWP Consolidation of Funds

The SWP may consolidate funds from Federal, State, and local sources to implement the school's comprehensive plan to upgrade its entire educational program (ESSA Section 1114[a][1]; ESSA Section 1114[a][3][A]-[B]; 34 CFR 200.25[e]; 34 CFR Section 200.29[a]).

A SWP school that consolidates and uses funds from any other Federal program:

is not required to meet the statutory or regulatory requirements of that program applicable at the school level; but must meet the intent and purposes of that program to ensure that the needs of the intended beneficiaries (e.g., students, teachers, and parents) of any other federal programs (34 CFR 200.29[b][1]).

must meet the requirements of those programs relating to health; safety; civil rights; student and parental participation and involvement; services to private school children; maintenance of effort; comparability of services; use of Federal funds to supplement, not supplant non-Federal funds; and distribution of funds to SEAs or LEAs (34 CFR 200.29[b][2]).

Is not required to maintain separate fiscal accounting records, by program, that identify the specific activities supported by those particular funds; but must maintain records that demonstrate that the SWP, as a whole, addresses the intent and purposes of each of the Federal programs

whose funds were consolidated to support the SWP (ESSA Section 1114[a][3][C] and 34 CFR 200.29[d]).

If a school consolidates and uses funds from migrant education, Indian education, and special education in its SWP, the school must meet specific requirements of such programs (34 CFR 200.29[c]).

#### Use of Funds in SWP

A school operating a SWP:

is not required to identify particular children as eligible to participate (34 CFR 200.25[c][1]) or provide services that supplement, and do not supplant, the services participating children would otherwise receive if they were not participating in a Title I, Part A program (ESSA Section 1118[b][1]; 34 CFR 200.25[c][2]).

must use funds available under Title I, Part A only to supplement the total amount of funds that would, in the absence of the Federal funds, be made available from non-Federal sources for that school, including funds needed to provide services that are required by law for children with disabilities and children with limited English proficiency (34 CFR 200.25[d]).

may use Title I, Part A funds to establish or enhance prekindergarten programs for children below the age of 6, such as Even Start programs or Early Reading First programs (ESSA Section 1114[c]; 34 CFR 200.25[f]).

A secondary school operating a SWP may use Title I, Part A funds to operate dual or concurrent enrollment programs that address the needs of low-achieving secondary school students and those at risk of not meeting the challenging State academic standards (ESSA Section 1114[e]).

The SWP shall use funds available to supplement the amount of funds that would, in the absence of Title I, Part A funds, be made available from non-Federal sources for the school (ESSA Section 1114[a][2][B]). Additional information on authorized use of Title I, Part A funds may be located on the Title I, Part A Authorized Use of Funds web page.

#### SWP Waiver Criteria and Process

SWP waivers may be approved by the CDE if the local governing board approves such a request and if the school meets one or more of the following criteria:

=25 percent student low income;

Graduation rate is below state average;

Local governing board recommends that the SWP is the best way to serve the student population;

=30 percent English Learner student population;

School has been identified for comprehensive or targeted support; or

School has been identified as the lowest 5 percent of low performing schools.

Once the local governing board approves the waiver request, the school must then complete the following:

Conduct a Needs Assessment

Develop a SWP Plan

Obtain the local governing board approval of the SWP Plan

The LEA will indicate dates of the local governing board approval of the SWP status including the waiver in the Notification of Authorization of SWP report in the Consolidated Application Reporting System.

A school may begin to operate the SWP on the day the local governing board approved the SWP plan (ESSA Section 1114[b][1][B]).

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Under ESSA, schools are required to establish a school planning team, composed of representatives from all stakeholder groups: the principal, teachers, school site council (SSC), other staff who will carry out the plan, parents and community members, and (in secondary schools) students. The SSC may serve as the school planning team. A technical assistance provider must be identified to support the process, and a needs assessments must be conducted to inform the development of the plan.

For Meadow Green, the SSC is the planning team, and the SPSA was developed and approved after analyzing data and gathering input to determine areas of greatest need. The District Office is the technical assistance provider to support the site with the implementation of the plan.

# Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Surveys are completed yearly by staff, families, and students. This is completed on an annual basis. Overall, results indicate a high level of satisfaction with the educational program at Meadow Green. Over 90% of all stakeholders report that Meadow Green offers a rigorous educational program that prepares students for 21st century college and careers and that Meadow Green provides a safe and positive campus environment.

On the 2021 LCAP parent survey, the following % of respondents agree or strongly agree with the statements below:

- My student has been provided a consistent instructional program: 97%
- My student has been provided the necessary technology support: 99%
- School staff is welcoming and supportive- 97%
- School and district have provided consistent and informative updates-95%
- Staff provides a strong core academic program: 96%
- School routinely encourages students and parents to set high goals- 90%
- School provides information about student's academic performance-96%
- School provides academic support- 88%
- School offers opportunities for students to work above grade level if appropriate- 61% (31% responded don't know)
- School provides a balanced academic program-89%
- Expectations for behavior are high and students are encouraged to be responsible citizens- 98%
- School is safe, orderly, and well-disciplined-94%
- Student is happy to go to school-93%
- School rules are enforced consistently with all students- 87% (10% responded don't know)
- Staff provides a high level of service for student/family-94%
- Student receives accurate and timely feedback-90%
- School is friendly, pleasant, respectful, and welcoming- 98%
- Student is provided an appropriate level of academic challenge-94%
- Staff makes parents feel welcome and part of school- 96%
- I am aware of parent involvements opportunities (PTA, SSC, ELAC, ETC)- 96%
- I feel comfortable initiating discussion w/ school staff about concerns- 96%
- Principal treats staff, parents, and students w/ respect-96%
- Principal works collaboratively-90%
- Principal communicates clearly- 98%
- Principal assists w/ resolution of parent / student concerns- 86% (10% responded don't know)
- Principal follows through w/ commitments- 92%
- Principal maintains visibility and accessibility-97%
- Principal provides adequate and timely information-98%
- I have access to technology and emails from school- 99%

- Within its capabilities, school provides resources needed for strong educational environment- 95%
- Child has access to needed instructional materials-96%
- School is kept clean- 90%
- Child understands work in reading, math, science, and history- 85%

On the 2021 LCAP staff survey, the following % of respondents agree or strongly agree with the statements below:

- My school has been provided a consistent instructional program: 97%
- Students has been provided the necessary technology support: 97%
- School staff is welcoming and supportive- 100%
- School and district have provided consistent and informative updates- 90%
- Staff provides a strong core academic program: 97%
- School routinely encourages students and parents to set high goals- 96%
- School provides information about student's academic performance-100%
- School provides academic support- 74% (15% responded don't know)
- School offers opportunities for students to work above grade level if appropriate- 75% (22% responded don't know)
- School provides a balanced academic program-90% (7% responded don't know)
- Expectations for behavior are high and students are encouraged to be responsible citizens- 97%
- School is safe, orderly, and well-disciplined- 89%
- Student is happy to go to school-- 94%
- School rules are enforced consistently with all students- 86%
- Staff provides a high level of service for student/family- 96%
- Student receives accurate and timely feedback-75% (25% responded don't know)
- School is friendly, pleasant, respectful, and welcoming- 97%

- Principal maintains visibility and accessibility- 93%
- Principal provides adequate and timely information-90%
- Feel comfortable in understanding and implementation of CA CCSS- 93%
- Staff regularly reviews data to monitor and improve student progress- 79% (14% responded don't know)
- Meetings are productive, meaningful, and efficient- 65% (25% responded don't know)
- Within its capabilities, school provides resources needed for strong educational environment- 96%
- Students have access to needed instructional materials-96%
- School is kept clean-93%
- ELL students understand work in reading, math, science, and history-65% (35% responded don't know)

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Frequent classroom observations by the site administrator take place at Meadow Green Elementary in the form of informal walkthroughs. These informal walkthroughs take place on a daily basis and each classroom is visited at least once per week. In addition to these informal observations, probationary teachers have at least two formal observations and two formal evaluations each year. All tenured staff have at least two formal observations and one formal evaluation yearly if they have been employed by the district fewer than 10 years, and every other year thereafter.

