

## **Community Relations**

### **School-Connected Organizations**

The Board of Trustees recognizes that parents/guardians may wish to organize clubs for the purpose of supporting the educational program and/or extracurricular programs. Parent/guardian clubs shall be especially careful not to seek advantages for the activities they support if those advantages might be detrimental to the entire school program.

The Board recognizes that these organizations are independent of the school or district. In order to protect the district and students, the Superintendent or designee shall establish appropriate controls for the relationship between such organizations and the district.