Evaluations, both formal and informal, are a vital form of communication, the intent of which is to reinforce knowledge of school standards and expectations, to assist individual teachers to maintain effective teaching skills and subject matter knowledge, and to encourage further development in proficiency. The result is a dynamic teaching staff that provides a high quality instructional program for all students.

The opportunity for teachers to observe one another is also available to staff through coordination with the site administrator and is especially encouraged for new teaching staff. The superintendent and the assistant superintendent of instruction also visit the school site and walk through classrooms a few times each year. The Director of Special Education visits the special education program regularly, providing feedback to both staff and administration.

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## **Standards, Assessment, and Accountability**

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Meadow Green instructional programs are based on Common Core for grades TK-6. The school uses state and local assessments to measure students' growth. This data is used to guide instructional practices. Teachers in grades Kindergarten through six analyze District benchmark results and use this information to identify and target student needs. Students are assessed regularly through district benchmark tests and ongoing classroom assessments. Students not meeting district criteria are at-risk. At-risk students are targeted and specific interventions are established early in the school year. Benchmarks used for this assessment are District trimester tests as well as the Smarter Balanced test for grades 3-6. Students not meeting criteria on benchmark tests are targeted for intervention and are invited to attend supplemental education classes. Meadow Green also utilizes several computer-assisted programs which have provided valuable data for distance learning.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Student progress is tracked on the Illuminate Data System. Teachers use data from District benchmark assessments and classroom assignments to modify instruction as needed. Each teacher submits a formal modification plan based on the results of the District benchmark tests. Grades 3-6 also utilize CAASPP IAB interim assessments to gauge student progress toward grade level CCSS standards. Students also participate in DIBELS assessments 3 times per year to measure growth and progress. Data is also available from Reading Plus, Lexia, ST Math, and MobyMax regarding student academic needs and academic progress. This data has been particularly valuable with the need for distance learning.

## **Staffing and Professional Development**

Status of meeting requirements for highly qualified staff (ESEA)

100% of Meadow Green staff are highly qualified.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers at Meadow Green are credentialed and there is ongoing professional development and PLC meetings. 100% of teachers and students have daily access to adopted materials, which are approved by CDE and adopted by the LJSB Board of Trustees.

## Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Currently, staff development is focused on the implementation of Thinking Maps, Studies Weekly, A2I, and the implementation of technology to support teaching and learning. Other site practices with professional development include Reading Plus, Lexia, ST-Math, and PBIS. Several early release days are utilized throughout the year for staff PLC. The topic schedule for 2020/21 is as follows:

September 23- Using MobyMax to address learning gaps / Hybrid Learning Technology Zoom

October 7- Utilizing the new ST Math program webinar

Jan 6- Site PLC/ collaboration

Feb 24- Site PLC / collaboration

March 3- A2i & CAASPP preparedness resource collaboration

April 7- CAASPP administration training & A2i

May 5- End of year data analysis / reflection & A2i

In addition, district-wide instructional team planning and professional development is also provided. This includes two grade level collaboration days led by the Assistant Superintendent of Education Services and the Director of Curriculum and Instruction, as well as the following professional development:

August 13- Google Sites & Google Classroom for distance learning

October 12- Go Guardian & IPEVO camera technology integration for distance learning

April 10- Thinking Maps & Wellness

Meadow Green is also in process of training all staff in restorative practices through OCDE to support the PBIS program. These trainings are limited due to COVID and additional training will most likely need to take place during the 2021/22 school year. Several staff members are planning to participate in Responsive Classroom training during Summer 2021, to assist with the implementation of morning meetings and to embed SEL in classrooms.

A scope and sequence will be developed for 2021/22 upon the release of the early release calendar, and based on district and site initiatives and needs.

## Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Meadow Green currently has teachers working in the following roles: one intervention teacher, 3 part time STEAM coordinators, and 1 teacher on the district technology team. The school district provides access and support from three Teachers on Special Assignment (TOSAs). One teacher also serves as the intervention coordinator.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Each grade level team meets weekly to plan and implement a challenging and rigorous curriculum. In addition to planning together at the school site, they will meet in District wide grade level teams throughout the school year to plan and collaborate. Teachers also collaborate and plan during Music and PE time. Teachers are also provided release time throughout the year to collaborate and develop curriculum as a grade level at the school site and as district-wide grade level teams. Through our SPSA, teachers will be provided an additional release day to develop curriculum utilizing the new Thinking Map and Studies Weekly programs. For distance learning, time is also provided in the afternoons and on Wednesdays.

## Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

District-approved curriculum materials are utilized for core instruction, which are aligned to CCSS and approved by CDE. All core programs are adopted by the LJSB Board of Trustees.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

All classrooms meet or exceed the state guidelines for required instructional minutes for reading/language arts and mathematics.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Lesson pacing and master schedules are flexible and allow for sufficient intervention time. Ten minutes of each teaching period is devoted to a focus group for reteaching and reinforcing standards. The RSP program at Meadow Green works on a push-in model in the mornings and pull-out model in the afternoon. The RSP program assists in remediation and intervention of under performing students. Intervention is provided during the school-day with a credentialed teacher. ELD support is also provided to English Language Learners.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All students and classrooms have access to district-adopted core materials and programs. Meadow Green also provides many supplemental programs to promote academic achievement.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Meadow Green uses SBE-adopted, standards-aligned instructional and intervention materials.

## Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Lexia Core 5, Reading Plus, and ST Math are Common Core aligned programs that are available to all under-performing students in an effort to help them meet standards in ELA and Mathematics. In addition, teachers work with under-performing students in focus groups to reteach lessons and concepts when necessary. Intervention is also provided to tier III students in need of support in small groups three days per week. Before and after school intervention is offered to tier III students, as well.

Evidence-based educational practices to raise student achievement

Meadow Green teachers incorporate Explicit Direct Instruction in classrooms daily as a means to raise student achievement. In addition, GLAD and Thinking Maps support learning for all students in the classroom. PBIS, Restorative Practices, SEL, and PALs support a positive campus climate, which enhances academic achievement. Research based effective teaching strategies from publications such as "Classroom Instruction that Works" are utilized. Supplemental intervention programs include Lexa Core 5 and ST Math.

## Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

After-school intervention classes are offered to under-achieving students two days a week. Several computer programs are made available online to assist under-achieving students. These programs may be used at home to further assist under-achieving students. Multiple parent education nights have been held to assist and inform parents in the areas of ELA and mathematics. Meadow Green provides family education/engagement events throughout the year that focus on educationally beneficial topics, designed to assist all students and families, including those who may be under achieving.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

School Site Council, DLAC, annual surveys, LCAP meetings. A teacher sub committee also assists with recommendations for SPSA Goals/Strategies / Activities.

## Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Title I funds support school-wide achievement and provide tutoring and intervention to students not meeting grade level standards. Title I also funds supplemental programs, materials, supplies, and technology to support all students, including those under-achieving. After-school intervention classes for under-performing students are funded through the district's LCAP LCFF funds. Title II funds support staff professional development for teachers and Title III funds support EL learners through additional staff support for EL learners. For a complete list of services provided, refer to actions taken under school goals.

Fiscal support (EPC)

Title I, LCAP Supplemental Grant Funds, Title III funds, School Donation Funds, and PTA donations.

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

Meadow Green School Site Council nominations and elections were conducted in August 2020. The School Site Council, consisting of parents and staff met to review needs-assessment on September 14, 2020. As part of this process, previous goals were reviewed, data was analyzed, and new goals and actions for 2020/21 were proposed. SSC meets throughout the year to review progress for the SPSA goals, along with other important items, including the school safety plan and school accountability report card. SSC again examined needs assessment data available when adopting the plan and during SSCs throughout the year

SSC agendas and minutes are posted on the Meadow Green website. In addition, parents and staff provide yearly survey input, which is utilized when updating the SPSA. Input and discussion is also encouraged by families during the Title I information night in August, 2020 and during PTA meetings, which took place in August 2020,-May 2021. Staff member meetings were conducted throughout the year to gather information on the strengths and needs of programs at Meadow Green. SPSA and instructional focus are also an item on each staff meeting, which are conducted at least monthly throughout the year. Our staff utilizes the PLC model, which is research-based to engage in activities including data analysis, student work analysis, best lesson and unit designs, and connecting our programs and practices at Meadow Green to overall student achievement and progress toward college and career readiness.

Based on the needs assessment, SSC recommended to focus on goals in (1) campus climate, (2) student engagement/attendance, (3) academic excellence in ELA and Math. and (4) progress of ELL students. SSC voted to form an advisory committee of SSC members to assist the Principal with the development of goal targets and actions/services to support school-wide achievement in those goal areas. The sub advisory committee met on September 30, 2020 to review potential actions/services within the 2020/21 Title I budget allocation. SSC will convene in Fall of 2021 to amend the Title I budget if needed based on the allocation at that time.

Due to a realignment of the district LCAP timeline, LJSD schools are adopting 2021/22 SPSAs in Spring of 2021 in preparation for the 2021/22 school year. The MG SSC met and approved the 2021/22 SPSA plan on April 29, 2021 based on data reviewed previously in the year and updated data reviewed at that meeting.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Not applicable, no inequities were identified.

| <b>Total Enrollment</b>           | 521                | 525   | 506   |

### Conclusions based on this data:

1. Meadow Green enrollment continues to range between 500-550 students.
2. Meadow Green has seen an overall increase in enrollment throughout the past 5 years. There is strong interest in our program from families/students located outside of our attendance boundaries.
3. Significant subgroups at Meadow Green are Hispanic/Latino, White, and Asian. The percentage of students in the Asian subgroup has grown over the past three years.

### Conclusions based on this data:

1. The Meadow Green English Learner population has ranged from 5% to 7% throughout the past three school years. Although the percentage of English Language Learners based on students reclassifying as Fluent English Proficient is still being calculated it will remain similar in 2020/21.
2. English Learners at Meadow Green require targeted strategies to support acquisition of academic English skills in reading, writing, listening, and speaking.
3. To support a continued trend of students achieving RFEP status, classroom teachers and ELD instructional assistants will continue to provide Meadow Green English Language Learners with targeted instruction based on ELPAC data, which is provided in the beginning of the school year from the LJSJ Illuminate system.

**Conclusions based on this data:**

- Overall, on ELA CAASPP assessments, the the percentage of students meeting of exceeding standards has remained consistent over the past three years, ranging between 74.1% and 72.4%. These data are above the CA state, Los Angeles County, and Orange County overall averages. These data indicate that Meadow Green has continued to produce students who are college and career ready in ELA.
- Meadow Green students demonstrated a 1% point improvement in listening standards from the 2017/18 to 2018/19 CAASPP assessments. Meadow Green teachers will continue to utilize EDI strategies in classrooms, which encourage active student participation and frequent opportunities for student academic discourse in Meadow Green classrooms.
- In reading and writing claim areas, Meadow Green students continue to exhibit about a 90% rate at, near, or above standard. Meadow Green will continue to employ practices and programs, including EDI, Journeys/StudySync, Lexia, Reading Plus, Thinking Maps, and GLAD to support high level achievement by all students in reading and writing.

**Conclusions based on this data:**

1. Overall, on Math CAASPP assessments, the the percentage of students meeting of exceeding standards has ranged over the past three years between 60.57.1% and 68.5%. These data are above the CA state, Los Angeles County, and Orange County overall averages. These data indicate that Meadow Green has continued to produce students who are college and career ready in Math.
2. Meadow Green students demonstrated a 3% point growth in communicating reasoning standards from the 2017/18 to 2017/18 CAASPP assessments. Meadow Green classrooms will emphasize written and verbal communication and justification of mathematical conclusions, which targets student growth in this area.
3. Throughout the past three years, concepts and procedures has remained the lowest claim area at Meadow Green. Meadow Green staff will participation in professional development on the ST-Math program, with an emphasis on utilizing program data to target student needs and connecting what students do in ST Math to our CORE Go Math curriculum.

**Conclusions based on this data:**

- Overall, all Meadow Green students are performing at Level 3 or above in the ELPAC assessment, with level 4 being the achievement criteria with the greatest number of students.

2. Oral language, listening, and speaking domains are the highest performing sub test areas, with over 60% of LEP students performing at level 4. Meadow Green teachers will continue to utilize active engagement strategies in the classroom to encourage student academic discourse.
3. Writing is the lowest sub test area, with 39% of LEP students performing at level 4. Meadow Green teachers will utilize the Journeys program to practice writing daily, with scaffolded support for LEP and other struggling students, based on student needs in the classroom.

Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides information about the school's student population.

- All subgroups are green or better in performance.
- Reclassified English Learner students performed in the "high range." Meadow Green did not have enough English Learners students take the assessments (less than 10) to receive valid or reliable data. English only students performed in the very high range. Meadow Green will work toward an annual goal of continuing this strong achievement in ELA.

### 2019 Fall Dashboard Suspension Rate by Race/Ethnicity

This section provides a view of the percentage of students who were suspended.

### 2019 Fall Dashboard Suspension Rate by Year

| 2017 | 2018 | 2019 |
|------|------|------|
| 1.3  | 0.8  | 0.7  |

**Conclusions based on this data:**

1. Overall, suspensions remain well below the district, local county, and state level.
2. A green overall rating was achieved.
3. All significant subgroups are at green or better. The suspension rate dropped for students with disabilities in the past year.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

School Climate and Culture.

## LEA/LCAP Goal

Safe, Orderly, Positive, Respectful Learning Environments: All campuses provide an aesthetic, orderly environment that is organized to ensure learning. We believe in a collaborative spirit of place where all feel safe, welcomed, valued, and respected. We foster a culture that promotes the emotional health, safety, well-being and involvement of students, staff, family and community.

## Goal 1

By June 2022, Meadow Green will maintain a positive and safe campus climate and culture, as measured by the annual California School Dashboard Indicator, parent survey data, ODR PBIS data, and annual suspension date.

## Identified Need

State priority area, identified through CDE and CA School Dashboard. Numerous research studies have proven the link between school climate and student outcomes.

## Annual Measurable Outcomes

## Annual Review

### SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Meadow Green implements numerous strategies, actions, and programs to meet this goal. PBIS, restorative practices, SEL, and character education all contribute to our campus climate. Our continued goal is to maintain a green or better rating in the CDE established criteria for school climate. Some strategies were not be feasible to implement during distance learning and/or in-person hybrid, depending on health department guidance, and the school did implement to the greatest extent possible. Based on data available, strategies / activities were successful in supporting the goal.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Strategies / activities were adapted where possible to fit distance and hybrid learning model in 2020/21.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

A CA School Dashboard rating may be unavailable for the 2020/21 school year. Upon return in the Fall, SSC will consider whether additional metrics are required in this area.

## Goal Subject

Student and Family Engagement- Attendance

## LEA/LCAP Goal

SCHOOL/ FAMILY/ COMMUNITY PARTNERSHIPS & COMMUNICATION Vision: High quality student learning is supported by partnerships. We believe these partnerships are enhanced through effective communication and collaboration. We establish a culture which encourages positive relationships among our students, staff, and families as well as educational, business, and community partners. We believe these partnerships and communication must be nurtured to optimize opportunities for learning and personal growth for students.

## Goal 2

By June 2022, Meadow Green will maintain a high level of students and family engagement as measured by our cumulative average daily attendance rate and rate of chronic absenteeism. .

## Identified Need

Numerous research studies have proven the link between school attendance engagement and student outcomes. This is also a state and LJSJ priority area.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Academic Excellence in English Language Arts and Mathematics

## LEA/LCAP Goal

Academic Excellence - Learning for All Students. Every student experiences educational success at the highest levels of achievement. We believe that each student has a unique ability to learn in an environment that is enriched with a challenging curriculum, where learning is modeled and expectations are both known and high. We expect all students to demonstrate continued and improved academic achievement, through Collaboration, Communication, Critical thinking, and Creativity, to be college and career ready, and to become lifelong learners.

## Goal 3

By June 2022, Meadow Green students will continue to demonstrate a high level of achievement and growth toward achievement of college and careers readiness in both English Language Arts (ELA) and Math on annual CAASPP Smarter Balanced assessments, including any significant subgroups performing below "green" status, as measured by annual California School Dashboard reports, as well as school level assessment data, as listed below under the metric/indicator section.

## Identified Need

California has adopted and implemented the Common Core State Standards (CCSS) in order to prepare students for college and career readiness. Meadow Green has thrived implementing these standards and will continue to strive to support students who attend Meadow Green with demonstrating exemplary achievement in these rigorous standards. It is vital that we continue to produce students who are well-prepared for college and careers, and further levels of schooling and training.

# Annual Review

## SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Meadow Green implements numerous strategies, actions, and programs to meet this goal. Tiered intervention, effective classroom instruction, a laser focus on academics, before and after school tutoring, computer-adaptive programs, professional development, and collaboration all contributed to the success of this goal. Overall, we met our goal and all benchmarks. Some strategies were not be feasible to implement during distance learning and/or in-person hybrid, depending on health department guidance, and the school did implement to the greatest extent possible. Based on data available, strategies / activities were successful in supporting the goal.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Strategies / activities were adapted where possible to fit distance and hybrid learning model.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

A CA School Dashboard rating may be unavailable for the 2020/21 school year. Upon return in the Fall, SSC will consider whether additional metrics are required in this area.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

English Language Development- ELD

## LEA/LCAP Goal

Academic Excellence - Learning for All Students

Every student experiences educational success at the highest levels of achievement. We believe that each student has a unique ability to learn in an environment that is enriched with a challenging curriculum, where learning is modeled and expectations are both known and high. We expect all students to demonstrate continued and improved academic achievement, through Collaboration, Communication, Critical thinking, and Creativity, to be college and career ready, and to become lifelong learners.

## Goal 4

By June 2022, English Language Learners will demonstrate growth in achievement in students meeting or exceeding college and career readiness standards in English Language Arts, as Measured by annual, ELPAC, reclassification rate, and CAASPP results.

## Identified Need

The achievement of English Learners continue to be a priority in Lowell Joint and at Meadow Green. English Learners students are at-risk of low academic achievement.

## Annual Measurable Outcomes

| Metric/Indicator   | Baseline/Actual Outcome | Expected Outcome |
|--|-------------------------|------------------|
| Percentage of English Language Learner students meeting or exceeding standards on ELA CAASPP assessment. | 38%                     | 48%              |
| Percentage of Students scoring level 3 or 4 on annual ELPAC assessments.                                 | 87.2%                   | 90%              |
| Percentage of students meeting the criteria for RFEP   | 25%                     | 35%              |

## **Annual Review**

### **SPSA Year Reviewed: 2020-21**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

### **ANALYSIS**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Meadow Green implements numerous strategies, actions, and programs to meet this goal. Please see goal #3, academic excellence for strategies and activities that contribute to academic achievement. In addition to those, we provide specific ELD support to English Learners, which are outlined in this goal area. Overall, we met our goal and all benchmarks. Some strategies may not be feasible to implement during distance distance learning and/or in-person hybrid, depending on health department guidance, and the school will implement to the greatest extent possible.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Strategies / activities were adapted where possible to fit distance and hybrid learning model.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

A CA School Dashboard rating may be unavailable for the 2020/21 school year. Upon drafting the SPSA for 2020/21, SSC will consider whether additional metrics are required in this area.

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

**Committee or Advisory Group Name**

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 04/29/2021.

Attested:

Principal, Matt Cukro on 4/29/2021

SSC Chairperson, Michelle Van der Lee on 04/29/2021

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

## **Purpose and Description**

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

### **Purpose**

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### **Description**

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

## **Stakeholder Involvement**

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

*[This section meets the requirements for TSI and ATSI.]*

*[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]*

## **Resource Inequities**

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

*[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]*

# Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

## Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

*[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]*

## Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

*[Completing this section fully addresses all relevant federal planning requirements]*

## Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

*[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]*

*[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]*

## Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

*[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]*

*[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]*

## **Students to be Served by this Strategy/Activity**

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

*[This section meets the requirements for CSI.]*

*[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]*

## **Proposed Expenditures for this Strategy/Activity**

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

*[This section meets the requirements for CSI, TSI, and ATSI.]*

*[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

## **Annual Review**

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

*[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]*

## Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

*From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.*

## Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

*[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

# Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

### Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
  - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
    1. The comprehensive needs assessment of the entire school shall:
      - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
      - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
        - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
        - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
        - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
        - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
        - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
  - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

### Requirements for the Plan

- II. The SPSA shall include the following:
  - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
    - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
    - b. use methods and instructional strategies that:
      - i. strengthen the academic program in the school,
      - ii. increase the amount and quality of learning time, and
      - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
    - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
      - i. strategies to improve students' skills outside the academic subject areas;
      - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
      - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
      - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
      - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
  2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
  3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
  - 1. Ensure that those students' difficulties are identified on a timely basis; and
  - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

## Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

### Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

### Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

## **Additional Targeted Support and Improvement**

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## **Single School Districts and Charter Schools Identified for School Improvement**

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The staff at Olita Elementary School is working to meet all ESSA requirements by using the District adopted, state approved curriculum to meet the needs of all students. Our struggling readers in grades Kindergarten through third grade are receiving intensive foundational reading skills by attending daily sessions with our Leveled Literacy Intervention teacher. All students' needs are being met through our during-school enrichment/intervention sessions focusing on English Language Arts skills. These sessions occur twice weekly and progress monitoring allows for regrouping periodically throughout the year as needed. All subgroups are identified and monitored throughout this process.

# Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Parents, students, and teachers will be given an opportunity during the 2021-2022 school year to complete a formal needs assessment. The survey includes topics such as academics, school climate and overall operations of the school.

The results will provide feedback about areas of concern that may need attention for improvement. The survey from last year showed that parents were overall pleased with how our school provides for their children. The only area of concern is communication about their child's progress which has been addressed with all teachers. Almost all teachers use Class Dojo as a form to communicate with parents. We continue to send fliers, make phone calls, and reach out to our parents.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Observations in the form of informal walkthroughs by the site administrator take place at Olita at least once per week in each classroom. Classroom instruction is also monitored by the formal evaluation process. During these informal and formal observations there is evidence that teachers are meeting the needs of all students using district approved materials and effective teaching strategies.

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

This year our students in grades 3-6 will complete trimester benchmarks using the Smarter Balance IABs. The IABs are aligned with the SBAC and will give accurate data that reflects student achievement. TK-2 students are using other benchmarks for teachers to monitor progress and adjust instruction, including A2i assessments and district benchmarks.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

The teachers at Olita School use end of chapter tests and end of unit tests in order to modify instruction based on data collected. Students are also given monthly assessments using the STAR Reading Program to monitor comprehension. In primary grades DIBELS progress monitoring is ongoing monthly with trimester assessments and A2i assessments are used to determine levels of support needed by our primary students. ST Math is used by all Kindergarten through 5th grade students. Math skills, along with fluency are practiced throughout the year using ST Math and Khan Academy.

## Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

All classroom teachers are highly qualified and meet the requirements for ESEA.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers are provided professional development throughout the year. We have been focusing on our writing program through Write From the Beginning and Thinking Maps. We have also adopted Studies Weekly (K-5th) and Discovery (6th) for History/Social Sciences.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

The teachers attend professional development training which includes Thinking Maps, Write From the Beginning, technology usage, and curriculum training.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Our Kindergarten through second grade teachers are working with instructional coaches through A2i (Assessment to Intervention). They are working to build decoding and fluency skills and meet with the coach several times throughout the year to monitor progress. The district also has 3 TOSAs to support teachers on a regular basis in addition to district provided professional development.

Teacher collaboration by grade level (kindergarten through grade eight [K-8]) and department (grades nine through twelve) (EPC)

Our teachers work with their grade level teams every Wednesday to plan and review for upcoming lessons. They also get together several times a year to work together district-wide for planning and professional development.

## Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Our teachers collaborate weekly to plan curriculum that meets the grade level standards in all subject areas. Best practices are discussed through data comparisons and reflecting on teaching strategies.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

All teachers are informed of instructional minutes in which they use to plan daily instruction in order to meet the needs of all students. Minutes are above state requirements.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Teachers create a weekly schedule that maps out when each subject is taught and for how many minutes each day. The during school intervention sessions are included in these schedules.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All students have access to every textbook and all instructional materials for their grade level.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All students are using district adopted (State approved) instructional materials for all levels of instruction.

## Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Almost all teachers are GLAD, EDI, and Thinking Map trained. The teachers use different scaffolding strategies to reach all students, including underperforming students. We are working to provide training to all teachers who need GLAD, EDI, and/or Thinking Maps.

Evidence-based educational practices to raise student achievement

We continue to seek evidence-based practices in order to help students achieve. These practices include, but are not limited to : EDI, GLAD, and Thinking Maps.

## Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Our curriculum director and assistant superintendent provide support throughout the year to provide strategies for working with under-achieving students through our Intervention Coordinator on site. The Intervention Coordinator meets 1:1 with all underperforming students (identified from SBAC scores) in order to set SMART goals for the year. The intervention Coordinator and classroom teachers work with the students to make sure they are on target to meet the goals.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

We have a strong base of parent volunteers who come to school and work with our struggling students. Parents help students memorize math facts, learn Fry words, and any other skills needed. We also partner with the local high school seniors as part of service learning. The high school seniors come to school twice a month to help support student learning.

## Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

We are funded schoolwide for Title 1. All students have access to any program or materials purchased with Title 1 funds. Our LLI reading program is funded through Title 1. We are also using funds from our Low Performing Block Grant. All underperforming students will meet with our Intervention Coordinator to make goals and discuss

## Fiscal support (EPC)

In addition to Title I monies Olita receives a Site Allocation from LCFF in addition to STEAM monies and other supplemental LCFF dollars to support students.

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

The planning process for this year's SPSA began early this year as we were unable to meet last spring due to COVID-19. Since the start of school, the teachers have discussed several ways to support our students during distance learning. While many topics were discussed, our actual goals will be very similar to last year's goals. Our students did not take any formal assessment through CAASPP due to the school closures. Our School Site Council will meet virtually to discuss plans and goals for this year. School Site Council meeting is scheduled for May 21, 2021 to approve this year's goals. The next meetings for School Site Council are scheduled for December 2, 2021, March 10, 2022 and May 12, 2022.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

As part of the Comprehensive Needs Assessment a large portion of our students did not have access to before and after school intervention. To make sure that all students have access we implemented during the school day intervention sessions to meet the needs of all students.

### Conclusions based on this data:

1. Based on this data, our Asian population has increased by 4 students. Our Hispanic population decreased by 9 students.
2. Our African-American population decreased by 3 students along with our White students dropping by 8 students.
3. Based on the data, our student enrollment continues to decline, From last year we declined by 14 students.

**Conclusions based on this data:**

1. Due to the Covid-19 pandemic, our students did not participate in the CAASPP testing in the spring of 2020.
2. We will assess our students in August to determine intervention and academic needs. Our program will be designed to help all students from intense intervention to enrichment and beyond.
3. When our results from the 20/21 SBAC tests are released, we will consider that data as we assess for current levels in the fall.

**Conclusions based on this data:**

1. Due to the Covid-19 pandemic, our students did not participate in the CAASPP testing in the spring of '20.
2. We will assess our students in August '21 to determine student needs and implement an intervention program to meet these needs.
3. We will analyze our data from the modified SBAC testing that our students completed in May '21 in August '21.

## Student Population

Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides information about the school's student population.

| 2019-20 Student Population |                                 |                  |              |

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

### Conclusions based on this data:

1. The data supports that the area of Conditions and Climate/Suspension Rate will need support in order to improve. Student behavior expectations will be posted in areas around the campus for visual reminders.
2. Due to the Covid-19 pandemic, we do not have current data. When this information is updated, we will analyze and make a plan for improvement if needed.

2. We will plan and implement an intervention/enrichment program based on our results from the SBAC data.
3. The Hispanic population will need focused attention with intervention strategies to improve English language skills.

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

### 2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

### 2019 Fall Dashboard Student English Language Acquisition Results

English Language Arts

## LEA/LCAP Goal

Academic Excellence - Learning for All Students

Every student experiences educational success at the highest levels of achievement. We believe that each student has a unique ability to learn in an environment that is enriched with a challenging curriculum, where learning is modeled and expectations are both known and high. We expect all students to demonstrate continued and improved academic achievement, through Collaboration, Communication, Critical thinking, and Creativity, to be college and career ready, and to become lifelong learners.

## Goal 1

By August 2022, the percentage of 3rd to 6th grade students will improve in Writing as measured by the SBAC scores.

## Annual Review

SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

All teachers at Olita implemented the district adopted English Language Arts curriculum with fidelity. We implemented before school interventions and during the school day leveled interventions in order to meet the needs of all students. The teachers continued to receive training with Thinking Maps and how they promoted reading comprehension and higher level thinking skills. Our most struggling readers in grades kindergarten through 3rd grade received daily intensive lessons with our Leveled Literacy Intervention.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The majority of our implementation plans remained the same, however as we further developed our training with Thinking Maps, our teachers continued to learn effective strategies to improve student achievement. Due to COVID-19, schools were closed mid-March and regular instruction could not be performed in person. All strategies and actions were completed up until March 13, 2020 when schools switched to distance learning.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Because State Assessments were modified in length, we will also need to look at current needs. Our students did receive online instruction and every effort was made to keep our students learning on pace through the remainder of the school year. We know there will be gaps and more review will need to take place at the start of the 21-22 school year.

## LEA/LCAP Goal

Academic Excellence - Learning for All Students

Every student experiences educational success at the highest levels of achievement. We believe that each student has a unique ability to learn in an environment that is enriched with a challenging curriculum, where learning is modeled and expectations are both known and high. We expect all students to demonstrate continued and improved academic achievement, through Collaboration, Communication, Critical thinking, and Creativity, to be college and career ready, and to become lifelong learners.

**SPSA Year Reviewed: 2020-21**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

**ANALYSIS**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The strategies and activities used included all intervention classes, progress monitoring in using DIBELS and using strategies effectively from GLAD training. Our English Learners will continue to be monitored throughout the year for progress.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There were little differences in the budgeted expenditures needed to implement the strategies and activities. Due to COVID-19, our students were on a modified schedule while on a hybrid model. Our DIBELS monitoring could not take place and therefore, the budgeted money for substitute teachers was not spent. The budget will also reflect the money that would have been spent on before school intervention classes.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Due to COVID-19, the SBAC testing was performed using a modified protocol. In the fall of 2021, we will need to assess our students to see where extra support will be needed.

## Annual Review

### SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

### ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

All of our English learners and Socioeconomically Disadvantaged students that needed support with math skills were identified. Extra support was given during the school day via Zoom or in person by the classroom teachers.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Our budget did not change as all intervention was completed during the school day. Due to COVID-19, our extra support was offered through Zoom meetings or while they were on campus during the spring in a hybrid format provided by teachers. Students were all offered times where they could meet with the teacher online and get more focused instruction with math skills.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will continue to focus on the identified students in the fall of 2021 to provide support to improve math skills. Because the SBAC was modified this year, we will need to assess every student to find the areas that will need intensive support to help all students achieve.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Chronic Absenteeism

## LEA/LCAP Goal

All campuses provide an aesthetic, orderly environment that is organized to ensure learning. We believe in a collaborative spirit of place where all feel safe, welcomed, valued, and respected. We foster a culture that promotes the emotional health, safety, well-being and involvement of students, staff, family and community.

## Goal 4

Our Hispanic and Socioeconomically Disadvantaged students will improve their school attendance percentage in order to move from Orange to Yellow as measured on the Dashboard.

## Identified Need

These two student groups are both below the percentages in comparison to "All Students", so additional supports need to be identified.

## Annual Measurable Outcomes

**ANALYSIS**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Our attendance percentage did go down at the start of 2020, as we saw many students with fevers and illness. Because of COVID-19, we have become more aware of how important frequent hand washing and hygiene can in helping to deter the spread of germs.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

All of the strategies were implemented through May 2021. There was no change to the budget expenditures as all activities did not cost anything to implement.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will continue to implement the activities and monitor attendance through monthly percentages. Students will be coming back to school on a regular school schedule. We will continue to follow attendance protocols and monitor for chronic absenteeism.

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

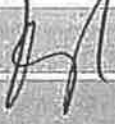

**Committee or Advisory Group Name**

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 24, 2021.

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

## **Purpose and Description**

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

### **Purpose**

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### **Description**

Briefly describe the school’s plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

## **Stakeholder Involvement**

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

*[This section meets the requirements for TSI and ATSI.]*

*[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]*

## **Resource Inequities**

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

*[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]*

# Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

## Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the "Goal #" for ease of reference.

*[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]*

## Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

*[Completing this section fully addresses all relevant federal planning requirements]*

## Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

*[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school's identification.]*

*[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school's identification.]*

## Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the "Strategy/Activity #" for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency's budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

*[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]*

*[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]*

## **Students to be Served by this Strategy/Activity**

Indicate in this box which students will benefit from the strategies/activities by indicating "All Students" or listing one or more specific student group(s) to be served.

*[This section meets the requirements for CSI.]*

*[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]*

## **Proposed Expenditures for this Strategy/Activity**

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.

*[This section meets the requirements for CSI, TSI, and ATSI.]*

*[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

## **Annual Review**

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

*[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]*

## Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

*From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.*

## Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

*[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

# Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

### Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
  - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
    1. The comprehensive needs assessment of the entire school shall:
      - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
      - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
        - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
        - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
        - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
        - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
        - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
    - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

### Requirements for the Plan

- II. The SPSA shall include the following:
  - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
    - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
    - b. use methods and instructional strategies that:
      - i. strengthen the academic program in the school,
      - ii. increase the amount and quality of learning time, and
      - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
    - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
      - i. strategies to improve students' skills outside the academic subject areas;
      - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
      - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
      - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
      - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
  2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
  3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
  - 1. Ensure that those students' difficulties are identified on a timely basis; and
  - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

## Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

### Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

### Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

## **Additional Targeted Support and Improvement**

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## **Single School Districts and Charter Schools Identified for School Improvement**

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

# Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Teachers, support staff, and parents spend time providing input on the needs of Rancho-Starbuck Intermediate School. An LCAP parent survey in the spring of 2021 generated responses and provided input into action steps for Rancho-Starbuck. The Rancho staff is pleased with the results of the parent survey. Out of 37 questions, nineteen of those resulted in answers above 90% of parents responding agree or strongly agree. Of the remaining 20 questions, the answer 'Don't Know' was the reason for a score less than 90%. The pandemic year had an effect on answers in those categories resulting in parents not having evidence that could help them answer the questions. We are very pleased to see the high percentages in many categories. For those questions under 90% that are relevant to this year's circumstances, there are several items to note. 24.9% of respondents did not know if students had the opportunity to work above grade level. 5.3% of parents disagree that students are provided an appropriate level of challenging coursework. 11.1% of parents did not know if the school provides intervention and academic support. 6.2% of parents did not feel that they receive timely feedback of assignments/homework. Again, some of those responses are a result of this unusual year. Along with the parent survey, the staff also responded. I am very pleased to record that 13 questions have a 100% response of agree or strongly agree. Of the other 23 questions, only 4 were below 90%. Two of those questions involved EL students, their understanding of material and staff understanding criteria of EL placement for students. One question under 90% related to opportunities to work above grade level. 86.6% of staff felt there were opportunities for students to work above grade level and 13.3% did not know. The other question under 90% agreement related to discipline being enforced consistently among all students. It is not clear whether that relates to all staff following the discipline plan or to those referred to the office for additional discipline. 86.7% agreed to rules being enforced consistently and 8.9% disagreed. The staff results showed a positive agreement for the current direction of Rancho-Starbuck. The data from these surveys will help direct the path for Rancho-Starbuck for the 2022 school year.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Frequent observations by the site administrators take place at Rancho-Starbuck. Informal observations take place throughout the school year. Formal observations of probationary teachers takes place on a regular basis. Each probationary teacher has three informal observations and two formal evaluations each year. Tenured teachers have a formal observation every third year after ten years. Each teacher has feedback regarding lessons taught and there is regular communication between the administration and the teaching staff. Staff members have the opportunity to observe

other teachers in their field and they are encouraged to do so. Informal walk throughs by the site administrators confirm the excellent job being done in the classroom by the teachers at Rancho-Starbuck.

## **Analysis of Current Instructional Program**

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## **Standards, Assessment, and Accountability**

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Local benchmarks and state data is used to assess and monitor student progress. Data is continually reviewed and adjusted.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Data is used to place students in intervention classes and special programs.

## **Staffing and Professional Development**

Status of meeting requirements for highly qualified staff (ESEA)

All teachers at Rancho are highly qualified.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Teachers are trained on all adopted materials used on campus.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Through Professional Learning Communities, staff reviews materials and plans benchmarks that are aligned to standards.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Instructional coaches that assist teachers in strategies for instruction are in place to offer on-going assistance to teachers.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Rancho-Starbuck is a Professional Learning Community that allows teacher time within the school day for planning and collaboration.

## Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

All curriculum is aligned to state standards. Pacing and planning is done with standards in mind at all times.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Rancho-Starbuck is within the allotted time for instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The Rancho-Starbuck master schedule has been planned to allow for the maximum of intervention time throughout the school day that we call our Flex program.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All materials are available to students.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Rancho-Starbuck uses state adopted and aligned materials. Each student has access to these materials.

## Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

EL aide services, Special Ed Services, 504 plans, and interventions before and after school all help students succeed Math intervention and reading intervention courses are provided.

Evidence-based educational practices to raise student achievement

Explicit Direction Instruction, Project Based Learning, Math intervention, Read 180, Computer Science courses and ELL programs all are research based strategies used for student achievement. More strategies are listed in the plan.

## Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Rancho-Starbuck has a multitude of interventions for at-risk students including but not limited to school counseling services, before and after school interventions, interventions during the school day and special classes for at-risk students.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

School Site Council and DELAC evaluates the Con APP programs; however, Rancho Starbuck is not a Title I school.

## Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Computer-based program for ELD students is funded through Title III

## Fiscal support (EPC)

Fiscal support is provided for programs on campus through District support and through site budget

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

All stakeholders are involved in the process of creating the Single School Plan. Surveys for parents, students and teachers place a priority on needed areas based on survey results. The administrative team and the staff together analyze student data. During PLC meetings, departments create success goals based on data. Those goals are then presented to the staff and the members of the staff collaborate on the goals to include in the plan. Once the plan is created, the final adjustments are made by the Principal and the Leadership team. The plan is then presented to the School Site Council for review. After input from the School Site Council, the plan is presented to the Board of Trustees.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

None are noted.

| <b>Total Enrollment</b>           | 746                | 805   | 817   |

Conclusions based on this data:

1. As a school community, Rancho-Starbuck needs to be aware of the cultural needs of our Hispanic population. Rancho-Starbuck will need to address the ethnic backgrounds of those we serve.

**Conclusions based on this data:**

1. Current data is not available due to lack of state testing in 2020. Prior to 2020, the Reading claim had the highest percentage of students below standard in both 7th and 8th grade. 8th grade dipped slightly below 7th grade in the percentage of students above or near standard, this will be an area of focus.
2. Current data is not available due to lack of state testing in 2020. Prior to 2020, Listening had 85.2% of students scoring above or at or near standard. That is the highest scoring claim area and one we focused on which helped us conclude our strategies worked.
3. Current data is not available due to lack of state testing in 2020. Prior to 2020, overall in the ELA claim areas, we continued to see strength in the claim areas of Research/Inquiry and Listening and Speaking with the highest percentage of students in the above or near standard band. Based on this data we continued practices in place in these areas.

### Conclusions based on this data:

1. Based on 2019 data, student groups in orange in ELA were English Learners and Students with Disabilities. Targeted interventions were addressed to help those student groups grow. Hispanic students and SED students were in the green level and white students are in the blue level in ELA. Current data sources are not available for 2020 but will be reviewed again once up to date data is available.
2. Based on 2019 data, RFEP students, needed to be a focus in ELA as they are 40.2 points below level 3. Current data sources are not available for 2020 but will be reviewed again once up to date data is available.
3. Based on 2019 data, Students with Disabilities were in the red performance area for Math. RFEP-students who scored 78.3 points below level 3 in Math needed to be a focus. Current data sources are not available for 2020 but will be reviewed again once up to date data is available.

#### Conclusions based on this data:

- Based on 2019 data, Rancho-Starbuck English Language Learners are making progress in language acquisition but are not showing progress in developing skills in claim areas of Language Arts. School wide focus will need to be explored to help students in this group with data showing English Learners 39.9% below standard. Current data sources are not available for 2020 but will be reviewed again once up to date data is available.
- Based on 2019 data, Students with Disabilities are performing at the lowest level in the orange performance level. Strategies will need to be explored to help students grow. Current data shows Students with Disabilities 77.5 points below standard. Current data sources are not available for 2020 but will be reviewed again once up to date data is available.
- Based on 2019 data, SED and Hispanic subgroups score in the green level and White students in the blue level. Current data sources are not available for 2020 but will be reviewed again once up to date data is available.

**Conclusions based on this data:**

1. According to the data from 2019, Rancho-Starbuck's absent rate declined by 1.2%. Overall we are pleased to be in the green level. 3.9% of students were chronically absent. White subgroup was in blue level. Current data sources are not available for 2020 but will be reviewed again once up to date data is available.
2. In 2019, Students with Disabilities was the only subgroup in the orange; thus, Rancho-Starbuck will place an emphasis on making sure we encourage attendance of our Students with Disabilities. Current data sources are not available for 2020 but will be reviewed again once up to date data is available.

# School and Student Performance Data

## Conditions & Climate Suspension Rate

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

**Conclusions based on this data:**

1. Socioeconomically Disadvantaged, Hispanic and White students comprised the group in the orange level on the suspension report in 2019. Rancho will continue to explore alternate ways to provide necessary interventions for students in lieu of suspension. Current data sources are not available for 2020 but will be reviewed again once up to date data is available.
2. Based on 2019 data, Students with Disabilities were in the red level. Rancho will continue to explore alternate ways to provide necessary interventions for students in lieu of suspension. Current data sources are not available for 2020 but will be reviewed again once up to date data is available.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

ELA/Math

## LEA/LCAP Goal

Academic Excellence - Learning for All Students

Every student experiences educational success at the highest levels of achievement. We believe that each student has a unique ability to learn in an environment that is enriched with a challenging curriculum, where learning is modeled and expectations are both known and high. We expect all students to demonstrate continued and improved academic achievement, through Collaboration, Communication, Critical thinking, and Creativity, to be college and career ready, and to become lifelong learners.

## Goal 1

By next reporting time, all students in the English Learner subgroup will demonstrate growth in ELA and Math by an increase in 10 points toward level 3 as measured by their performance on the California Assessment of Student Performance and Progress (CAASPP).

## Identified Need

English Language Learners scored well below their peers on the last available state test.

## Annual Measurable Outcomes

| Metric/Indicator           | Baseline/Actual Outcome   | Expected Outcome  |
|----------------------------|---|---|
| ELA/CA Dashboard SBAC Data | Students in the English Learner subgroup perform significantly lower than their peers. In ELA and Math there is a 50% gap. Only 8th grade ELA showed a slight increase. | All English Language Learner students will move by a scale score of 10 toward level 3 in ELA and Math.              |
| Benchmark test results     | 2021 results on formative and summative assessments.  | Targeted instruction will be tracked by current data related to skill progress with an outcome of growth on skills. |

## Annual Review

### SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Due to distance learning and hybrid instruction during 2020-2021, implementation of strategies was not completed. When traditional instruction continues on campus, Flex time will be used to increase support offered to ELD students. READ 180 continues to support ELL students in an ELD class setting.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

A budgeted expense for teachers to attend conferences on IAB implementation and MTSS were not used nor was a school-wide use of academic language addressed this year due to the change in instruction during distance learning and hybrid instruction.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The goals will change based on formative assessments to determine gap areas due to distance learning and as determined by our ability to teach in-person in a traditional schedule that is not hybrid or distance learning.

We expect all students to demonstrate continued and improved academic achievement, through Collaboration, Communication, Critical thinking, and Creativity, to be college and career ready, and to become lifelong learners.

## Goal 2

Students with Disabilities will demonstrate growth in ELA and Math as measured by results on the California Assessment of Student Performance and Progress (CAASPP).

## Identified Need

Students with Disabilities increased their scores overall in 2019. However, we still saw a gap of 42%-52% in both ELA and Math which will again be reviewed based on current data.

## Annual Measurable Outcomes

| Metric/Indicator       | Baseline/Actual Outcome  | Expected Outcome  |
|------------------------|--|---|
| CAASPP results in Math | Students with Disabilities were 42% below peers in 7th grade Math and 52% behind their peers in 8th grade Math.          | All Students with Disabilities will improve by an increase of 10 points toward level 3 in Math.                     |
| CAASPP results in ELA  | Students with Disabilities placed 41% lower than their peers in 7th grade ELA and 50% lower than 8th grade peers in ELA. | All Students with Disabilities will improve by an increase of 10 points toward level 3 in ELA.                      |

### ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Due to distance learning and hybrid instructional model during 2020-2021, implementation of strategies was not completed. Flex time was not used to provide additional instruction to Students with Disabilities. In addition, professional development was not this year on differentiation strategies using the language arts text due to the changes based on distance learning and hybrid instruction.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Due to distance learning and hybrid instruction during 2020-2021, implementation of strategies was not completed. Quarterly chats with special education team was not realized; however, special education teachers will begin implementation as we return to instruction in the fall of 2021.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Due to distance learning and hybrid instruction during 2020-2021, implementation of strategies was not completed. Strategies will be put in place to have a more systematic communication between special education and general education teachers to address student need as well as a more strategic plan for special education teachers to participate in instruction in the general education classroom when returning in the fall of 2021.

**ANALYSIS**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Due to distance learning and hybrid instruction during 2020-2021, implementation of strategies was not completed. However, plans to implement this goal in the fall of 2021 will include ideas such as Mindful Monday, Digital Citizenship lessons, yard sign recognition, increased social media to families, kindness assemblies, Trojan Talks by our counselor to all students, parent nights and a

Best Buddies program for general education students and special education students provided by the counselor. With the addition of new counseling staff, plans will be reviewed in the fall of 2021. Counselor interns will continue on campus in 2021 as they did during hybrid in spring of 2021. Olweus Bullying program will resume when all students are on campus in a traditional schedule.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The full implementation of Olweus was delayed due to distance learning and hybrid instruction.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Due to distance learning and hybrid instruction during 2020-2021, implementation of strategies was not completed. Once returning to all students on campus and not in hybrid, there will also be a focus on cultural awareness, acceptance and staff training that will be provided through Olweus implementation. A Universal Screener was used in the Spring of 2021 to identify students in need of support.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

ELA/All content areas

## LEA/LCAP Goal

Academic Excellence - Learning for All Students

Every student experiences educational success at the highest levels of achievement. We believe that each student has a unique ability to learn in an environment that is enriched with a challenging curriculum, where learning is modeled and expectations are both known and high. We expect all students to demonstrate continued and improved academic achievement, through Collaboration, Communication, Critical thinking, and Creativity, to be college and career ready, and to become lifelong learners.

## Goal 4

To increase student proficiency in reading comprehension and provide teachers with new strategies to better support student success at high levels in all content areas.

## Identified Need

State test scores indicate a need for this goal to be addressed.

## Annual Measurable Outcomes

| Metric/Indicator  | Baseline/Actual Outcome   | Expected Outcome  |
|---|---|---|
| Students in both 7th and 8th grade ELA had drops in state scores in 2019.   | 59% of 8th grade students scored in the Standard Nearly Met or Standard Met category. 61% of 7th grade ELA students feel in the same groups.              | Students in 7th and 8th grade ELA will increase state test scores by 10%.                               |
| Staff indicated on Schools to Watch survey that they desire more grade level articulation time to provide more cross content area activities. | Currently only ELA and 8th Social Studies have a connection to curriculum taught that will provide reading comprehension strategies across content areas. | Departments will create at least one cross content area project with an emphasis on informational text. |
| Thinking Maps and Write from the Beginning will continue to be used across all content areas.   | Thinking maps has been introduced in all classes.   | On observation and through products, all subjects will use thinking maps.                               |

**Annual Review**

**SPSA Year Reviewed: 2020-21**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

**ANALYSIS**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Due to distance learning and hybrid instruction during 2020-2021, implementation of strategies was not completed.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Conferences with students to discuss test results and learning walks for teachers did not happen due to distance learning for the majority of the year and hybrid instruction in the spring.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Due to distance learning and hybrid instruction during 2020-2021, implementation of strategies was not completed. No test data was available for individual student conferences nor for grade level meetings. Assessment data and format for collection of that dat is being discussed including use of new assessment tools district wide.

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 4 Parent or Community Members

| Name of Members   | Role                       |
|-------------------|----------------------------|
| Linda Takacs      | Principal                  |
| Mrs. Andrade      | Parent or Community Member |
| Mrs. Edna Tristan | Parent or Community Member |
| Mrs. Arlene Anaya | Parent or Community Member |
| Mr. Kim           | Parent or Community Member |
| Miss Goss         | Classroom Teacher          |
| Mr. Anderson      | Classroom Teacher          |
| Mrs. Pagano       | Classroom Teacher          |
| Mrs. Bullard      | Other School Staff         |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

**Committee or Advisory Group Name**

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 05/27/2021.

Attested:

Principal, Linda Takacs on 05/27/21 

SSC Chairperson, Mrs. Andrade on 05/27/21 

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

## Instructions: Linked Table of Contents

**The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.**

## **Purpose and Description**

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

### **Purpose**

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### **Description**

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

## **Stakeholder Involvement**

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

*[This section meets the requirements for TSI and ATSI.]*

*[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]*

## **Resource Inequities**

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

*[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]*

# Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

## Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

*[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]*

## Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

*[Completing this section fully addresses all relevant federal planning requirements]*

## Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

*[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school's identification.]*

*[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school's identification.]*

## Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency's budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

*[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]*

*[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]*

## **Students to be Served by this Strategy/Activity**

Indicate in this box which students will benefit from the strategies/activities by indicating "All Students" or listing one or more specific student group(s) to be served.

*[This section meets the requirements for CSI.]*

*[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]*

## **Proposed Expenditures for this Strategy/Activity**

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.

*[This section meets the requirements for CSI, TSI, and ATSI.]*

*[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

## **Annual Review**

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

*[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]*

## Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

*From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.*

## Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- **Total Funds Provided to the School Through the Consolidated Application:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

*[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

# Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

### Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
  - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
    1. The comprehensive needs assessment of the entire school shall:
      - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
      - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
        - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
        - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
        - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
        - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
        - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
  - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

### Requirements for the Plan

- II. The SPSA shall include the following:
  - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
    - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
    - b. use methods and instructional strategies that:
      - i. strengthen the academic program in the school,
      - ii. increase the amount and quality of learning time, and
      - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
    - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
      - i. strategies to improve students' skills outside the academic subject areas;
      - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
      - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
      - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
      - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
  2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
  3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
  - 1. Ensure that those students' difficulties are identified on a timely basis; and
  - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

## Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

### Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceusesinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

### Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceusesinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

## **Additional Targeted Support and Improvement**

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## **Single School Districts and Charter Schools Identified for School Improvement**

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
